The Department of the Interior,

O_T_T_A_W_A.

Gentlemen,

On May 30th. last year I applied for a Patent for two acres of land on the NE I/4 of Sec. 4 Tp. 49 Rge. 24 W of the 4th. Meridian to be granted to Messrs. Joseph Binder, John Frederick, and William Redeman, as Trustees for the First Baptist Church at Leduc. I sent the necessary fee and was advised by your Department that the Patent would be issued at once. Many months have now passed and no Patent has been issued. Please attend to this as early as possible.

Yours truly,

C. H. Woodworth

Department of the Interior,

Ottawa, 10th September, 1912.

Sir,

Letters Patent issued in the names of Jacob Snider, John Frederick Rose, and William Wade, as Trustees of the First Baptist Church at Lone Mission, for a portion of the North East quarter of Section 4, Township 40, Range 24 West of the 4th Meridian, Provisional District of Alberta, which patent issued on the form used in connection with Mission Grants. In this patent a clerical error was made in describing one of the Trustees as John Frederick Rose, whereas his proper name is John Frederick. In consequence of this error the patent has been cancelled under the provisions of section 50, of chapter 54 of the Revised Statutes of Canada, and a new and correct patent is to be issued to replace such cancelled patent.

I have now the honour, by direction, to request that you will furnish the Department with a draft form of patent it is wish to convey the land in question.

The Agent, Edmonton.

Sir,

In reply to your letter of the 14th instant, I directed to state that your proper course will be to apply at the Agent of Dominion Lands at Edmonton for an extension of your homestead and pre-emption entries, as the S.½ of Section 21, Township [illegible], Range [illegible], West of the Meridian, appears to have other improvements, besides your residence, on the pre-emption. It will be necessary for you to personally attend [illegible] in order to prove this fact.

I am, Sir,

Your obedient servant,

It would appear that on the 14th of March 1885 Mr. De Lagorgendaire was granted permission to make homestead entry for the land in question on the condition that patentshould not issue until he had 40 acres under cultivation or improvements to the value of $600

Mr. De Lagorgendiere failed to avail himself of this permission and left the district some seven years ago, and now holds the position of Deputy Clerk of the Court at Prince Albert; and writing under date the 4th instant, in response to a notification from the Agent to come forward to make entry, states that he has

Mr. Goodeve,

It is necessary, I think, that this land should be inspected before we decide what is to be done in regard to it. Write accordingly to the Commissioner and instruct the local Agent at Prince Albert to send the Ld. Inspector to examine the land and report upon the improvements thereon and their value at the earliest convenient opportunity. It will probably be well to defer this until the opening of spring. Write to the C.P.R. accordingly.

MEMORANDUM.

To ..... Department of the Interior.

R.C.

Ottawa, 23rd May, 1894.

Mr. Burgess,

I have looked into this case. At time of investigation into the Edmonton Claims he was so far as residence was concerned entitled to patent. The question was, were there sufficient improvements to warrant issue of same ? All the valuations at that date placed on improvements particularly by men of the stamp of Lagorgendiere were from 100 per cent to 200 per cent too high, hence by placing the improvements at $600.00 there would probably be improvements to the value of only $200. to $300.00. Since then Parliament has placed as the minimum value of improvements on a preemption quarter section homesteaded at $1.50 per acre, $240.00. His improvements he valued in 1884 at $200. $100.00 no doubt would be nearer the value. As a matter of policy and also in the spirit and letter of the law I have always thought that at date of application for patent was when the improvements should be valued, not something that existed at some time prior to such time.

The decision was rendered on 24th February, 1885, and Mr. G. A. Simpson the then Agent for this land notified Mr. De Lagorgendiere, but he did not protest or conform to the terms of the decision of the Land Board. I think about 1887 or 1888 he was appointed Clerk of the

Court

Court at Prince Albert and I presume has been there ever since.

What is now to be done ? I think he should be notified to make his entry within 60 days otherwise his claim to lapse. Whether he should put on improvements or not before patent issue I leave to you or the Commissioner to decide. It is not necessary to perform any further residence except on the ground that as time before Survey is allowed to count must that not be immediately preceding the application for Patent ?

As he settled on this land in the Spring of 1880 not 1879 as Homestead Inspector states he would be entitled to purchase at $1.00 per acre and this latter course would possibly be the best solution and a fairly equitable one.

Respectfully submitted,

MEMO

M.S.

Department of the Interior,

Ottawa, 20th May, 1884.

Mr. Burgess,

Survey was made---1882 & 83

Assuming his valuation of improvements correct had he done enough? Again should these improvements be valued at time he applies for patent not what they were years before. In cases of death that condition might I presume equitably be waived but in case of a squatter prior to survey he is supposed to take up land for the purpose of a home, and if we consider he has any right by reason of such squatting should we not insist that he make it his home till he applies for his patent. Does not the Act require that his residence must be three years next preceding the date of his application for patent, as he had been residing on the claim up to June of 1884 and he filed his claim before us in September, 1881, he must be considered as living on it up to date of application. He certainly embraced the 1st opportunity to apply for patent. There is nothing to show that he wants the land or considers he is entitled to same. In any event he should pay a fee of $ 10.00 .

Possibly if he were offered it at $ 1.00 per acre he would think he was sufficiently liberally treated and I think he would be.

Dear Mr. Smith,

I send you herewith file No. 4097 of this Department, covering the case of C. de la Cour Gibbs, a squatter on the West half of the West half of Section 15, Township 18, Range 23, West of the 4th Meridian, Manitoba Survey, and would call your attention to Mr. Reeve's report of the 19th February 1874, and to the memorandum by Mr. Patrick endorsed thereon. Should the case be dealt with in the first place, we think it would be a proper course for you to adopt now. You will see from the correspondence that I take the same view of the matter.

Referring to the letter of the Deputy Minister, dated the 21st ultimo, Ref. 80974, enclosing your office file No 356783, I am directed to say that the papers having been laid before the Commissioner, he is of the opinion that as Mr de la Gorgendiere has failed to take advantage of the permission granted on the 22nd December, 1893, to make homestead entry for the West half of the W½ of Section 19 in Township 55 Range 23 W 4th M, within thirty days, with the alternative that the land should be patented to the Railway Company , he has forfeited all claim thereto, and that it should be handed over to the Railway Company as part of its Land Grant, and he therefore recommends it accordingly.

Your file No 356783, is returned herewith.

Re: C. & E. Land Subsidy
S.E. 5-34-1 W.5th Your File 356883

Dear Sir:-

We duly received your letter of May 27th with its enclosure of direction by the Calgary & Edmonton Railway Company under which surface patent for this land was issued in 1894 to Andrew Swenson, and intimating that sub-surface patent would now be issued to Andrew Swenson as the nominee of the Calgary & Edmonton Railway Company.

Under yesterday's date we addressed to the Deputy Minister of the Department a general letter under the caption -

"Re: C.& E. Land Subsidy
and in particular Class "D"
where minerals reserved in sale
but ? in nomination for patent."

which bears generally upon the whole class of cases of which this Swenson parcel is only one.

On behalf of the Calgary & Edmonton Railway Company and its assigns (Calgary & Edmonton Land Company and Calgary & Edmonton Corporation Limited) We beg to submit that Andrew Swenson is not the nominee of the Calgary & Edmonton Railway Company for issue of the sub-surface rights in this land and that the nomination or direction dated 21st May 1894, whereof you were good enough to forward us a copy, related only to the surface and was so accepted and acted upon by the Department in its issue of the surface patent.

Swenson was our client's purchaser of the surface of this land under form of Agreement which expressly reserved the underrights to the Vendor and we should be able to produce for the Department's inspection the original duplicates of this contract in support of our client's claim to be entitled now to a patent to the underrights.

Re: C. & E. Land Subsidy.
N.E. 9-34-1 W 5th
Your File 356883

Dear Sir:-

We duly received your letter of May 27th with its enclosure of direction by the Calgary & Edmonton Railway Company under which surface patent for this land was issued in 1894 to Andrew Swenson, and intimating that subsurface patent would now be issued to Andrew Swenson as the nominee of the Calgary & Edmonton Railway Company.

Under yesterday's date we addressed to the Deputy Minister of the Department a general letter under the caption -

"Re: C.& E. Land Subsidy
and in particular Class "D"
where minerals reserved in sale
but ? in nomination for patent. "

which bears generally upon the whole class of cases of which this Swenson parcel is only one.

On behalf of the Calgary & Edmonton Railway Company and its assigns (Calgary & Edmonton Land Company and Calgary & Edmonton Corporation Limited) we beg to submit that Andrew Swenson is not the nominee of the Calgary & Edmonton Railway Company for issue of the sub-surface rights in this land and that the nomination or direction dated 21st of May, 1894, whereof you were good enough to forward us a copy, related only to the surface and was so accepted and acted upon by the Department in its issue of the surface patent.

Swenson was our client's purchaser of the surface of this land under form of agreement which expressly reserved the underrights to the Vendor and we should be able to produce for the Department's inspection the original duplicates of this contract in support of our client's claim to be entitled now to a patent to the underrights.

Commissioner of Dominion Lands,

MUNSON, ALLAN, LAIRD, DAVIS, HAFFNER & HOBKIRK
MUNSON, ALLAN, PATTON, MACINNES & MILNE

There is considerable area, in all some 23,000 acres, falling within the same general classification and we hope that the Department will withhold all action in the direction of the issuance of underrights patents in such cases until we have had the opportunity of submitting to you our full claims in this connection, which can probably more conveniently be done by personal visit of a representative to Ottawa.

By way of precaution we are wiring you today the gist of the foregoing.

Yours truly,

MUNSON ALLAN LAIRD DAVIS HAFFNER & HOBKIRK,

DISCHARGE OF SURETIES OR BONDSMEN.

Under 62-63 Vic., Chap. 18.

WHEREAS on or about the 8th day of April A.D. 1898 Wm E Clarke of Township 30 in Range 27 West of the 4th Meridian and Hugh Cameron of Township 30 in Range 27 West of the 4th Meridian and Peter Flanagan of Township 30 in Range 27 West of the 4th Meridian, as his sureties, executed in favour of the Minister of the Interior of Canada, a bond, for the amount therein mentioned, as security for the payment of the value of an advance of seed grain which had been made to the said Wm E Clarke on or before the above mentioned date.

AND WHEREAS it has been shown to the satisfaction of the said Minister that land owned or entered for by the said Wm E Clarke which is liable to the charge created against it by the said bond, is sufficient security for the payment of the value of the said advance of seed grain.

NOW THEREFORE, be it known that I James Allan Smart of the City of Ottawa, in the Province of Ontario, Esquire, Deputy of the Minister of the Interior of Canada, do hereby certify and declare, under authority of an Order in Council passed upon the twenty seventh day of December A.D. 1898, under and in accordance with the provisions of the Act, Chapter 18 of 62-63 Victoria, that the land of the said Wm E Clarke owned or entered for by him and which is subject to the charge created by the said bond, is sufficient security for the payment of the said advance of seed grain, and that the sureties of the said Hugh Cameron and the said Peter Flanagan the said sureties of the said bond are hereby released and discharged from the said bond as sureties thereto, but not from any engagements or liabilities to which the said bond was executed.

AND FURTHER, that the said Hugh Cameron and Peter Flanagan their respective heirs, executors and administrators are hereby released and discharged from the said bond and from all proceedings, claims or demands whatsoever, and of and from all and every manner of actions, causes of action, claims and demands whatsoever, which Her Majesty Queen Victoria or Her Successors or the said Minister or his successors may or can have against them now have or may hereafter have by reason of, or arising out of, or in any way connected with the account of or because of the said bond or of the above recited matter.

In testimony whereof I have hereunto set my hand and seal of office at the Department of the Interior, this 1st day of March A.D. 1899.

Sir,

I have to acknowledge receipt of [illegible]

1856883

Camrose, May 19th. 1909.

The Hon. Frank Oliver,
Minister of the Interior,
Ottawa, Ontario.

Dear Sir,

I have an application from a half-breed, [illegible] LABERCANE, asking me to see that his application for a second homestead receives consideration. He says that his brother, Dan Labercane was awarded a second homestead, without any difficulty and he does not know why he cannot get one. He was born in Alberta and has lived there all his life. He proved up on his first homestead in 1911. I am not familiar with the law governing the granting of second homesteads, and would be glad to know why one cannot be granted in this case.

Ottawa, 11th June, 1903.

Sir,

Referring to your letter of the 10th ultimo addressed to the Honourable Mr. Oliver, I am to say that the privilege of a second homestead is granted to those settlers only, who fully completed the settlement duties on their first homestead prior to the 2nd of June, 1900. This is a matter fixed by statute and the Department has no discretionary powers.

As Mr. Smith's absence will not complete the settlement duties upon his first homestead, the N.E. of section 14, township 23, range 28, west of the 4th Meridian, prior to the 2nd of June, 1900, he is not entitled to a second homestead.

Inclosed herewith for your information is a summary of the present regulations. Your attention is specially directed to paragraphs twenty-four to twenty-seven inclusive having reference to the purchased homestead privilege allowed by the new legislation and also to the proviso upon the last of September last.

Sir,

Mr Blair,(Mr W. R. Hull's business manager) called at this Office on the 13th Inst. and wished to kno w whether ,or no,the S. W. ¼ of section 24, - Township 15, - Range 29, - West of the 4th Mn. was vacant,stating that he desired this information for the use of the Department ,to which I replied that Head Office knew as well as I whether the land was vacant or not. It seems that Mr. Hull is the owner of some Scrip, the Half Breed living some distance from Edmonton ,he claims it has been impossible to get her to come here to locate same. In this connection Mr. Blair states ,Mr. Hull when in Ottawa some time ago, interviewed the Deputy Minister, who informed him that if he could get a letter from the Agent here ,that the S. W. ¼ 24, - 15, - 28, W. of 4th was vacant, he would instruct the Agent at Edmonton to receive the application . So far as our Books shew ,the land appears to be vacant and I know no reason why it should not be disposed of. Please advise me.

MEMORANDUM.

To

In your reply

Dominion Lands Office,

Letter No. 20,342. Calgary, May, 6th, 1896.

Sir,

See yours of the 29th Ult. Ref: 358006. The S.W.¼ 24, -15, -29, -W. of 4th is the correct description of the land. The name of the grantee of the Half Breed land Scrip, intended to be applied is I am informed by Mr. Blair, Mr Hull's Manager, "Elizabeth Dupuis".

With regard to whether a reference to be made to the Books of the Agency, or that of the Department, is the most reliable, of course I will admit that those of the Agency would have the advantage by a few days; but even if the Agent informed you that the ¼ Section in question were vacant, unless it was reserved, without authority there would be no guarantee that it would be reserved by the time the grantee reached the Office of the Edmonton Agency, a letter from this Office to Ottawa, the necessary delay there, then instructions to Edmonton, Agent, then getting grantee in, might often involve three months time. Further it is not the practice of the Department that Agent should receive instructions of this nature through third parties, and those the ones to be benefitted, so that I conclude either Mr. Blair had misunderstood Mr. Hull, and the latter had the Deputy Minister. Further as this land has been open for entry for some years, the chances of it being entered within ten days in mid-winter were so small, that I hardly imagined that if on reference to your records, if found vacant, you would hardly be justified in concluding it would probably remain so, or in any event you could have advised Mr. Hull of the probable contingency, instructed the Edmonton Agency, on advice from this Agency that the land was open for entry, to carry out the sale, and in instructing me request the land be withheld from entry by another applicant, until a reasonable time had been given the Half Breed Scrip grantee to effect entry.

Further it did not occur to me that the Department had ever permitted, or would likely sanction entries requiring personal attendance to be made before one Agent, effecting lands in the Agency of another.

I am Sir,

Your obedient Servant.

OFFICE OF THE COMMISSIONER OF DOMINION LANDS.

Winnipeg, 5th May, 1896.

Dear Mr.Burgess,

I would refer you to Mr.Pearce's letter dated the 16th ultimo, No.20151 on 22456, addressed to the Secretary of the Department, in reference to certain Half-breed scrip which Mr.Blair, acting on behalf of W.R.Hull and Company, desires to apply on the S.W.¼ of Section 24, Township 15, Range 29, W.4.M. Mr.Pearce states that Mr.Blair informed him that when Mr.Hull was in Ottawa some time ago he was informed by you that if he could get a letter from the Agent stating that the land was vacant, you would instruct the Agent at Edmonton to receive the application.

In this connection I would refer you to Mr. Pereira's letter of the 6th May, 1896, Ref.14610, in which he states as follows:-

"The Deputy Minister, to whom the matter has been
"referred, directs me to inform you that there is no
"reason why the rule which requires holders of North-
"West land scrip to appear personally before the Agent
"of Dominion Lands for the District in which the land
"is situated whereon they may desire to place such
"land scrip and make an entry therefor, should be
"changed. The whole object of such rule was to bene-
"fit the Half-breeds by making sure that each would
"select and locate his land for himself without the
"intervention of the speculator."

It would seem to me that Mr.Hull must have misunderstood you, or that a proper representation of the facts

A.M.Burgess Esq.,
Deputy Minister of the Interior,
Ottawa, Ont.

facts had not been made as it is difficult to see how, in view of your former decision, an exception should now be made in favour of Mr.Hull.

I shall be glad to hear from you upon this subject

Yours truly,

Ref. 358006.

I beg to submit, for your perusal, Mr. Smith's letter of the 5th instant, hereunder, Our letters of the 29th ultimo and 5th instant, copies of which were sent to the Commissioner, will show him the present position of affairs respecting the location of Half-breed land scrip. Mr. Smith's attention might be drawn to such letters, and if you approve of this suggestion I will prepare the necessary letter for the Assistant Secretary's signature.

Dear Mr. Burgess,

See fyle of your Office 358006, so far as the 40 Half Breed Land Scrips now outstanding are concerned, there may be no objection to the course suggested, but if that course is adopted how can the same privilege be refused to any which may hereafter be issued, and it occurs to me that there may be a considerable number. How many were issued up to date ?.

At present the greater portion take money Scrip If the Half Breed wants land, personally the other is the best, if he does not then it is better he take Scrip. If one buys a land Scrip he takes his chances on losing an occasional one, or being put to a good deal of inconvenience in having the same located. With it all the cost per acre of the land has not been to the locatees much if any over $1.00 per acre.

I am,

Yours faithfully,

Sir,

In reply to your letter of the 5th instant, Ref. 3.1003, 2963, to the Deputy Minister, I am directed to refer you to my letters of the 9th ultimo and 5th of the current month to Mr. Pearce, copies of which were sent to you, and to xxxxx that in the last mentioned communication it was stated in error that there were no more than fourteen Half-breed land scrips outstanding. What should have been stated was that there were no more than forty Half-breed land scrips outstanding, and Mr. Pearce was so advised by letter of the 7th instant.

It will be seen by those letters that it was not intended to allow either Mr. Hull or his agent to locate the scrip personally at Edmonton, but simply to authorise the Agent of Dominion Lands at that place to receive the grantee's application for an entry for land in the Calgary District, provided the Agent of the latter District had first reported the land on which Mr. Hull or his agent proposed to locate the warrant as xxxxxx vacant and available for that purpose.

Sir:-

Referring to the Commissioner's letter of the 5th May, 1896, References 361003 and 29653, and to the Secretary's letter of the 29th April, 1896, File 358006, I have the honour to inform you that Mr. W. R. Hull was unable to find the Half-breed woman Elizabeth Dupuis who was granted Scrip No. 5007 dated 6th August, 1885, for some years. She has at last, however, been located, and Mr. Hull has made arrangements to have her brought to Edmonton and requests permission to have the Scrip applied through that Office instead of having to bring her on to Calgary.

According to the file of this Office, it would appear that Mr. Hull desires to have the Scrip applied upon the S.W. 1/4 of 24 - 15 - 29, West of the 4th, which is at present under lease to Mr. Hull but otherwise available so far as the books of this Office show.

Dear Sir:-

In reply to yours of the 9th inst with enclosure from the Department of the Interior re Elizabeth Imuis scrip, and in which reference is made to the fact that she signed her application for scrip in her own hand and the transfer of the land to you by her mark I can only say that writting is with her almost a lost art, that it was with great difficulty she signed her name at the Land office, and only then by spelling her name out to her letter by letter, she spoiled a ~~xx~~ copy of the transfer trying to sign again and then refused point blank to try any more, she said she had only written her name once since she left the Mission school in ' 85. As I found it impossible to change her decision I was forced to accept her signature signed with her mark. I do not think she can be induced to change her mind for she seems a ~~x~~ very obstinate sort of an woman. Sir,

With further reference to the application of the heirs in the estate of the late Miles Kennedy to acquire the areas in Lots 57, 58 and 59, St. Albert Settlement, Alberta, which were not included in the original patents issued for the lots, I beg to inform you that it has been decided to sell these areas to the respective owners of the patented lands in the lots at the several valuations placed thereon by the Inspector after investigation of the properties, namely, [illegible].00 an acre for the area in Lot 57, [illegible].00 an acre for that in Lot 58 and [illegible].50 for that in Lot 59.

The area available for sale in Lot 57 is 11.1 acres, that in Lot 58 is [illegible].6 acres and that in Lot 59 is 30.1 acres.

Accordingly, Mr. Albert Kennedy may purchase the 11.1 acres in Lot 57 at [illegible].00 an acre, Mr. Andrew Kennedy may purchase the [illegible].6 acres in Lot 58 at [illegible].00 an acre and Mrs. Catherine Kennedy may acquire the 30.1 acres in Lot 59 at [illegible].50 an acre.

Each sale will be subject to the purchaser's furnishing here an abstract of title or duplicate certificate of title showing the patented area in the lot to stand in his or her name. If the latter document be furnished, it will be returned after being examined.

The terms of the sale in each case will be either the whole of the purchase money payable on or before the 1st October next or one-quarter of the amount within that time limit and the balance in three equal annual instalments, with interest thereon at the rate of 6% per annum. Any overdue instalments will be subject to interest at the rate of 7% per annum. Payment should be made to the local agent of Dominion Lands, Edmonton, Alberta, to whom a copy of this letter is being sent for his information in the matter.

Yours....

Jno. T. J. Collisson, Esq.,
Barrister,
[illegible] C. P. R. Building,
Edmonton, Alberta.

The several sales will be subject also to the right of the Province to take for road purposes without compensation prior to the issue of patent such land as may be required, not to exceed two and one-half per cent. of the total area, and likewise subject to the right of the Province to take such area as may be required for right of way in connection with drainage projects, not to exceed one per cent. of the total area. In the event of a deduction in area being made for either or both of these purposes, the account will be adjusted accordingly.

I may add that the Department should be informed of the full names and occupations of the several applicants as this information will be required for insertion in the letters patent when issued.

DOMINION LANDS ADMINISTRATION

MEMORANDUM

J. W. Martin, Esq.,
Commissioner of Dominion Lands.

You have called for a report in connection with the Assistant Deputy Minister's memorandum of the 13th instant, hereunder, with respect to the communication received from Mr. James T. J. Collisson, Barrister, Edmonton, on the subject of the valuation of certain areas in Lots 57, 58 and 59, St. Albert Settlement, Alberta.

The facts in this case are set forth fully in the memorandum to you of the 8th ultimo, beneath. In accordance with the decision endorsed on that memorandum, Mr. Collisson was advised by Departmental letter of the 27th ultimo that Mr. Albert Kennedy might purchase the 11.1 acres in Lot 57 at $22.00 an acre, Mr. Andrew Kennedy the 52.6 acres in Lot 58 at $35.00 an acre, and Mrs. Catherine Kennedy the 50.2 acres in Lot 59 at $22.50 an acre.

In his present communication Mr. Collisson states that he has taken the matter up with his clients and that he is advised that the price asked for the lands is away beyond reason. He points out that the 3 parcels are jutting out into the river from the river lots and that there are no possible means of access to the lots except by the river or through the lands owned by the applicants. At the same time he represents that the Municipal District has assessed the lands to his clients since 1913 and that they have paid the taxes on the assumption that the lands belonged to them.

Mr. Collisson....

Mr. Collisson further states that his clients authorize him to make an offer of $3.00 an acre, with simple interest on the same since 1913, at 5%. A sale on this basis would be the equivalent of a charge of $5.40 an acre.

This case presents some unusual features, and the application for a reduction in price no doubt possesses some merit. The view was expressed in the memorandum of the 8th ultimo referred to that in point of law the original grants probably conveyed whatever lands were actually included within the limits of the lots and that there might be a degree of justification in giving some consideration to the effect of the original letters patent when deciding upon an equitable charge. It was also pointed out in the memorandum that certain areas in Lots 39 and 40 were sold at $3.00 an acre.

Under all the circumstances, I think that the Department might very well reconsider the price asked for the areas in question and accept say $5.50 an acre for the parcels.

At the same time sales were authorized of the areas in the 3 lots mentioned, a sale was also authorized to Mr. Joseph Ronault of 43.20 acres in Lot 60 and 38.00 acres in Lot 61 at the rate of $25.00 an acre. If the areas in Lots 57, 58 and 59 are sold at $5.50 an acre, it would appear necessary to give the same consideration to Mr. Ronault in the event of his requesting a reduction.

Sir,

With further reference to the application of the heirs in the estate of the late Miles Kennedy to acquire the areas in Lots 57, 58 and 59, St. Albert Settlement, Alberta, which were not included in the original patents issued for the lots, I beg to say that, in view of your representations in this regard, it has been decided upon reconsideration to make a sale of these areas at the rate of $5.50 an acre.

Under the circumstances, each of the applicants will be allowed until the 15th proximo within which to make payment to the local Agent of Dominion Lands at Edmonton, of either the whole or one-quarter of the purchase money. In other respects the sales will be subject to the terms and conditions set out in the Departmental letter to you dated the 27th August last.

Your obedient servant,

Commissioner.

Sir,

With further reference to the sales made to Mr. Albert Kennedy, Mr. Andrew Kennedy and Mrs. Catherine Kennedy of certain areas in Lots 57, 58 and 59, respectively, St. Albert Settlement, on account of which payments have been completed, I beg to say that before it will be in order to issue patents to the respective purchasers, it will be necessary to furnish the Department with the Abstracts of Title or Duplicate Certificates of Title called for in the Departmental letter to you of the 27th August last. You were also requested in your letter to inform the Department of the full name and occupation of each of the purchasers.

It would be appreciated if you would arrange to have the Department furnished with the required documents and information in this regard at an early date.

Memorandum:-

Mr. C.A. Magrath called on me this morning with reference to the claim of Duncan Sr., to certain entry on [illegible] for the north-east quarter of Section [illegible] Township [illegible] Range [illegible] West of the 4th Meridian, and the reasons or otherwise against the South East portion of Section 27, [illegible] Township [illegible] Range [illegible] West of the 4th Meridian. Mr. Magrath stated that he was informed by Mr. Duncan that he was prepared to let this part of the land go. I explained to Mr. Magrath the proposal which had been made by the Company [illegible] mentioned [illegible] Company, and referred to this correspondence on file [illegible] No. 161,347 No. 3. I said that I would be willing to recommend the proposal, if the Department still required the land for the purposes of the Company as it stood to-day, to which he replied that the matters [illegible] survey. He [illegible] that if the Company were to waive all claim to the East half of 27, we should permit John Duncan to make homestead entry for the quarter

section

section [illegible] residence, and give the son until my next June to come forward and enter for the other section. If he does not do so within that time, we can then sell the balance of the East-half to his father as the improvements of the sons (father and son) cover portions of both quarters in the East-half.

Sir,

Referring to my letter to you of the 26th April last regarding the claims of John and Charles Furman to portions of 27 - 1 - 26, West of the 4th Meridian, I am now directed to enclose a copy of a letter received from Messrs. Osler, Hammond & Nanton, respecting the section mentioned. You will observe that apparently it is the intention of the Messrs. Furman to lay claim to the whole of the section, and that Messrs. Osler, Hammond & Nanton offer, in case the Furmans are granted homestead entries, to dispose of the remainder of the section to them. Please bear this offer in mind in disposing of the case, and advise Messrs. Osler & Co. and this office of your decision.

[illegible] Sec. 21, Tp. 1, Rge. 2 West 1st M.

Our local representative advises us that John Forman claims the S.E.¼ of this section under Squatters rights and that his son Charles E. Forman is now claiming the S.E.¼ as a homestead. We also understand that Forman's son wish to purchase the W.½ of the Section as pre-emptions. From our information of the position of affairs we believe that John Forman no doubt is entitled to the S.E.¼ but as Charles E. Forman was certainly under age when he claims to have Squatted on the S.E.¼ that he cannot have any legal claim to any portion of the Section. As a matter of fact, we do not think Charles E. Forman Squatted on our land at all as we believe he merely resided with his father.

We desire to secure the whole of this Section as a portion of our Land Grant if the Formans are not legally entitled to any of it but if your Department wishes to grant between the father and son a free ½ Section it has occurred to us that you

Could give him the E.½ and give us the W.½, if we agree to sell the W.½ to the Germans and they agreeing to purchase from us at once. If you do not wish to give the Germans a free ½ section it would appear to us that we were entitled to the whole of the section except perhaps the S.E.¼.

Sir;-

With further reference to yours of the 11th September last Ref.313.657 respecting the claim of John Furman to the N.W.t.of Section 27 - 1 - 26 west of the 4th Meridian.

This man is entitled,by reason of squatting prior to the Land Grant having been made to the Calgary & Edmonton Railway Company,to purchase to the extent of 320 acres,if he so desires,at the rate of $2.50 per acre. It is just possible that the said Company may sell the land to him at a lower figure. He is a good settler and worthy of every legitimate encouragement.

Sir,

I am directed to draw attention to your letter of the 1st June, last, No. 24[illegible], Ref. 3[illegible], as regards Conybeare and Galliher, of Lethbridge, with reference to the claim of the Messrs. Furman to be allowed to homestead the East half of Section 27, Township 1, Range 26 West of the 4th Meridian, and to enclose to you herewith Head Office file No. 358086, covering the papers of record in the case.

ENCLOSURE.

From these papers you will see that the Minister has approved the Deputy Minister's recommendation that a Homestead Inspector be sent to visit the land, and, if the facts connected with the case turn out to be as represented, to permit the Messrs. Furman to enter for their respective quarter-sections.

A copy of this letter has been sent to the Agent of Dominion Lands at Lethbridge for his information and I am to request that you will be good enough to give the necessary instructions to have the Minister's decision given effect to.

Dear Sir.

In July 1889 one John Furman located on unsurveyed lands which now turns out to be Section 27, Township 1, Range 26, West of the fourth Meridian. He has ever since continued to reside on the said lands and has made valuable improvements thereon to the amount of some fifteen hundred or two thousand dollars. Mr Furman wishes to know if he can have the N.E quarter of said ~~[illegible]~~ Section allowed him as a homestead and upon what terms he can ~~have~~ purchase the S.E. quarter. Failing this Mr Furman wishes to know if the government would sell him the half section at say, one half the usual price of Government lands. Mr Furman has never homesteaded in this country and as he is a good settler and has made valuable improvement on the land and if they are the property of the Government he desires very much, if the government sees fit, to carry out the first mentioned proposition.

Sir:-

Mr. John Furman who holds homestead entry for the N. E.¼ Sec: 27 - 1 - 26. W.4th. M. has applied for permission to purchase the land, giving as his reason for making the request, that he fought in the American War, and has lately been advised that he is entitled to a life pension with all back pay, and should he become a Naturalized British Subject. In order to obtain homestead patent, he would forfeit this pension.

Mr. Furman has made for himself a comfortable home, has valuable improvements on the land, and has it under irrigation. He wishes to spend the remainder of his life in this country, but does not wish to loose the benifit of this pension. having placed the land under irrigation he asks the privelege of purchasing at $1.00. per acre.

Referring to your favor of the 16th August last File 30,036, advising that there was no objection to this Quarter Section being granted to this Company as a portion of its Land Grant, I advised the Company sold it to Mr. J. F. Forman at the rate of $2.00 per acre. In accordance with the wishes of your department, as expressed in this letter, we sold the land to Mr. Forman but he only made one payment on account and both principal and interest are now over two years in arrears. We fulfilled our obligation to the Government by selling to Mr. Forman and we presume that as he does not make the payments called for under his agreement, there is no objection to the Company either cancelling his sale or cancelling the agreement for sale. An early reply will oblige.

Mr. Hall,

In reply to your memo. of the 21st inst. I would say that there appears to be no objection to giving the S. E. ¼ of 27, 1, 2E, West of the 4th Meridian, back to the Railway Company as a part of their land grant, provided they will sell it to John Furman at $2.50 per acre, but there are two points which I think require consideration first.

1. I assume that there is no possibility that Charles Furman can show that he is entitled to patent by reason of residence performed before survey. He writes as if he had acquired initiation, ~~[illegible]~~ he resided on the land for 3 years, while living with his father on the adjoining quarter-section. It must be well to have this claim investigated before dealing with the land.

2. We must ~~[illegible]~~ Furman that he will be allowed to buy. Are we sure that he will ratify the sale by the Company?

Referring to your favor of the 11th June 1896 and previous correspondence. We beg to advise you that in February last we were advised by the Commissioner of Dominion Lands that it had been decided to allow Mr.Charles Furman to enter for this piece of land and that as he was not at the time residing upon it he had been given to the 1st ~~June~~ of this month to register his entry and that should he fail to do so the land was to be sold to Mr.John Furman. We understand that entry was not made and that the Commissioner has lately written to you on the subject. Mr.John Furman now wishes to purchase through us and obtain additional time in which to pay for the land. We should be glad to have it ~~re~~deeded to us and to sell it to Mr.Furman at $2.50 per acre but before making application to you for it, desire to draw your attention to the fact that it is one of the pieces of land to which we relinquished our claim at the time certain even numbered sections were scheduled to us in connection with sale to W.C.Skrine. We refer you to our letter of the 21st December'95 No.303610 file 23[illegible]47.

Kindly let us know if we can obtain the above mentioned land

Mr. C. A. MacGrath called on me this morning with regard to the desire of Furman Sr., to obtain entry as a homestead for the quarter section upon which he has been living, and to purchase or otherwise acquire the South East quarter of Section 27, on which part his improvements are. Mr. MacGrath states that he is informed by Mr. Furman that his son has quarrelled with him and left this part of the North West. I explained to Mr. MacGrath the proposal which is being made to the Calgary and Edmonton Railway Company, with regard to this land. See File No. 254347 No. 3. I said to him that if the Company did not agree to that proposal, the Department still reserves to itself the right to deal with the Furmans as it sees fit, they being alleged to be squatters before survey. My idea is that if the Company agree to waive all claim to the East half of 27, we should permit John Furman to make homestead entry at once for the quarter section on which he is in residence, and give the son until say next June to come forward and enter for the other quarter section. If he does not do so within that time, we can then sell to his father the improvements of the Furman portion if such portion

On the 11th June last the Deputy referred to the Commissioner the claims of John and Charles Furneaux, as squatters, to 27.1.26 by 4th Dn., & asked him to receive the evidence of Furneaux and Hanlon & their decision.

Furs., Hanlon & Hanlon offer, if they may be given half the section as part of their land grant (Calfay & Furneaux Bay) and the Furneaux the other half as homesteads, to sell the Furneaux the big half at the same price & on the same terms as the Furneaux could buy it from the Govt.

It is the Commissioners place to decide whether the Furneaux's are to be granted homesteads, but he does not do so, simply saying "should the Department decide."

Sir/

Re Sec. 27. Tp. 1. Rge. 26. W. 4th I.M.

Our Local Representative advises us that John Furman claims the N.E.¼ of this Section under Squatters Rights and that his son Charles E. Furman is now claiming the S.E.¼ as a homestead. We also understand that Furman & Son wish to purchase the W.½ of the Section as pre-emptions. From our information of the position of affairs we believe that John Furman no doubt is entitled to the N.E.¼ but as Charles E. Furman was considerably under age when he claims to have squatted on the S.E.¼ that he cannot have any legal claim to any portion of the Section. As a matter of fact, we do not think Charles E. Furman squatted on the land at all as we believe he merely resided with his father.

We desire to secure the whole of this Section as a portion of our Land Grant if the Furmans are not legally entitled to any of it but if your Department wishes to grant between the father and son a free ½ Section it has occurred to us that you could give them the E.½ and give us the W.½, if we agree to sell the W.½ to the Furmans and they agreeing to purchase from us at once. If you do not wish to give the Furmans a free ½ Section it would appear to us that we were entitled to the whole of the Section except perhaps the N.E.¼.

We have the honour to be,
Sir,
Your obedient servants,

Ref. 358086:

Ottawa, 16th April, 1895.

My dear Minister,

John Furman, of Boundary Creek, settled in 1889 on what turned out to be after survey in 1893 the East half of Section 27, Township 1, Range 26, West of the 4th Meridian. He now claims a homestead entry for the North East quarter of the section and the right to purchase the South East quarter, or the privilege to purchase the whole half section at a reduced rate. From the declarations underneath taken by Mr. Miles when making the survey in 1893, it would appear that John Furman then claimed the right of entry to the North East quarter of the section, and Charles Edward Furman, - a young man of 19 and presumably the former's son - preferred a similar claim as regards the South East quarter. In a letter to Mr. Davis, M.P., dated 18th February, 1895, Mr. John Furman states that he has made improvements on the North East quarter to the value of $2,000. Messrs. Conybeare & Galliher, of Lethbridge, who wrote to the Department on the 25th of May last on behalf of John Furman, were informed at the time that the land being a portion of an odd-numbered section within the tract of the Calgary and Edmonton Railway it had passed from the control of this Department, and that they would have to deal direct with the Company. I should point out, however, that it was not observed at the time this intimation was sent that the claimant had settled on the land long prior to the allotment of the Company's

With your authority, therefore, I propose to instruct the Commissioner to have a Homestead Inspector visit the land, and if the facts connected with the case turn out to be as represented, to permit the Messrs. Furman to enter for their respective quarter-sections. The Railway Company have already been advised that the land is not at their disposal.

Memorandum:-

Mr. Burgess,

John Furman, of Boundary Creek, settled in 1889 on what turned out to be after survey in 1893 the East half of Section 27, Township 1, Range 26, West of the 4th Meridian. He now claims a homestead entry for the North East quarter of the section and the right to purchase the South East quarter, or the privilege to purchase the whole half section at a reduced rate. From the declarations underneath taken by Mr. Miles when he made the survey in 1893 it would appear that John Furman claims right of entry to the North East quarter and Charles Edward Furman, - aged 19 and presumably the former's son - claims the same right to the South East quarter. In a letter to Mr. Davis, M.P., dated 18th February, 1895, Mr. John Furman states that he has made improvements on the North East quarter of the section to the value of $2,000. Messrs. Conybeare & Galliher, of Lethbridge, presented the claim of Mr. Furman to the Department on the 25th of May last, and in reply we informed them on the 16th June following that the land being a portion of an odd-numbered section within the tract of the Calgary and Edmonton Railway it would be necessary for Mr. Furman to deal with that Company, and that if he was a <u>bona-fide</u> settler he would be protected to the extent that the Company could not charge him more than

A.M. Burgess, Esq.,

Deputy Minister of the Interior,

Ottawa.

$2.50

D.M.2:

$2.50 per acre for the land. The matter remained in this position until last month when Mr. Davis wrote to the Minister on the subject. Mr. Daly promised that the case would be carefully looked into. On the 22nd ultimo, the agents of the Calgary and Edmonton Railway enquired as to the position of the North East quarter of the section in question and on the 1st instant a letter, of which I have hereunder attached a copy for your perusal, was sent to these gentlemen, informing them that the land was not at the disposal of the Company, but would go to the squatters who occupied it before survey.

This is therefore a case of granting a homestead entry for a portion of an odd-numbered section squatted prior to survey, but within the tract of a land grant to a Railway Company. Of course, the rule of the Department in the past has been to restrict homestead entry to even-numbered sections, but in the case of lands settled on before survey this, I think has not been the invariable rule.

Shall we refer the matter to the Commissioner and obtain a report from the Homestead Inspector?

Respectfully submitted,

Department of the Interior,

Ottawa. 31st January, 1896.

Sir, 35116

Referring again to your letter of the 7th November last I am directed to say that the Calgary and Edmonton Railway Company have filed a Quit claim deed in favour of the Crown of the East half of Section 27, in Tp. 1, Rge. 26, West of the 4th Meridian. In order to make a settlement of the claims of John and Chas. F. Furman the following decision has been arrived at. Mr. John Furman has been informed that he can make homestead entry for the West East quarter of the section. Mr. Chas. Furman is allowed to enter for the south east quarter, and as he is not at the present time residing upon it, he is given to the 1st of June next to register his entry. Should he fail to enter before that date the South East quarter is to be sold to Mr. John Furman and they have both been notified of this decision. Please instruct the Agent accordingly. The west half of this section 27, has been passed to the Railway Company and the Vessrs. Furman can now deal with them in accordance with the terms of your letter of 20th July last.

I have the honour to be,

Sir,

Your obedient servant,

The Commissioner

Gentlemen,

[illegible] to the matter of the East half of Section 27, Township 1, Range 25, W. 4th M., I beg to inform you that a rice has been received from the Land Office of this Department of the following decision in regard to the claim of Messrs. John and Thos. [illegible]:-

That [illegible] as we find that no one has [illegible] for the North East Quarter of the section; the [illegible] is allowed to enter for the said East quarter, and as he is not at the present time entitled to be given the 1st [illegible] next to purchase his entry, should he fail to enter before that date the South East quarter is to [illegible] to Mr. John Thomas, and they have both been notified of this decision.

The West half of Section 27 has been patented to the Railway Company, with whom Messrs Thomas can now deal in accordance with the understanding arrived at, namely that they can acquire the land upon the same terms as if they purchased from the Government, that is, at $2.50 per acre, one fourth cash, and the balance in three equal, successive annual instalments bearing interest at 6%.

Dear Sir,

In July 1889 one John Furman located on unsurveyd lands which now turn out to be Section 27, Township1, Range 26, West of the fourth meridan. He has ever since continued to reside on the said lands and has made valuable improvements thereon to the amount of some fifteen hundred or two thousand dollars. Mr. Furman wishes to know if he can have the N.E. quarter of said section allowed him as a homestead and upon what terms he can purchase the S.E. quarter. Failing this Mr. Furman wishes to know if the Government would sell him the half section at say, one half the usual price of Government lands. Mr. Furman has never homesteaded in this country and as he is a good settler and has made valuable improvements on the lands and if they are the property of the Government he desired very much(if the Government sees fit) to carry out the first mentioned proposition.

Yours truly.

Sir

I hold a power of attorney from Mr E. W. Hutchinson in whose favour a recommendation for the issue of a Patent for the South East Quarter of Section 14 Township 51 Range 23 West of 4th M. has just been issued (No 48745).

Mr Hutchinson has left the country but before doing so entered into an agreement with a neighbour to sell his home stead & one of the clauses of the agreement was to the effect that the Patent should be made out in the name of the purchaser (to avoid expense) & as soon as this is done the said purchaser would obtain possession of the Patent before making any payment & has thereby endeavoured to circumvent & act as "Crookedly as he can" in the matter. I should be glad if you would inform me, if you would have the Patent sent to Edmonton to be delivered to the one but myself, as I wish to hold it as security for the balance to be due.

Kind. I request me at your earliest when this can be done & I shall be glad of further information and oblige

RECEIVED

Dear sir, re W.1/2 N.W.1/4, sec. 4, T. 9, R. 24. W.4th M.

The railroad is taking 2.53/100 acres of this parcel, being a strip two hundred feet wide, for right of way. The corner portion which may be colored on the plan filed containing 3.83/100 acres is not being purchased.

Will you kindly advise me what amount the Company will have to pay to settle the balance of purchase money owing by Mrs E. E.J. Davis. Mr Grier her attorney produced two receipts which he said covered half the price. One is dated Sept. 1896 and the other Sept.1897.

I enclose a power of attorney from Mrs Davis to Mr Grier who proposes to execute the Quit Claim, Mrs Davis being at Dawson City, Yukon. The power is a general one and is needed here by the attorney in the transaction of the general business of the estate and for that reason objects to have it filed at Ottawa where he would not have access to it. Will you please advise me also if your department will be satisfied with the production of the same or a certified copy, otherwise several months would be lost in communicating with the owner. Please return the power.

Yours truly

DOMINION LANDS OFFICE,

Lethbridge 25th March 98 189

Sir,

In reply to your letter of the 18th inst. Ref. 388,47[illegible] enclosing copy of a letter from Mr. John Wardman, I may say that shortly after my arrival in Lethbridge Mr Wardman called at the Office and stated that the Agent who granted him entry, (the late Mr. George Young) had promised him 160 acres of land, and he wished me to change his Interim Forestead entry herewith in accordance therewith. He intimated that he wished to acquire that portion of the North West quarter of Section 20.- 8.- 22, W.4th, N. lying, East of Belly River. Mr Wardman called several times in reference to the matter, and I finally told him that, unless he wished to change his location, his Interim Forestead Entry covered all the land that could be granted him. I cannot see that Mr, Wardman has any cause for complaint, his Forestead [illegible], all bottom lands, the 165 acres granted him is much more valuable than the average 160 acres of land in this District.

I, John Grassmick, of the Township of Minnedosa in the Province of Manitoba, do solemnly declare that the answers to the foregoing questions are true and correct in every particular. And I make this solemn declaration conscientiously believing the provisions of an Act passed in the thirty-seventh year of the reign of Her Majesty Queen Victoria, intituled "An Act for the more effectual suppression of voluntary and extra judicial oaths."

That I am not directly or indirectly, nor does any person or persons in trust for me, hold any land, timber or mineral claim, or other public property in Manitoba or the North-West Territories, nor have I sold, bartered, exchanged or leased my interest or any part thereof, nor have I entered into any agreement, written or verbal, express or implied, with any person or persons whomsoever, by which the title which I may acquire from the Crown to my homestead might be enjoyed in whole or in part by any person or persons other than myself, nor have I entered into any agreement or understanding, written or verbal, express or implied, with any person or persons whomsoever, by which the land which I have entered for might become the property of any person or persons other than myself, nor have I any interest, present or contingent, in the land which I have entered for, or any part thereof, by way of mortgage or otherwise, save and except as mentioned in the statement hereto annexed.

Sworn before me at Minnedosa in the Province of Manitoba, this 19th day of January, A.D. 1883, before me, having first been read over and explained to me by the Interpreter, the contents of the foregoing statement, which I fully understood before making my said affirmation.

John Grassmick

I recommend that a Patent issue for the land described in the above statement, it being shown that I reside upon and cultivate the land in question, and that I am otherwise entitled to the same under the "Dominion Lands Act" and amendments thereto.

Memorandum.

A short time ago the Local Agent at Calgary referred here an application by C. Buckmaster, of Olds, to purchase at $1.50 per acre the N. E. ¼ of 32, 32, 2, West 5th. The Homestead Inspector reports the quarter section to be composed of light soil with considerable stones and he does not consider the land to be worth more than $2 per acre. Please advise me whether the sale may be authorized at the Inspector 's valuation.

Respectfully submitted,

Dear Sir:-

---------- FILE NO. 18642. ----------

In March 1896 our client Mr. T. P. McHugh, who is a large rancher in this district, made application to your Department for the purchase of the South West Quarter of Sec. 32, Township 19, Range 22, West of the 4th. Meridian , but was afterwards informed through your Department that on account of its having been reserved for stock watering purposes it could not be sold. He now learns that this property has been sold by the Government to the Conrad Brothers. As this property has been absolutely necessary to the Range in which it lies for the watering of stock, and of which Mr. McHugh has about 1400 head, it is a matter of serious consequence to him if this reserve has been cancelled and the property sold. This, we might point out, is the only stock watering place within the distance of 8 miles; might we therefore ask you to be good enough to afford us information as

Memorandum.

In accordance with the instructions endorsed by you oh Mr. W. G. Conrad's letter of the 27th May last, the S. W. ¼ of 32--19--22, W. 4th, was sold to him at $5 per acre, and the whole of the purchase money was paid in scrip on the 10th June last; but, as this land is held under reservation for stock watering purposes by Order-in-Council of the 21st September, 1897, no steps for the preparation of the patent therefor in Mr. Conrad's favour have yet been taken; and, from a report received here from the Timber & Mines Branch it is learned that it is proposed to retain the quarter-section in question for stock watering purposes.

It is observed that in your instructions authorizing the sale to Mr. Conrad you directed that, if necessary, an Order-in-Council should be obtained withdrawing the land from reservation for stock watering purposes; but, before this action is taken, I beg to submit Messrs. Lougheed & Bennett's letter of the 5th instant, protesting on behalf of their client, Mr. T. P. McHugh, who had made application for the land in question, against the cancellation of the stock watering reservation and against the land being disposed of by sale.

MEMORANDUM:-

An application has been made by W. E. B. Macaulay, who has homesteaded that portion of the North East 1/4 of Sec. 36-46-22 West 4th which forms an island, also a small portion which forms an angle on the S. E. 1/4 corner of the mainland. He states that the two portions are 13 acres on the island and 4 acres on the main-land, but from the plan approved by you on the 29th July, 1885 of this township there is no area given for either portion.

Can you let me know what the area is, and if the island has been surveyed. I observe on the S. E. 1/4 there is evidently a clerical error in the area which is said to be 1138 acres. This is presumably a mistake and should be corrected on all the printed maps.

To Surveyor General

The island mentioned not being surveyed the area of the portion in Sec 36 Tp 46 R 22 W. 4th cannot be given.

A Mr Willison (See file 355360) applied to purchase the whole island, and was informed under date 14th May 1894 that if desirous of acquiring it he should have a survey made.

The area on the main land in the N.E. 1/4 Sec. 36 is not more than half an acre according to the plot of traverse made in 1883 and no area was placed on it on the plan.

The area on plan in the S.E. 1/4 Sec. 36 (1138 ac.) is a clerical error for 138 ac. and I will have this corrected on the copies on hand.

You ask an estimate of the cost of surveying the island in Bittern Lake at the north east corner of Township 46, Range 22, West of 4th Meridian.

By employing an Edmonton Surveyor, I believe that the survey could be made for forty dollars or thereabouts. The best way to ascertain the cost would be to communicate with the surveyors themselves and find out what they ask.

T.W. Chalmers of Edmonton and R.J. Jephson, of Calgary might be consulted.

Sir,

I am directed to acknowledge your letter of the 9th instant, enclosing an estimate of the cost of survey of land situated in Section 36, Township 46, Range 22 West of the 4th Meridian, and to thank you for the same. A copy of this estimate has been forwarded to Mrs. Macaulay, at London, England. It is observed that in the departmental letter of the 21st ultimo, the land to be surveyed is referred to as being the fractional north east quarter of section 36, whereas it would appear from Mr. Macaulay's letter that he desires to have the whole island surveyed. As a copy of Mr. Macaulay's letter was enclosed to you it is presumed that your estimate is for the survey of the whole island, especially as your memorandum is headed, "Among the cost of the survey of an island in Sittern Lake & the N.E.¼ of Sec.36-46-22 West 4th."

With reference to the letter from your son, Mr. W.B.M.Macaulay, dated the 28th of September last, making certain enquiries relative to his coal claim situated on a portion of the North East quarter of Section 36, Township 47, Range 27 West of the 4th Meridian, and desiring to know what the cost of survey of this land and the balance of the island on which it is situated would be, I have now to inform you that a communication was addressed to a Dominion Land Surveyor in that district who has replied and at the same time has forwarded an estimate of the cost of doing this survey. I beg to enclose you herewith a copy of Mr. Johnson's letter and also one of the estimate furnished by him. You will observe that he bases his figures upon the supposition that the survey would be done during winter, but should it be done in the summer, a day's expenses would have to be added. If your son is desirous of having this survey made during the winter, I would ask you to at once forward the account of the estimate here at once so that Mr. Johnson

Sir,

I beg to say in reply to your letter of the 30th ult., 30135, that the Island in Wilson Lake, to which you allude, is shown on my township register - so far as Mr McNeely's entry is concerned, as comprised in Pr. N E 1/4 30 46 22 W 4 M, having an area of 13 acres. It is situated some distance to the S E of Mr Haselwood's homestead.

It is a suitable property to reserve for the public use and enjoyment; and looking to the future of this country, I would respectfully suggest that such island might wisely be held under perpetual reservation. This suggestion would apply to all islands in the fractional lakes of Pr. of Man. River, say, over 100 acres.

Department of the Interior,

Ref. 360185. Ottawa, 26th November, 1897.

Memorandum.

I beg to submit, for your perusal, Mr. Ruttan's letter of the 8th instant, hereunder, recommending that the island in Bittern Lake which comprises a portion of the N.E.¼ of Section 36, Township 46, Range 22, West of the 4th Meridian, the latter being the only portion of the island which has been surveyed be reserved for public use and amusement.

Mr. Ruttan's suggestion that such islands might wisely be held under perpetual reservation is, in my opinion, timely and deserving of the best consideration.

So far as the island in Bittern Lake is concerned, that portion thereof which has been surveyed, containing 13 acres, was, at one time, entered as a homestead by Mr. W. E. B. Macaulay, who has removed to London, England, and whose entry has been cancelled. Subsequently, Mr. Macaulay expressed a desire to purchase the land, and, at his request, was furnished with an estimate of the cost of surveying such island, and, in January last, was asked to advise the Department whether he proposed to accept the estimate of survey and have the work carried out, but no reply has been received from him.

Mr. A. W. Haselwood, who holds a homestead entry for a quarter-section situated some distance from this island, asked if the latter might be added to his homestead, in order to bring it to the full area of 160 acres. His request was refused, but he was told that he would be permitted to purchase the island at $3 per acre, provided he had it surveyed at his own expense. He was given thirty days from the 10th September

Jas. A. Smart, Esq.,
Deputy Minister of the Interior.

September last to accept this offer, and, as no word has been received from him, his application need not be further considered.

A plan of Township 46, Range 22, West of the 4th Meridian, showing the portion of Bittern Lake containing the island in question, is annexed hereto.

Sir, I trust you will not deem me too persistent in again referring to Mr. H. Bernard's application for the frac N.E 1/4 36-46-22 W 4th Meridian — which I fear it is not possible for an exception from the General rule to be made in this case, considering the situation of the practice in regard to my clients homestead, further considering the fine house & substantial improvements he has made on the latter & that to me it is public purposes or to let another have it would be a senseless matter. I may say, Retrocession to my client's property.

Would your department lease it to my client for 5 or 10 years in which time

it would in all probability cease to be an Island & by which time one of his sons would be in a position to homestead it, if necessary—

Sir,

Replying to your letter of the 19th ultimo, making application to purchase or lease certain land lying partly in townships 46 and 47, ranges 21 and 22, West of the 4th meridian, I am directed to advise you that this land has been reserved for Public purposes, and is, therefore, not available for lease or purchase.

Your obedient servant,

Assistant Secretary.

W. J. McNamara, Esq.,

contains, according to Mr. McNamara, about 80 acres.

The island is not railway land and has not been disposed of, according to the records of the Patents Branch and those of the Timber, Grazing and Irrigation Branch, as it was reserved for public purposes in December, 1897, by the then Deputy Minister, Mr. Smart, and such reservation still stands.

This reserve was at the instance of Mr. R.A. Buttan, Agent of Dominion Lands, at Edmonton, who suggested that such islands, and also the island in the Saskatchewan River, of a less area than 100 acres, should be held under perpetual reservation.

In reply to his letter of the 19th ultimo, Mr. McNamara was advised, under date the 9th instant, that the land applied for was reserved for public purposes, and therefore not available for lease or purchase, but in view of his letter to the Minister, the whole matter is submitted for consideration.

Applications for this island were received in 1897, and none since, except that of Mr. Edward H. O'Brien, of Wetaskiwin, who in August, 1904, applied to file on it or apply scrip. Mr. O'Brien was advised that the land was reserved for public purposes.

As you are aware, it is contrary to the practice of the Department to dispose of islands in rivers or lakes, although in a few instances small islands have been leased. It is necessary, however, to obtain the authority of Council to deal with them in this way.

I beg to return letter of the 19th ultimo, from Mr. W. J. Mr. McNamara desires the island to build a cottage there this summer and place a motor boat on the Lake for pleasure purposes, and states that there are a few other people in Wataskiwin and Camrose who wish to place boats on the lake, and he does not think the farmers of the neighborhood would object to his purchasing the island, as it is unfit for cultivation, and that if the Government was opposed to selling, he and his associates would be content with a lease, giving them the island or a portion of it for a number of years, so that it would be worth while to build a cottage.

The island applied for, lying in Bitharn Lake, forms part of Sections 5 & 6 in Township 47, Range 21, part of the N.W.¼ of Section 31 in Township 46, Range 21, and part of the N.E.¼ of Section 36, Township 46, Range 22, all West of the 4th Meridian; it has been surveyed but contains

Dear Mr. Oliver,-

Interior, FEB 28 1908

I enclose you a copy of a letter I am writing to your department. I am very anxious to secure the island in question as a summer resort. I do not think that any farmers in the neighborhood would object to my purchasing the island. I could not make any farm use of it nor could anyone else. It is not fit for cultivation, and besides it lies form fifty to one hundred yards from the mainland with thirty or forty feet of water in places between them, so that it would be impracticable to construct a bridge [illegible]. I wish to build a cottage there this summer, [illegible]. There are also a few other people here and in Camrose who wish to put boats on the lake. If the government is opposed to selling, we would be content with a lease giving us the island, or a portion of it for a number of years, so that it would be worth our while to build a cottage.

Dear Sir:-

In writing you I am expressing the wishes of the people residing in the Villiage of Bitten Lake, (formerly Roadnroll) Alberta. There is a small Island in Bitten Lake, only a hundred rods from the station & a very beautiful spot for, camping boating and etc, in the summer, & certain individuals are sending in to your department for a permit to cut hay & etc.

Now we protest against the granting of said permit for the reasons stated above & that the party is a Person who deals largely in cattle, & would have same fenced in on said Island and spoil same for public use. Now please advise us what steps to take to prevent Individual control of said Island Four townships corner on it Viz. 46 + 47 R 21 W 4th + 46+47 - R 22 W 4th m. I wish to know if I can lease from you a certain small Island in Billers Lake directly across from the C. P. R. station comprising about 50 acres more or less. I want to seed this land to crop with Potatoes. Whether as this is so near to the station to look Potatoes at the ground is adapted to the growing of wheat or potatoes. I am writing Land upon the shores of the Lake for farming purposes. I want to seek this Island on account of it as I understand the C. P. R. owns a small portion of it. I am writing them about their price they would like to sell it all together.

4th Meridian.

Mr. G. S. Lawton is applying to purchase the island above referred to, shown within the BLUE circle on the attached map, for the use of cattle raising.

The island is situate about one mile North of the Station of Bittern Lake on the Canadian Pacific Railway, and in 1897 under the decision of the then Deputy Minister, is reserved for public use and amusement.

The island has not been completely surveyed, and as you are aware, all islands in the Prairie Provinces are reserved from sale, settlement or disposition.

If it is desired to further consider this application a survey will be required to determine the area.

The suggestion for the reservation was made by the Agent of Dominion Lands at that time and he was informed that his suggestion had been approved.

MEMORANDUM:

Sketch
5 files.

Referring to your memorandum dated 9th December on file 360185 herewith, the land in Bittern lake at the northeast corner of township 46-22-4 was surveyed by H.M.R. Soars, D.L.S., in 1917 and is shown on the plans of townships 46, ranges 21 and 22, dated 7th May, 1917, and 27th June, 1918, respectively. It comprises an area of fifty acres and one tenth of an acre as shown on the sketch herewith. This land does not extend into township 47-21-4 nor on account of the jog at the correction line is it adjacent to township 47-22-4. This parcel of land is already nearly joined to the mainland in section 31-47-21-4 and as the bank of Bittern lake is receding in this section it is expected that it will eventually form part of the mainland. Files 2637571, 2635950, 2635241, and 1632506 are also herewith.

Mr. T.O. Lester replied to the Minister for information to enable the land agent recently [illegible] to [illegible], in the course of settlement duties, but [illegible] reserved for cattle pas[illegible].

[illegible] Inspector's report was asked for.

[illegible] Mr. Chesterfield Inspector Wyand reports as follows:

"This land is high and dry and suitable for either grazing or agriculture. There is a channel of about [illegible] yds. in width and about two feet deep which separates it from the main land. This has a sandy bottom which has apparently been waded [illegible]. There being a long point of sand running out from the island which has been rolled up. This point is above the high water level. This sand would be a source of revenue as it is in great demand for building purposes. I notice that some of it has been hauled away this winter. The island has never been made use of as a resort as the lake is shallow. There is a party wintering stock on it now, having built a corrall and hauls the feed from the main land. Raw land near this vicinity is selling at from $15.00 to $20.00 per acre, but as this is an island and difficult to reach by team in the summer it is not worth so much. The soil is a deep black loam and is fairly clear of brush. A fair value would be $15.00 per acre."

In view of the Inspector's report in this case, I do not think that we would be justified in disposing of the island outright. Perhaps a lease would be sufficient for Mr. G. S. Lawton's purposes, as he would appear to only require the land for cattle-raising.

Sir,

With reference to your application to be permitted to purchase the island in Otter Lake at the corner of Township 44, Range 21, West of the 4th Meridian, I beg to advise you that after the most careful consideration it has been decided that the Department cannot be justified in disposing of the island mentioned. I would ask you, therefore, to advise us as to whether or not you desire to be considered as a prospective lessee of the island under the existing Regulations, with the exception that the term, if granted, would consist of five (5) consecutive years instead of twenty-one (21) as at present. Any light we can throw on the matter will be appreciated.

RECLAMATION SERVICE.

Ottawa, May 23rd, 1919.

Sir:-

With reference to the proposed drainage of Bittern Lake, I shall be glad if you will reserve in your records the land included on the schedule attached.

The areas to be reserved are given in each case and these cover the unpatented, still vested in the Crown, of quarter sections for which patents have issued for the remaining portions, as well as vacant quarter sections. Homesteaded land and land reserved for soldier settlement is also included in this list, so that in the event of any abandonments or cancellations, it may be reserved from sale or entry.

Please notify me upon making these reservations.

Your obedient servant,

RECLAMATION SERVICE.

Sir:-

I beg to refer you to my letter dated May 23rd, 1919, file 3460 R.S., in connection with the reservation of lands in the Lesser Lake district, and to advise you that reservations placed against homesteaded lands will not affect any rights which the entrant was entitled to at the time of entry, but in case of cancellation or abandonment, that said lands will revert to the Reclamation Service. For this reason, you are hereby requested not to accept an application for such lands after the receipt of our letter of reservation, Any application for cancellation proceedings received previous to the date of our reservation, may be dealt with in the regular way.

In the event of applications for cancellation proceedings being made after the receipt of our letter of reservation, you should at once notify the Dominion Lands Branch, so that steps may be taken for an inspection, if necessary.

Your obedient servant,

Area--50.10 acres.
Application to lease
C.T.C.Roper of Bittern
Lake, Alberta.
PIMK on sketch
Not disposed.

I beg to return your memorandum of the 4th instant respecting Mr. C.T.C.Roper's application to lease the above mentioned island and to report that this island has been reserved for public use since 1897.

In consequence of an application to purchase the island, made by Mr. G. S. Lawton of Montreal, and in accordance with your instructions a Homestead Inspector's report was called for and under date of the 25th March, 1919, Homestead Inspector A.E.Wynne reported as follows:-

"This land is high and dry and suitable for either grazing or agriculture. There is a channel of about 100 yds. in width and about two feet deep which separates it from the main land. This has a sandy bottom which has apparently been washed up, there being a long point of sand running out from the island which has been washed up. This point is above the high water level. This sand would be a source of revenue as it is in great demand for building purposes. I notice that some of it has been hauled away this winter. The island has never been made use of as a resort as the lake is unsanitary. There is a party wintering stock on it now, having built a corral and hauls the feed from the main land. Raw land near this vicinity is selling at from $10.00 to $20.00 per acre, but as this is an island and difficult to reach by team in the summer it is not worth so much. The soil is a deep black loam and is fairly clear of brush. A fair value would be $15.00 per acre."

In view.....

W.W.Cory, Esq., C.M.G.,
Deputy Minister of the Interior.

In view of this report is was decided not to dispose of the island outright but to deal with it under the ruling of the Minister as to leasing islands and in May 1919, Mr. Lawton was notified and asked to advise the Department if he desired to be considered for a grazing lease under the existing grazing regulations. Mr. Lawton did not reply.

The island is within the area reserved in connection with the Bittern Lake drainage project but the Reclamation Service report that there would be no objection to the issue of a lease to Mr. Lawton, Mr. Roper or other applicant subject to cancellation at three years' notice.

This island might, I think, in accordance with the practice, be leased, by tender, after inspection for the purpose for which it is best adapted after taking into consideration the interests of any person who may be located thereon.

Although an inspection was made, as stated, in 1919, I am of the opinion that a fresh report should be obtained. A lease fee of $10.00 will also be charged in addition to the tender.

Respectfully submitted,

Acting Controller.

Re application of C.T.C.Roper to lease island in Bittern lake

From the viewpoint of drainage, no objection need be raised to this application. It is true we have not received a definite reply from the province regarding the projected drainage of Big Hay lake which is situated slightly to the north of Bittern lake but its drainage will not affect the question at issue. If Big Hay lake is drained, the level of Bittern lake will have to be maintained at its normal elevation, otherwise the department would not grant the necessary permission. Any rise of the water level above this elevation would seriously affect riparian rights.

Dear Sir,

I have before me your letter of July 25th 1922 regarding leasing island in Bittern Lake in which you state that this island is to be inspected.

I understand that this inspection took place last August by an official of the Parks Dept.who advised me at the time that he was going to recommend that the island be reserved for a public shooting preserve but that doing so would not interfere with any leasing for pasturage.

I might ~~xxxxx~~state that I wish to obtain this lease for the sole purpose of pasturing not over ten head of pure bred cattle and I trust that you will give this matter your consideration at the earliest poss moment as if possible I would like to make use of the island in questo next season.

Yours truly,

I have your letter of the 8th inst. re this lease and note your remarks regarding this island being reserved for a public shooting ground.

As I stated in my letter of Dec. 26th 1922 when the Parks official inspected this island last year he advised me that he did not see that reserving it for a shooting ground would make any difference to a grazing lease and in connection with this I would say that I would accept all responsibility to any loss or damage to stock caused by anyone being on the island for shooting purposes and such being the case I trust you will see your way clear to granting the lease for which I have applied.

Sir:

Replying to your letter of the 4th instant, relative to your application to acquire an island in Bittern Lake, Township 46, Ranges 21 and 22, West of the 4th meridian, either by lease or purchase, I beg to inform you that the Department is not in a position to consider your application to purchase the island in question as under the present practice of the Department islands may not be disposed of by sale.

I may add that the Chief Federal Migratory Bird Officer for the Western Provinces has recommended that this island be reserved for public shooting ground purposes and that pending a decision being reached in this connection no definite information can be furnished you as it is considered that a lease would interfere with the rights of sportsmen if it were decided to reserve the island for the said purposes.

It is regretted, therefore, that your application cannot be considered at present.

Your obedient servant,

James H. Heighington, Esq.,

MEMORANDUM

Mr. N.O. Coté,-

With reference to your memorandum hereunder regarding an application for a grazing lease on an island in Bittern Lake which the Chief Federal Migratory Bird Officer for the Western Provinces recommended should be reserved for Public Shooting Ground purposes, I beg to inform you that while no decision has been reached as to the reservation of this area there would seem to be no reason why this application should not be granted by the issuing of a yearly lease.

In the event of its being decided to reserve this area sometime in the future such a lease could be cancelled upon expiry.

cattle, which he desires to keep separate from his other stock, I think his application should be considered as for a grazing lease and be dealt with by the Timber and Grazing Branch and beg to recommend that it be transferred to that Branch for action.

Since Mr. Roper first applied an application has been received from Mr. James W.Heighington who desires to purchase or lease this island for hay.

Respectfully submitted,

Memorandum:-

Island in Bittern Lake.
Corner Tps. 46 & 47, Rgs. 21 & 22,
W.4.M.-50.10 acres.
Application to lease.
C. T. Roper of Bittern Lake, Alta.

In connection with Mr. Roper's application to lease this island the Acting Deputy Minister gave instructions for the usual investigation to ascertain the purpose for which the island is best adapted and that the report when received should be referred to your office.

Homestead Inspector T. J. Cunningham reports that there is no person in residence and no improvements, that the waters of Bittern Lake have fallen so that this island is connected to the mainland by a sand bar of about 12 acres in extent, one to four feet above present water level, that the land is either suitable for grazing or agriculture and in his opinion is worth at present twenty-five dollars per acre, and that the applicant has a large farm within one half mile of the island and wished to lease same to put thereon some 12 or 15 head of pure bred stock for grazing and to keep them separate from other stock, and he recommends the leasing of the island.

The Chief Federal Migratory Bird Officer for the Western Provinces recommended that this island should be reserved for Public Shooting Ground purposes, but under date of the 14th instant Mr. Hoyes Lloyd, of the Parks Branch, states that while no decision has been reached as to the reservation of this area there would seem to be no reason why this application should not be granted by the issuing of a yearly lease and that in the event of its being decided to reserve this area sometime in the future such a lease could be cancelled upon expiry.

As the Homestead Inspector states that the island is suitable either for grazing or for agriculture and as Mr. Roper desires to lease it for the sole purpose of pasturing not over ten head of pure bred cattle.....

Deputy Minister of the Interior.

Memorandum: Mr. Gravel.

Please be good enough to see Mr. M.'s memorandum of the 22nd June last on this file hereunder, memo., dealing fully with the availability of an island in Bittern Lake, situated in the North West quarter of section 31, Township 46, Range 21, and the North East quarter of section 36, Township 47, Range 22, West of the 4th Meridian, containing an area of 87.1 acres.

As the Dominion Parks Branch are not aware of any reason to the contrary, I think that the privilege of securing a grazing lease on this Island should be disposed of at tender, the lease when issued to contain a clause providing for cancellation on one year's notice; notices of the advertisement calling for tenders to be forwarded the applicants, and copies of the advertisement to be posted in the post offices in the vicinity of the land, and also in the office of the Agent of Dominion Lands at Edmonton. There is no necessity for inserting advertisements in any newspaper as interest in the matter of securing a lease on the Island in question is only local. Tenders in this connection might be received up to Thursday noon the 13th of October next.

Sir,-

I beg to inform you that in view of the abandonment of the proposed drainage of Big Hay Lake, the lands underlying and adjoining Bittern Lake that were formerly reserved for this scheme, a list of which is being forwarded herewith, are not now reserved for this purpose.

According to the records here all the lands mentioned on this list are either patented or situated in the Lake. It would, therefore, appear that no further action is required in connection with same.

I am to request, however, that you check your records carefully and advise as to whether the standings of these lands are in accordance with the foregoing. When writing the Department quote file No.435732.

Sir,-

I beg to send you herewith a schedule of lands in your district which it is desired to set apart for public shooting purposes. Please make a careful note of this matter in all your records relating to these lands.

The Head Office files relating to the lands are being called for, and you will be further advised in the case of individual parcels if the file shows any other disposition of the land.

If, in any case, you know of any reason why the land should not be reserved for public shooting purposes you should report fully to the Department.

Please report promptly to the Department when you have noted the reservation and checked up the attached list with your records. You should at the same time inform the Department whether there are any lands in your district other than those mentioned in the enclosed schedule which according to your records are being reserved for public shooting purposes.

In reference to the lands in the schedule which are held under entry please note that no further applications are to be received from any person to cancel existing entries. Where notice has already been issued to any registered applicant for cancellation calling upon him to come forward and make entry the right so conferred is not withdrawn, provided it is exercised within the time specified in the notice. Generally speaking this reservation will not be held to take away or impair existing rights on the part of any person by virtue of an application actually made by him or of a notice actually issued to him by the Department prior to the date upon which this reservation becomes effective.

Should any of the land now under other disposition become available by reason of the cancellation of the existing entry, etc., there being no applicant, you should refer here before disposing of the land, mentioning this letter.

I have purchased the National N.E. 36-4-22-W.4th, from the Hon. Robert Rogers and would like to have the patent for the land in this name. The deed is dated the 1st day of June 1925.

The land is surrounded by water and is an island but it is dry now and has been connected with the main land for the past five years.

Kindly let me know the amount of acres if it has been surveyed and the price per acre - at your earliest convenience.

Dear Sirs,

With reference to your representations on behalf of the Executrix of the Estate of Ole H. Toreson, for permission to purchase the fractional North East quarter of Section 36, Township 46, Range 22, West of the 4th Meridian, I beg to say that the island consisting of the North half of Legal Subdivision 13, the South West quarter of Legal Subdivision 14 of Section 31, Township 46, Range 21, West of the 4th Meridian, and the East half of Legal Subdivision 16 of Section 36, Township 46, Range 22, West of the 4th Meridian, is held under lease for grazing purposes.

Furthermore, this area is subject to reservation for public shooting grounds, established by Order in Council, the 9th March, 1925, P.C. 356.

Your letter, I may add, is the first intimation the Department has received that the waters of Bittern Lake have receded, and these representations will be investigated when we have a surveyor again in the vicinity. Should it be decided by the Department to cancel the reservation for public shooting grounds, the desire of the Estate of the late Ole H. Toreson for this area will be given consideration.

Sir,

Re frac. N.E.¼ 36-46-22-W.4th M.
frac. S.W.¼ 31-46-21-W.4th M.

I have your letter of the 1st instant, in the matter of your desire to acquire the fractions above mentioned as a soldier grant, and in reply to say the lands of record, according to the latest plan of survey, are now under reservation for public shooting grounds, subject, in the case of the fractional North East quarter of Section 36, Township 46, Range 22, west of the 4th Meridian, to Ranch No. 12068.

With reference to your statement that the lands in question, which consist of an island, according to the plan of 1917, are now connected with the mainland owing to the recession of the waters of Bittern Lake, I may say that before any of the accrued lands can be made available it will be necessary to have a new survey, which matter will be attended to as soon as possible.

However, inasmuch as the bed of Bittern Lake is also reserved for public shooting grounds, it will not be possible to make any disposition of the accrued lands, if any, without first considering the advisability of withdrawing the reservation for public shooting grounds, which is a matter requiring ratification by the Governor-in-Council.

In the meantime, the Department will be unable to consider your application for entry.

Leech for Wm Parlby and as he has large buildings on Section 15-40.28 W4, it would be a great inconvenience to him to have to reside on Sec 10. By reference to a Township diagram you will observe that there is a Small Lake on Sec 15 from which Wm Parlby does not wish to remove - at present Wm Parlby has also built his residence on Sec 15 on the opposite Side of the 1/4 Sec regarding whom we are also writing Kindly give this matter your best Consideration as it is a Special Case which may influence the actions of these men, a little later on.

Sir,

In reply to your letter of the 2nd instant, No. 5131 on 2847 and 4615, I am directed to say that it was ruled not long ago by the Department of Justice that the application of a Military Bounty Warrant exhausted all the privileges of the warrantee under that document, and that it could not be located a second time, or exchanged for scrip. Under these circumstances it is not in the Commissioner's power to authorise you to transfer Mr. Parlby's warrant from the East half of section 10, to the West half of Section 14, in Township 40, Range 23, W.4

In June 1890 I located with my brother E. M. St. Pauly on Sect. 15. Tp. 40. R. 23. W 4. m. The survey of this portion of the country was not made until 1893. when we became aware that we were not on Government land - In order to secure our interests we were compelled to purchase the land from the C. P. R. - We entered for homesteads Sept. 15th 1894. myself the E½ S. 10. Tp 40. R. 23. and my brother the W½ of same section - We have both erected habitable houses on our respective homestead quarters and have in every other respect more than complied with the homestead requirements - We have however for convenience continued to sleep on the C. P. R. land which adjoins our homesteads - We have each 150 head of stock, and propose increasing our interest in the country -

Above the homestead therefore to request for myself and also on behalf of my brother that actual residence on our homesteads

To The Honorable
The Minister of the Interior

Ottawa.

Sir,

I beg respectfully to call your attention to the case of myself and brother, as regards our homes and the circumstances are as follows:-

In the Spring of 1890, we located in the Buffalo Lake District on what was then unsurveyed land, so that we were at that time unable to make entry- when in 1893 the land was subdivided we discovered that our buildings were upon section 15 in Tp. 40 R 23 West of 4th Meridian which was a C.P.R. section, and which in consequence was not open to entry- We therefore purchased the south ½ of Sec. 15 & have since made Homestead entry for section 17 immediately adjoining, by military bounty warrant and we have complied with the requirements of the Homestead Act in everything except residence. I beg further respectfully to submit that we could not shift our buildings, Corrals etc. from Sec. 15 to Sec. 10 without considerable expense & that the only water available for our cattle in winter is where we are at present- We live in separate houses myself being being married my brother about to be, our stock number 300 head, from which we depend mostly for a living-

In view to these circumstances I beg to ask that my brother (W.C.H.Parlby) and self be permitted to acquire patent for our homesteads without having to fulfil the residence.

I have etc.

(sgd) C.S.

Memorandum,

From the letter underneath from Mr. E. W. H. Parlby, I judge that he and his brother are settlers in good faith upon the land which they have purchased from the Railway Company, and that they are the kind of men whom the Department should assist by every means in its power; but in view of the facts as stated in his letter I do not see what can be done. Certainly Patents cannot be issued to the Messrs Parlby for their homesteads without the performance of residence, as they suggest.

There was, one time a provision in the law by which persons owning land might be entered for adjacent parcels, but that was dropped out of the act many years ago. We could sell at $1-00 per acre if you see fit to authorize that course.

Respectfully submitted

Remarks—Applicant [illegible]
Homestead [illegible]

AFFIDAVIT by an Agent in support of a Claim for Homestead Entry on behalf of a person who has *bona fide* settled and made improvements upon land in advance of survey.

I, W. H. T. Brankin do solemnly swear
that Wallis Fonteneau Park for whom I am acting herein
is over eighteen years of age; that to the best of my knowledge and belief the land in
respect of which application is made is of the class open for homestead and preemption entry;
that the said Wallis Fonteneau Park became resident upon
and began to cultivate the said land on the ——— day of June, 1892,
before the same was surveyed; that he has resided upon and cultivated the said land in conformity
with the requirements of the homestead provisions of the Dominion Lands law ever since; that there
is no other person residing on, claiming or having improvements upon it, and that this application
is made for his exclusive use and benefit, with the intention of his residing upon and cultivating
the said land, and not directly or indirectly for the use or benefit of any other person or persons
whomsoever; and that he has not heretofore obtained an entry for a homestead on Dominion Lands.

Sir

My brother Edward & Paddy and myself being similarly situated, are writing on behalf of both of us.

We wish to know if we can take for our homesteads on the system in force till January 1894 which allowed settlers to reside within 2 miles of their homesteads & live on them for three months during the first year after performing the necessary improvements.

Our case is as follows.

We came here 4 years ago last June, & have our home cattle consisting of Horses, a large range of buildings, & improvements & improvements on the S/2 of S 13 140 R 23 W of 4th

taken in the home farm bounded from the C.P.R.
by brother wishes to homestead the N.W.
fractional the SW/4 and block to homestead the
SE/4 of SX and fractional the NE/4 the former
built a house on each homestead put in crop
on each and have the whole fenced. the
have 186 head of cattle & 38 horses. the whole
the terms of settlement issued by the
Government in June last last January I
put up our buildings &c accordingly. it
would very seriously interfere with our business
should we be compelled to live away from
our buildings &c for 6 months in a year, and
the expense of rebuilding would more than
them are unfavorable.

Trusting you will consider the case and
give us a favourable reply

Memorandum.

From the letter underneath from Mr. E. M. H. Parlby, I judge that he and his brother are settlers in good faith upon the land which they have purchased from the Railway Company, and that they are the kind of men whom the Department should assist by every means in its power; but in view of the facts as stated in his letter I do not see what can be done. Certainly patents cannot be issued to the Messrs. Parlby for their homesteads without the performance of residence, as they suggest.

There was at one time a provision in the law by which persons owning land might be entered for adjacent parcels, but that was dropped out of the Act many years ago. We could sell at $1 per acre if you see fit to authorize that course.

Respectfully submitted,

D.M.I.

Sir,

I am directed to acknowledge the receipt of your letter of the 20th January last, addressed to the Minister of the Interior, and in reply to say that there is no provision in the law by which patents could be issued for homesteads without the performance of residence but that the Minister has instructed that the report of a Homestead Inspector be obtained and that if it affords sufficient grounds for such a course the homesteads of yourself and your brother will be sold to you at the rate of $1.00 per acre, which I may explain is the minimum rate at which Dominion Lands can be sold according to the law.

Sir

I have to acknowledge the
receipt of your letter of 2nd
March inst. 26028, while thanking
you for your offer that myself
brother & myself may obtain
our Homesteads at one dollar
per acre subject to Homestead
Inspection. I remain respectfully

42361

ask your further consideration
of the matter. While not
having fulfilled the letter of the
law in the matter of residence
we have more than carried
out its intention, every point.
We have lived nearly 7 years
on the adjoining section (15)
and have made all our
capital in the Ranche - to
pay one dollar per acre is
be a very severe case our
resources as our stock of
cattle for which we have to depend

423261

upon is not large enough
to pay sometimes our expenses.
In addition, there has been an
unusually hard winter & we
have consequently had considera-
able losses. In my last letter
I explained our exact circumstan-
ces as Bona fide settlers in
every sense and have made
our homes here permanently
having our Buildings on Sec 11
& there being no Timber on Sec
10 in winter makes it impossible
to reside & keep our cattle there

42361

We are the first settlers in
the district & have introduced several
others to come in since.
I must therefore, Sir, that you
will give our case your further
consideration & in view of our
having settled before Surveys
invested all our Capital & being
permanent bona fide settlers &
married men that you will
find it in your power to count
our residence for nearly 7 years
as though it had been performed
on our Homesteads.

Hon Clifford Sifton,

Sir:-

I beg to enclose a letter sent me by E.M.H. Parlby of Long Valley ranch, Lacombe, Alberta, setting forth the position in which he finds himself in regard to his land.

I do not know that I can state the case better than he states it in his letter, and respectfully, ask your attention to that statement.

Mr Parlby and his brother are ranchers of good standing who have been in the Country for a number of years. Their difficulty has arisen from their anxiety to make themselves secure by purchasing the land upon which they found themselves when survey was made. As I have no doubt the Government would have confirmed them in their rights as homesteaders although it was C. and E land.

If there is any way in which it could be arranged that Mr Parlby could get his homestead it is very desirable from a local point of view that the arrangements should be made

Mr. Goodeve,

Please look into the case of F. M. H. Parlby and I would refer you to that of R. J. Christie as possibly one that is somewhat similar. Please let me have report.

Department of the Interior,
Ottawa, 19th February, 1898.

Memorandum:-

You ask me to look into the case of E. M. H. Parlby and his brother, who some years ago claimed, under Military Bounty Warrants, the East and West halves, respectively, of Section 10, Township 40, Range 23 West of the 4th Meridian.

Mr. Oliver, M.P., in his letter to the Minister, asks that these two persons be allowed to secure patents for these lands, and mentions something of the land being within the Calgary & Edmonton Railway grant. The land which they purchased, being section 15, was in a railway grant, but section 10, being an even numbered section, was of course Dominion lands.

Messrs. Parlby purchased a portion of section 15, and erected their houses and buildings upon this half section and lived upon it. These individuals were squatters only upon section 10, never having, according to the records, made entries therefor; and although they have been given the privilege of purchasing at the rate of $1 an acre through having, it is supposed, made entry

Jas. A. Smart, Esq.,
Deputy Minister
of the Interior.

entry upon the land, they were not entitled even to this privilege until such entry had been made.

It is alleged that they placed Military Bounty Warrants on the land, but if they ever filed the warrants with the Agent, they were never reported here, and I would suggest that the Agent be asked as to this.

The cases of the Messrs. Parlby are not analogous in any way to that of R. J. Christie, as Christie was a squatter upon an odd numbered section within the land grant of the Calgary & Edmonton Railway.

Sir,

With reference to the matter of the purchase by the Messrs. Parlby of the West half of Section 10, Township 40, Range 23 West of the 4th Meridian (your ref. 2846), I beg to inform you that it is now alleged that these gentlemen placed Military Bounty Warrants upon the land in question, and I am to ask you to be good enough to have a thorough search made of your records in order to ascertain whether such warrants were ever filed in your office. These warrants cannot be traced here as having been reported to Head Office, and the Department will be obliged by your reporting fully as regards this matter and at the earliest possible date.

it is not probable that they would have been permitted to acquire the adjoining section 10 at a less rate than the current rate of $3 per acre, so that they would not appear to be in a worse position under the present arrangement than they would have been had they homesteaded the S.½ of Section 15.

February, 1897, (marked), and the former directed that the land be sold to the applicants at $1 an acre, which, he stated, was the best that could be done.

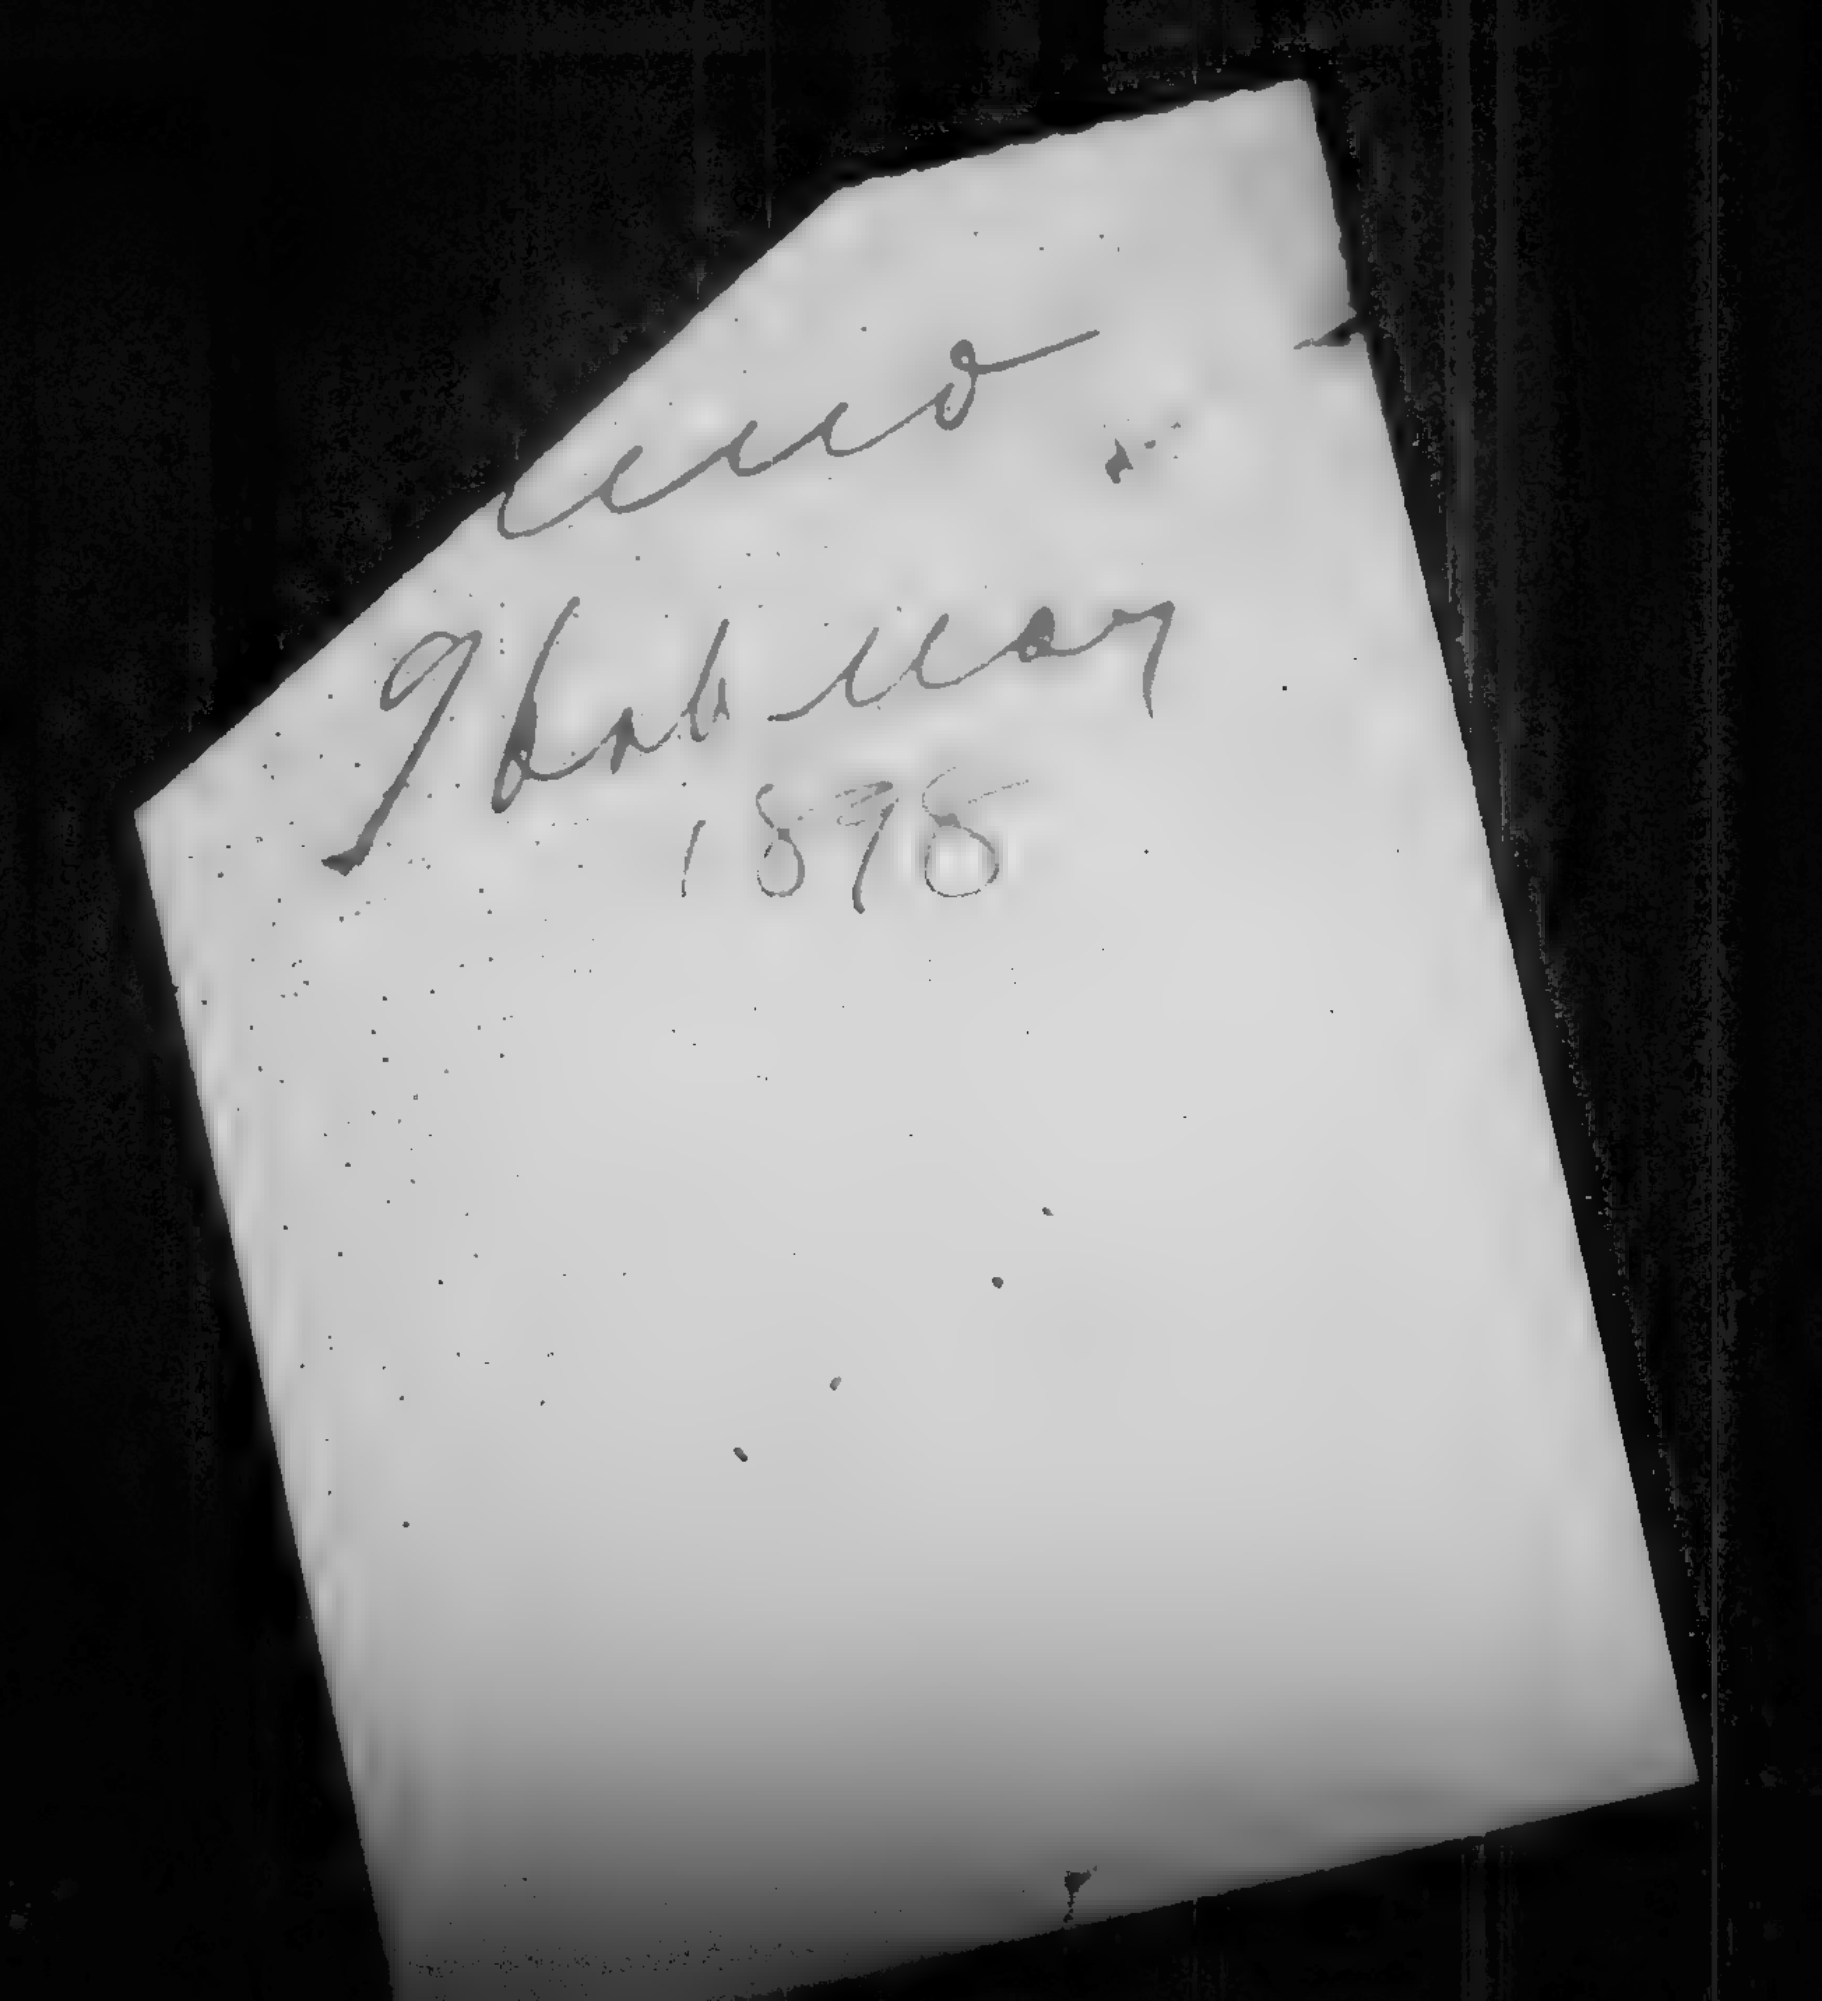

Mr. W. C. H. Parlby has since, on the 18th August, 1897, availed himself of this privilege, and has purchased on time the N.E.¼ and the W.½ of the S.E.¼ of the said Section 10 (4890), and has paid $80 on account thereof; but Mr. E. M. W. Parlby's military homestead for the W.½ of the said section still stands in his name.

Mr. Frank Oliver, M. P., wrote on the 9th February last, enclosing a letter from Mr. E. M. W. Parlby, and stating that the Messrs. Parlby are ranchers of good standing, and that their difficulty arose from their over anxiety to make themselves secure by purchasing the land from the Railway Company, upon which they found themselves when survey was made, which land, Mr. Oliver has no doubt, they could have got from the Government as homesteads. Mr. Oliver adds that it would be very desirable, if there is any way it could be arranged, that they should get their homesteads.

It does not appear possible to grant them the patents for lands they have entered for as military homesteads without their complying with the conditions prescribed by the statute as to residence thereon, and, in my opinion, the Minister's decision allowing them to purchase the land at the minimum rate of $1 an acre is a very liberal concession.

I may say that had the Messrs. Parlby applied and been allowed to acquire under homestead entries the S.½ of section 15, squatted on and improved by them prior to survey,

Messrs. F. W. K. W. Parlby and W. G. H. Parlby entered as military homesteads on the 13th September, 1894, for the W.½ and E.½, respectively, of Section 10, Township 40, Range 23, West of the 4th Meridian,

By letter of the 30th January, 1897, Mr. F. M. H. Parlby wrote to the Minister, stating that he and his brother located in 1890 on unsurveyed land in the Buffalo Lake District, and that, after the subdivision survey had been made, they found that their buildings were on Section 15 in the said township, and this being a C.P.R. section, they purchased the S.½ thereof, and afterwards entered for the adjoining section 10, as already stated, and that they carried out the homestead conditions with the exception of residence. The Messrs. Parlby also represented that they could not move their buildings from Section 15 without considerable expense, and that the only water available for cattle was on Section 15. It was also pointed out that the two brothers lived in separate houses on the latter section. Under these circumstances, they asked that their patents for their respective homesteads ~~homesteads~~ be issued to them without their being compelled to put in any residence on the lands.

The particulars of the case were submitted to Mr. Sifton by the late Mr. Burgess in a memorandum dated the 19th February,

Department of the Interior,

Ottawa, [illegible], 1[illegible].

Sir,

Referring to your letter of the 9th February last, on behalf of Mr. F. McK. H. Parlby, of Long Valley Ranch, Lacombe, Alberta, and his brother, who made entry, as Military homesteads for the W. ½ and E. ½ respectively, of Section 10, [illegible], W. 4th M., I am directed to say that the request you make that these parties be allowed to acquire the lands adjoining to the south, instead of at the rate of $1 per acre, has received careful consideration.

I am to state that, under the law, it would be impossible to grant the [illegible] Parlby patents for these lands without their complying with the conditions contained in the Statute as to military homesteads; and the Minister's decision [illegible] acquire the land at the [illegible] rate of $1 per acre--instead of the usual rate of $3--[illegible], and is, considered to be as liberal a concession as could have been made. Had they applied for, and been granted, free homestead entries for the E. ½ of Section 15, squatted on and improved by them before survey, they would not, under the usual conditions, have been permitted to acquire the adjoining Section 10 at a less rate than the current rate of $3 per acre, so that they would not appear to be in a worse position under the present circumstances than they would have been had they homesteaded the E. ½ of Section 15.

As instructed by H.O. by 20/6/98 4770 5 350205, which appeared to me to be perfectly clear I reported the payment in my usual Return of 30/6/98, noting also in said Return that the N½ of the section is as an Open for Homestead entry. This return as shown in my Cheques Returns Book gives under Column of Remarks the following notes: "Sale in lieu of Purchasers former Entry Homestead entry in N½ 10-40-23 W3rd $160 paid into H.O. vide, the N½ reopened for Homestead entry H.O. by 4770 5 File 350205 21"

Sir,

Referring to my application dated 1st Sept. 1899, for the homestead & pre-emption of the S.E. ¼ of Sec. 10 Tp. 40 Rge. 23 West 4th Mer. which I had taken as a Military Bounty homestead, as well as the S.W. ¼ of the same Sec. & Tp. & Rge. purchased the remaining 240 acres only.

The S. ½ of the S.E. ¼ is still open for entry, but the purchase or other application for this land being a small piece of timber & the whole quarter is surrounded by the rest of my land, on each side

2

Being so Situated that I found I could not grow anything on them through Stress of Circumstances

I have taken pre-emption the N ½ of Sec 3. from the C P R and should have declared to become the 80 acres adjoining (No 6/81 p.810 Dec 28 1882) to connect my land on 10 and 11 on 3 and make one section of it.

If I could bring a little water on it so as I could grow hay I would be willing to pay you for it over your price per acre and also one dollar per acre

Mr. W. C. H. Parlby was permitted in 1897 to purchase his military homestead, the E. ½ of 10--40--23, W. 4th, at $1 an acre, but only availed himself of this privilege to the extent of purchasing the N. E. ¼ and the N. ½ of the S. E. ¼ of this section.

He now writes stating that the balance of the half-section in question (the S. ½ of the S. E. ¼) is still of no value for pasturage or other agricultural purposes, but, as he has lately purchased the N. ½ of Section 3 from the C. P. R., he would like now to acquire it in order to connect his land in Section 10 with the parcel he has acquired in Section 3, and make a pasture of them, and he asks, therefore, that the former offer be renewed, and that he be permitted to purchase the 80 acres in question at $1 an acre.

The parcel applied for, which is vacant in the records of the Department, and the land already patented to him are shown on the sketch hereunder.

Mr. Edward M. H. Darlby was permitted in April, 1897, to purchase his military homestead, the W. ½ of 10--40--23, W. 4th, at $1 an acre, but being unable at the time to exercise this privilege with respect to the whole half-section, he was allowed to purchase at the ~~current~~ said rate the N. W. ¼.

He now writes stating that the balance of the half-section (the S. W. ¼) is of no value for agriculture, but only suitable for pasture, for which purpose he would like to purchase it, also that he and his brother, Walter Darlby, own the adjoining lands. He, therefore, urges that the former offer be renewed, and that he be allowed to purchase the S. W. ¼ at the rate of $1 per acre.

The land applied for, which is vacant in the records of the Department, is shown on the sketch hereunder. The N. W. ¼ of the Section was patented to Mr. Darlby in July, 1898.

I may add that Mr. W. C. H. Darlby, the brother of the applicant, was also permitted in 1897 to purchase his military homestead, the E. ½ of the said section, at $1 an acre; but, having only availed himself of this privilege to the extent of purchasing the N. E. ¼ and the N. ½ of the S. E. ¼ of the section, he was permitted, under your instructions, on the 5th December last, to purchase at $1 an acre the balance of the half-section, namely, the S. ½ of the S. E. ¼.

Gentlemen:-

Re Rutherford Estate.

Replying to your letter of the 17th ultimo, respecting the above estate, I beg to inform you that the claim of Irn James Barwis for military bounty in connection with the North West Rebellion of 1885 was satisfied by Military Bounty Land Warrant #1315 which was sent to him in care of J.B. Smith, Esq., Q.C., Calgary, on the 11th April, 1893.

Subsequently on the 13th September, 1894, Mr. Barwis assigned the warrant in question to Walter Coventry Hall Perlby of Lacombe, Alberta, who as the substitute of Irn James Barwis located the warrant which was duly cancelled.

As Mr. Barwis assigned the warrant he had no further interest therein and as the warrant in question was located upon land and duly cancelled all rights thereunder were exhausted.

This claim of Clemence Ford on behalf of Marie Louise Charpentier as sole heir to the estate of her mother the late Marie Therese Lapierre wife of Joseph Charpentier as a half breed child for the N. W. Ter is good + should be allowed - although in this application it is said this Marie Therese Lapierre died in 1884 in one place and in 1882 in an other place it dont matter much as I am sure this woman is dead and that her daughter Marie Louise Charpentier is her sole heir - And although there is a document on file purported to be an authorization from Phebe Laroche to Samuel Ford to act in behalf of Marie Louise Charpentier there is nothing to show that the said Phebe Laroche was legally appointed Guardian of the said Marie Louise Charpentier whose father + mother according to this application both died intestate - So I suppose as it is now being sure that this claim is good and that it is a sure thing that Marie Louise Charpentier who was born in 1881 being 13 years old

did is sole heir to her mother the said Marie Therese Lapierre, all these papers should be sent to Ottawa they will know there if this Marie Louise Charpentier could only get this scrip as sole heir to her mother, when she is 18 years of age, as I rather think that it will come to that as the mother died intestate - I see by this application that the shares of Marie Louise Charpentier are asked on the scrips of her grand parents as sole heir to her mother who at time of her death had shares coming to her on the scrips of her father the late Antoine Lapierre, (affidavit No. 300 of 1886 or 673 of 1885) or of her mother Catherine Lafrenon, (affidavit No 1301 of 1886 at Ottawa) of these I think she will only get when 18 years old - anyway Samuel Ford will be told from Ottawa about the manner of dealing of this claim & of those shares - I have said this claim good it is because the father & mother of said Marie Therese Lapierre, also part of her brothers & sisters have got their scrips allowed as they are real & we have good claims I believe though that some did not apply yet who will be too late now -

LETTER 415639

FILE 330/11

Department of the Interior,

Ottawa, 30th November, 1896.

Sir,

I am directed to give you the following answers to the four questions which you asked in your letter of the 14th instant, in connection with the application of Mr. Samuel Ford for the delivery of the scrip to which the late Uriel Wise Carmentier was entitled, and which now forms part of her estate :-

Aff'd. TGR 30/11/96 17

(1) By advice of the Department of Justice this Department invariably refuses to accept any letters probate or letters of administration, as the case may be, which have not been issued by the Court where the estate to be administered is situated. In this case the estate is domiciled in the North West Territories, and as the deceased died intestate, and therefore incapable of making a will, the disposition of her estate passes to her administrator, who must obtain his authority from the proper Court in the Territories. For this reason a copy of the letters of administration referred to in your first question could not be accepted here unless such letters were proved before and accepted by the proper court in the Territories, and ancillary letters of administration were then granted to Mr. Ford by that Court.

(2)

T.C.Woods, Esq.,
Notary Public,
Augusta,
Montana,
U.S.A.

(2) Apply to some lawyer of standing at Regina. He will advise you as to the course to be pursued and probable expense.

(3) There will be no necessity for Mr. Ford to employ a lawyer her if he employs one in Regina.

Mr. Dixie Watson, Clerk of the Supreme Court, Regina, will no doubt furnish you with a complete list of the lawyers who practice in that city if you do not care to select one from the following list which is taken from "Hardy's Canadian Law List," for 1905 :-

Davin, N.F., Q.C.,
Hamilton & Robson,
Johnstone T.C.,
Jones, Ford,
McKenzie & Brown,
Record & Balfour
Pitmer, R.

(4) It is understood here that under a rule of the Court at Regina letters of administration are not granted to any person who is outside of the jurisdiction of the Court, but whether this rule obtains where the applicant is already a duly appointed administrator under a foreign Court, and where the application is for ancillary letters probate cannot be stated with certainty. The Solicitor at Regina whom Mr. Ford may decide to employ should be able to answer your fourth question and

to

to give him any further necessary information with regard to the subject of your letter.

Sir,

In reply to your letter of the 23rd ultimo, I am directed to say that the only evidence there is on file in this Department, respecting the heirs of Marie Louise Carpentier, is a document which was filed here by Samuel Ford, of Augusta, Montana, under cover of a letter of the 15th January, 1906, a copy of which is herewith enclosed.

This affidavit was not considered sufficient as Mr. Ford was advised that Letters of Administration of her estate would have to be obtained from the proper court and filed in this Department, when Letters of Administration were filed here by you with your letter of the 15th December, 1905.

Dear Sir,

Enclosed herewith transfer for registration in your Department, together with the postal note for two dollars to cover fees. The transfer or assignment is from Joseph Dupée, administrator of estate of Marie Louise Charpentier, heir of her deceased mother Marie Thérèse Charpentier, née Lapierre, a halfbreed, to myself covering the S.E.¼ and the East half of the South West ¼ of section 33-30-20-West of the 4th M in Alberta.

I enclose Registrar's Abstract of title, and Certificate as to executions against the Assignor or transferee.

I would ask you to have patent issued for the above lands as soon as possible. I hold receipt from the Dominion Land office, Calgary, in the name of the halfbreed, who located scrip on the above land, which I suppose did not would be necessary to forward. The receipt is numbered 64289. Hoping that patent will be forwarded soon.

Department of the Interior,

Ottawa, 9th March, 1906

Sir,

You have been recommended for patent for the N. W¼ of Section 14, Tp 36, Rge 27 West of 4th Meridian which, according to the official plan of survey contains an area of 149.60 acres, the remainder of it being covered by the waters of a certain lake. As the waters of this lake may have receded, making the land which was then covered by water more or less fit for cultivation it is possible that you may wish to have the patent for your homestead issued to cover the full theoretical area of 160 acres, which includes the land and the land covered by water.

If you desire the patent issued in this way, on your filing with the Department here a solemn declaration, a form of which is herewith enclosed, to be made in accordance with the provisions of "The Canada Evidence Act, 1893," that the land covered by the waters of the said lake, as shown upon the official township plan, is now dry, the patent can then be issued for the full theoretical area of 160 acres, more or less.

Certified Copy of a Report of a Committee of the Honorable the Privy Council, approved by His Excellency the Governor General in Council, on the 31st October, 1887.

P. C. No. 1070.

On a Memorandum dated 12th May, 1887, from the Minister of the Interior, recommending that a clause be inserted in all patents from the Crown for lands in the North-west Territories, situate East of the Third Meridian, reserving to Her Majesty, Her Successors and Assigns forever, all mines and minerals which may be found to exist within, upon, or under such lands, together with full power to work the same, and for this purpose to enter upon, and use and occupy the said lands or so much thereof and to such an extent as may be necessary for the effectual working of the said minerals, or the mines, pits, seams and veins containing the same.

The Minister of Justice, to whom the foregoing Memorandum was referred, concurs in the recommendation, except in the case of patents for lands which have already been sold or disposed of for valuable consideration.

The Committee submit the same for Your Excellency's approval.

(Signed) John J. McGee,
Clerk, Privy Council.

To the Honorable
The Minister of the Interior.

The application for pre-emption patent was made at the same time and on the same form as the application for homestead patent, referred to.

The fiat for pre-emption patent, No. 55134, has been placed temporarily on file 361666.

It will be seen from the foregoing that all the mines and minerals other than gold and silver in the said north east quarter of section 34 were patented to Mr. Sexton along with the surface rights.

It is quite evident that the date of first occupancy of the land, namely, the 25th August, 1887, was taken as determining the form of patent in the case of these two entries rather than the date of entry, namely, the 17th December, 1888.

It may be mentioned that the lands entered for by Mr. Sexton were in a lease to one F. W. Godsal at the time entries were made. The entries were made with Godsal's written permission. Such written permission, bearing date the 11th December, 1888, is attached to file 595877.

As you are aware, the Order in Council of the 31st October, 1887 (P.C. 1070), provided for the reservation of all mines and minerals in patents for lands in the North-West Territories situate west of the 3rd meridian, except in the case of patents for lands which had already been sold or disposed of for valuable consideration. A copy of this Order in Council has been placed on each of the three files herewith for convenient reference.

By departmental letter dated the 8th September, 1906, addressed to Mr. C. B. Jameson, on file 12380 M.L., a sale of the coal mining rights in the north half of said section 34 was authorized to Mr. George H. Macfie. On payment of the first instalment of the purchase money, the transaction was entered in the records as Mineral Sale No. 576, dated the 9th November, 1906. On the 15th March, 1910, an assignment of Mr. Macfie's interest in these coal mining rights was registered in the Department in favour of C. B. Jameson aforesaid. In 1916 Mr. Jameson assigned an undivided three-eighths interest in the sale to Mr. Matthew Henry Ewing, the assignment having been registered in the Department on the 23rd June, 1916.

On the 29th June, 1916, the Mining Lands Branch forwarded to this Branch a requisition for the issue of patent, with royalty clause, for the available mineral rights other than the precious metals in the north half of section 34 to Claude Brigham Jameson and Matthew Henry Ewing as to an undivided five-eighths interest and an undivided three-eighths interest respectively. Patent for the mineral rights was issued to these persons accordingly on the 31st August, 1916. At the time, unfortunately, the fact was overlooked that the mineral rights in the north east quarter of section 34 had previously been patented. The fiat in this case, No. 345397, to which is attached the requisition for patent, has been placed temporarily on file 595877 for reference.

This

This mineral sale was made at the rate of $7.00 an acre, and therefore the amount paid as principal for the minerals in the north east quarter of section 34 was $1,120.00.

The Registrar of Land Titles, Calgary, called attention to the duplicate grants of the mineral rights in the north east quarter of section 34 by letter dated the 28th October, 1926. In a subsequent letter dated 26th November following he stated that title to the minerals was still held by Jameson and Ewing, and at the same time he pointed out that title to the north east quarter of section 34, originally issued to Sexton, had been transferred several times.

A sketch is attached illustrating the situation.

Respectfully submitted,

Controller.

MEMORANDUM.

N.W.¼ 34-6-1-W.5th M., 160 acres.

A verbal request has been received from your office for a report regarding the conflicting grants of the mineral rights in the above-described quarter section.

The facts follow:-

A portion of the north east quarter of section 34, namely, the north half of legal subdivision 16, was along with certain adjoining lands entered for as a homestead on the 17th December, 1888, by Lawrence Sexton. This homestead was patented on the "Short" form on the 11th July, 1892. Accordingly, the mines and minerals other than gold and silver were conveyed along with the surface rights. The application for homestead entry in this case is attached to file 595877. It will be observed that the mines and minerals were excepted in the application for entry in the following words:-

"This entry is granted subject to the pro-
"visions of order in Council bearing date 31st October,
"1887, reserving all Mines and Minerals which may be
"found to exist within, upon or under, all lands in The
"North-West Territories, Situate West of the third
"Meridian."

According to the application for patent dated the 18th April, 1892, the entrant began continuous residence on the homestead on the 25th August, 1887. The application for homestead patent is attached to file 595877. The fiat for patent, No. 49489, has been placed temporarily on the same file for reference.

The remainder of the land in the north east quarter of section 34, namely, legal subdivisions 9, 10 and 15 and the south half of legal subdivision 16 was entered for as a pre-emption by Mr. Sexton at the same time he obtained his homestead entry, that is on the 17th December, 1888. The pre-emption was patented on the "Short" form on the 12th July, 1894. Therefore this grant, as in the case of the homestead grant, carried with it the mines and minerals as well as the surface rights. The application for pre-emption entry is attached to file 361666. The mines and minerals were excepted in the pre-emption application in the same terms as they were excepted in the homestead application.

My dear Fay:-

As you informed me yesterday that you would be in Ottawa the 6th, I am enclosing a letter from the Registrar Land Titles Office Calgary, cooly requesting that I send my title to the mineral rights on ½ section that it may be cancelled.

I purchased this towards the end of 1906, and completed payments payments in 1916, and title was then issued.

This is a part of a mining proposition consisting of other portions also purchased from the Government (Department of Interior), as well as surface and mining rights from the Calgary and Edmonton Land Company (C.P.R.), and expended a lot of money proving up the property, and I was there when war broke out in 1914, which stopped Railway construction. Two railways were surveyed crossing this property.

The Canadian Northern had started construction, and the other had a cash subsidy of $6400. per mile from the border to Edmonton, but owing to the war and the years of depression following, railway construction as well as mining has stopped almost at a standstill, but business is brightening up out there.

I wish you would be good enough to take this letter to the Department Mines Branch, and get an explanation of this, and how it is proposed to cancel a title after 21 years possesion. Ask for Mr. H.H. Howat if he is still there, as he was in charge at the time.

Thei property is about 5 miles from the Crow's Nest Pass branch of the C.P.R., and the two proposed lines mentioned would have crossed it near Cowley.

I might add that I have been paying taxes in this same NP¼, and have just received a fresh tax bill on the same from the Municipal District of Castle River Alberta.

Trusting this will not trouble you too much, I am

I, Claude Brigham Jameson of the

Sheriff,

do solemnly declare that by letter dated the 8th September, 1906, addressed to me, the Department of the Interior sold to Geo. H. MacFie, the coal mining rights in the North half of Section 24, Township 6, Range 1, West of the 5th Meridian in the Province of Alberta, for the price of $7.00 per acre payable one quarter in cash and the balance in three equal annual instalments; THAT I paid the said instalments as and when they became due or on demand. On the 15th day of March, 1910, I caused an assignment of the said Geo. H. MacFie's interest to be registered in the Department in my favour and in 1916 I assigned an undivided three-eighths' interest in the sale to Matthew Henry Ewing which assignment was registered on the 23rd June, 1916. The terms of purchase having been completed, patent was secured from the Registrar of the South Alberta Land Registration District on the 13th day of October, 1916.

The said Certificate of Title conveyed in the proportions set out in fee simple all mines and minerals other than gold and silver within, upon or under the said land.

In August, 1927, I received a letter from Wilford Forbes, Registrar, South Alberta Land Registration District, dated the 16th of that month in which it was set out that the Duplicate Certificate of Title referred to was in error since a patent had previously been issued by the Dominion Government for the North East quarter quarter-section, covering both surface and minerals; said letter requested the duplicate Certificate of Title to be returned for amendment. I caused enquiry to be made at Ottawa, and was informed that the statement of the Registrar was correct;

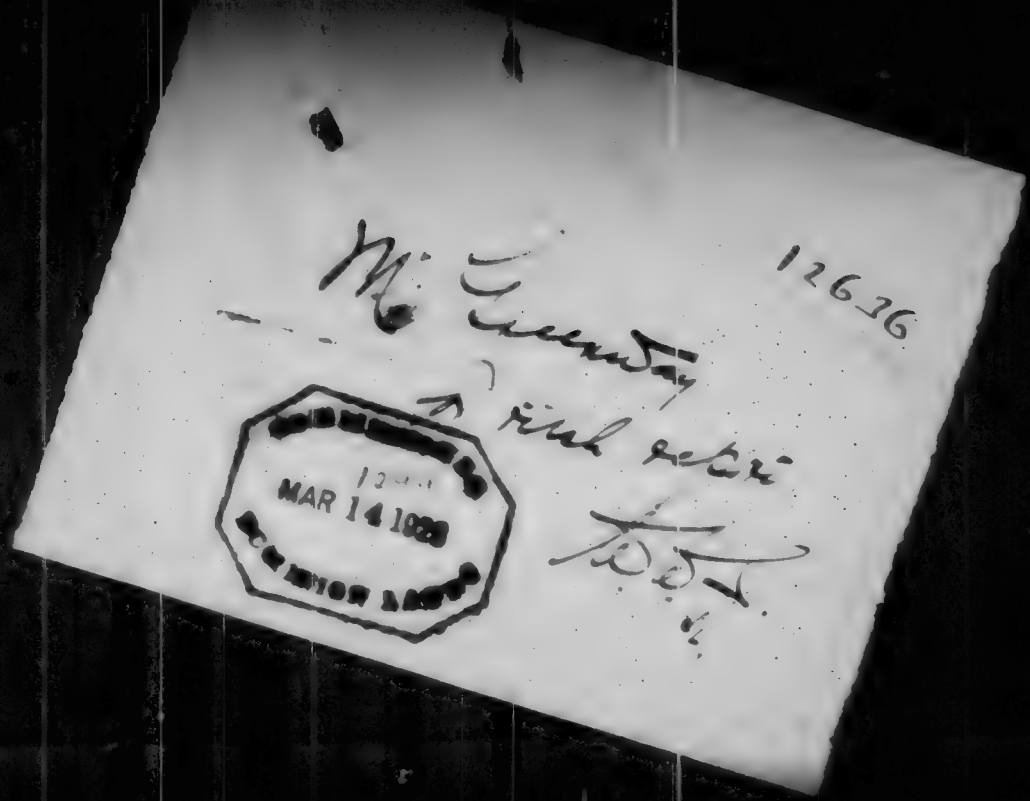

That I have faithfully and diligently performed all duties required of me and done everything within my power leading to the acquirement by me of the coal mining rights under the said quarter-section; that I have expended the sum of $1120.00 together with interest thereon at the purchase for the said quarter-section; that I have paid out in taxes in all the sum of $76.36 on the mineral

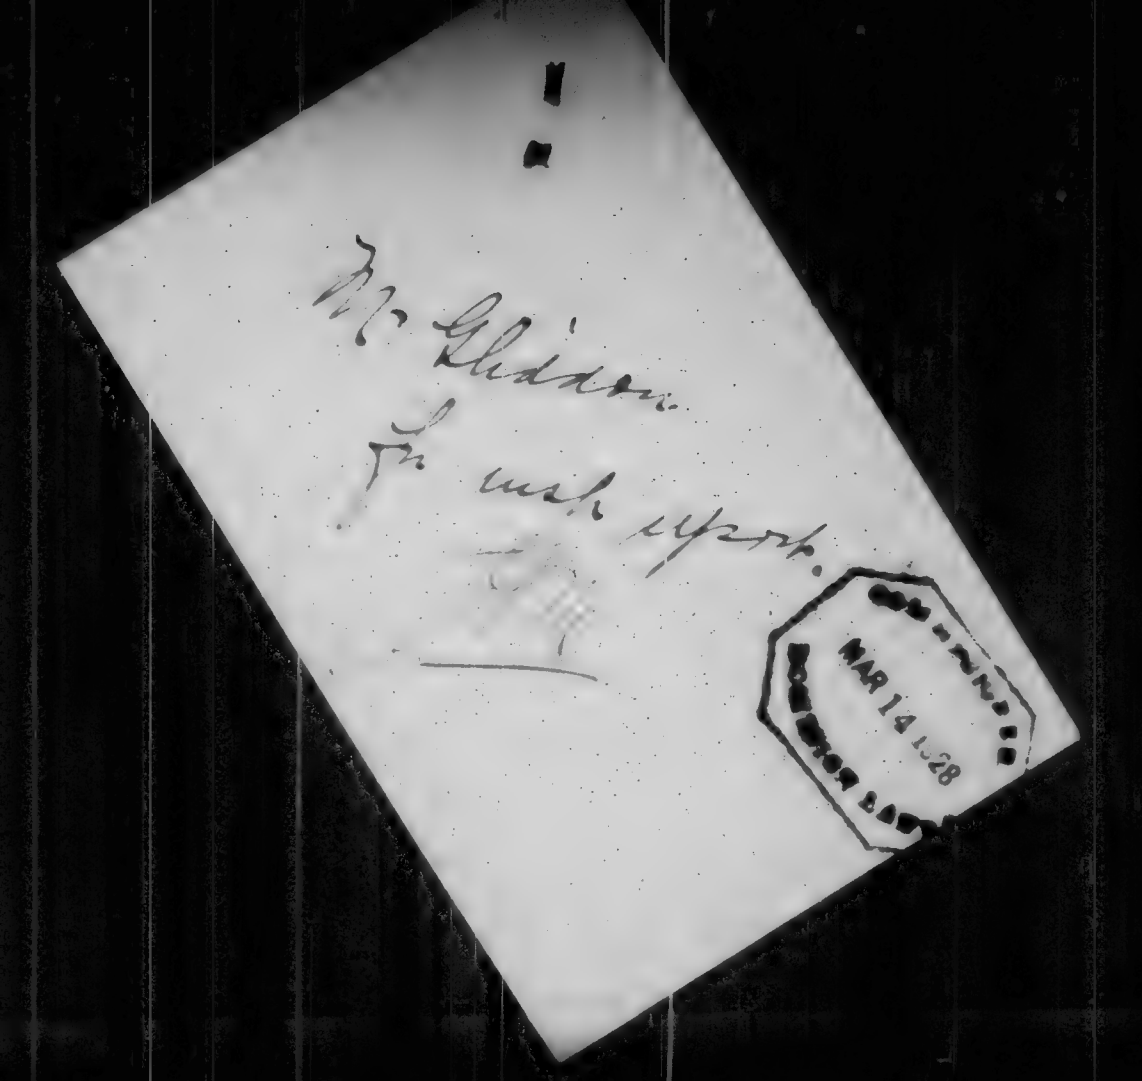

And I make this solemn declaration conscientiously believing it to be true, and knowing that it is of the same force and effect as if made under oath and by virtue of *The Canada Evidence Act*.

OTTAWA, 15th November, 1928.

MEMORANDUM:

Mr. P. Marchand,
Financial Controller,
Trafalgar Building.

Referring to my memorandum, hereunder, of the 10th instant, regarding the issue of a refund cheque to Messrs. C. B. Jameson and M. H. Ewing, I might say that the Registrar's letter of the 9th instant has now been received and placed on file, together with its enclosures - general release of all demands and transfer of interest in the North East quarter of Section 34, in Township 6, Range 1, West of the 5th Meridian, executed by Messrs. Jameson and Ewing, and certificate of title, with respect to this quarter section, issued by the Registrar. The documents executed by Messrs. Jameson and Ewing were approved by the Departmental Solicitor as to form, execution and proof of execution, under date of the 27th of September, on this file, and the originals have been registered at the Land Titles Office.

It would appear that the refund cheque might now be issued to Messrs. Jameson and Ewing. The parties interested are pressing for the earliest possible action, and as there has been a good deal of delay owing to one cause or another, it would be appreciated if the issue of the cheque could be rushed, today, if possible.

I am sending the file over to you by special messenger.

Sir:-

Referring to your File No. 67,508, I beg to advise you that the transfer from C. E. Jameson and M. M. Ewing to the Crown of the North East quarter of Section 34, in Township 6, Range 1, West of the 5th Meridian, has been registered at the Land Titles Office, and a certificate of title to the Crown issued. These parties have also filed a general release of all demands, and, under date of the 15th instant, Cheque No. 4018, for $3,239.91, was forwarded to Mr. Jameson, being a refund of the amounts disbursed on account of purchase price, taxes, etc., in connection with the above quarter section.

Sir:-

I beg to acknowledge the receipt of your letter of the 9th instant, returning to the Department the duplicate of the transfer from C. B. Jameson and H. H. Ewing to the Crown of the North East quarter of Section 34, in Township 6, Range 1, West of the 5th Meridian, and the duplicate of the general release of all demands executed by these parties, together with the certificate of title to the Crown of the above quarter section. It is inferred that the original of the general release of all demands, executed by Messrs. C. B. Jameson and H. H. Ewing, has been registered in your records. Will you be good enough to confirm this.

The Land Patents Branch,

Attention of Mr. Pelton.

Referring to Mineral Sale No. 576, standing in the names of Messrs. C. B. Jameson and M. H. Ewing, as assignees of the original purchaser, comprising the North half of Section 34, in Township 6, Range 1, west of the 5th Meridian, I might say that the mineral rights of the North East quarter of the section were found not to be the property of the Crown, and a refund has been made of the amounts paid in connection therewith. It is possible that the sale with respect to the North East quarter of this section has been already cancelled in the records. If not, cancellation thereof might now be recorded and the file returned.

The sale stands good for the North West quarter of the section.

The Commissioner refers here the application of Mr. John H. Crawford to purchase the fractional parts of Section 2, Township 36, Range 23, West of the 4th Meridian, and the fractional West half of Section 36, Township 35, Range 23, West of the 4th Meridian. The area of these fractional portions amounts to 520 acres and they are lands surrounding Goosequill Lake, the water of which is, according to the Township plan, alkali. The lands are vacant in the books of this office and in those of Mr. Ryley and so far as I am aware there is no reason why the land should not be sold to Mr. Crawford. The Commissioner states in his letter to Messrs. Bourchier and Guion, through whom Mr. Crawford makes his application, that the Agent of Dominion Lands, should the sale be authorized to be carried out, should ascertain that the interest of no other resident settler is prejudicially affected by the granting of so large an area in this particular situation.

Sir,

On the 3rd July, 1884, the Agent of Dominion Lands at Calgary forwarded here several assignments in connection with the sale of Lots in the Town of Macleod, one of which was from Frank John Flaxton to George B. Parker of Lot No. 21 on the North side of 20th Street West. As in this case there was no affidavit of execution upon the assignment it was returned to the Agent on the 16th December if the same year and he was requested, when returning it, to [illegible] and $1.00 as registration fee. From that time to the present no word has been received in regard to this assignment.

Lately [H. O. file 36144] a communication was received here asking whether a patent has issued in this case, but until it is known whether it is the intention that the assignment in question should be registered in this Department no steps will be taken towards the issue of the patent. Please report whether any communication has been received by you in connection with this case.

Info 9675 - Paid in full.
Price $5.00.

The lot above mentioned was sold on the 9th July, 1914, to Frank J. Clarton who according to the lists which accompanied ref. No. 11769 on file 1915 to George D. Parker, Accountant, Macleod, Alberta. The assignment was, however, with others returned under cover of the departmental letter of the 10th December, 1915, noted on the same file, for the purpose of obtaining the affidavit required in connection therewith and the registration fee of $2.00.

Ref. No. 10222 noted also on the same file contains the name, the occupation and the address of the original purchaser. The latter is also communicated with under date the 6th September, 1916, respecting the assignment of the lot in question but never apparently been heard from in the matter.

The case has been left in abeyance and the last action taken in connection therewith is the memorandum addressed by Mr. Clidon to the late Mr. Cordove, and the letters which constitute file No. 561644 hereunto.

I beg to invite your perusal of the letter of the 6th October last, noted on this file, from John T. Hewett, Mayor of the Town of Macleod, and to enquire as to what action you desire to be taken in the matter.

Lot 24, North 25th St.
West of 5th Avenue,
Town of Macleod.

The above mentioned lot was sold on the 9th July, 1884, to one Frank J. Claxton, of Calgary, who apparently assigned it in 1885 to George B. Parker, Accountant, of Macleod, since deceased. This assignment, however, has never been registered here, the lot standing in the records of the Department in the name of the above mentioned Frank J.Claxton but patent therefor has not been issued.

In connection with the collection of taxes the Mayor of the Town of Macleod has requested the assistance of the Department, stating that the lot has changed hands several times, that the title papers were burned when the office of F.W.D.Holtain was destroyed by fire and that the taxes have not been paid for years.

It is proposed to issue the patent for the lot in question in the name of the original purchaser, Frank J. Claxton, but before doing so it is thought advisable to ascertain if there would be any objection raised by your office to the registration of such a patent, and I would be obliged if you would kindly advise me in reference thereto.

On behalf of the North-west Government we have procured from James Rice a quit claim deed of part of the North East Quarter of Section Fourteen (14) Township Thirty Eight (38) Range Twenty Seven (27) West of the fourth Meridian, to Her Majesty. The deed, which is enclosed herewith, covers a portion required for a public roadway in that District. We understand Mr Rice has a Homestead Entry for the land and we wish to have the portion mentioned in the deed eliminated from any patent that may issue for the land. Memorandum.

On the recommendation of Mr. Supt. Pearce, the frac. N. ½ of Section 2 lying west of Pincher Creek and the strip of land six chains in width out of the frac. S. ½ of the said Section 2 lying east of the shore of the said Creek, both in Township 6, Range 1, West of the 5th Meridian, which parcels of land are shown bordered red on the sketch hereunder, were reserved by Order-in-Council of the 12th October, 1899, for stock-watering purposes.

Mr. Pearce points out, in his letter of the 4th instant, that, since the reservation was made, the homesteads in the immediate vicinity have all been fenced, which renders it worthless; and thinks that such reservation might now be removed to advantage. He also suggests that, in the event of the land being made available, the six chain strip, above mentioned, containing thirty acres, should be added to Mr. Charles Smith's military homestead for the remainder of the S. ½ of the said section 2, for which a patent has already been issued to Mr. Smith; or that it be sold to him at $1 an acre, being the price ruling when he settled on the land.

With regard to that portion of the N. ½ lying west of Pincher Creek, containing 160 acres, Mr. Pearce calls attention to the fact that Mr. Smith, who owns the S. ½ of the said section, is entitled to make a second homestead entry; and expresses the opinion that, if Mr. Smith has not yet exercised that privilege, he should be given an opportunity of doing

doing so with respect to that portion of the said N. ½ of Section 2 lying west of Pincher Creek; or that, if he has already made a second homestead entry, he might then be permitted to purchase at $2.50 per acre, unless it is thought that, as Mr. Smith settled on the land in 1880, he is entitled to purchase it at $1 an acre.

I beg to recommend that an Order-in-Council be passed removing the reservation in question; that the strip of land east of the Creek be added to Mr. Smith's military homestead, and that the N. ½ west of the Creek be granted to him as a second homestead (if he is eligible); or that it be sold to him at the regulation price and on the usual terms.

TO HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL

The Undersigned has the honour to report that since the reservation was made, under the authority of the Order in Council of the 12th October, 1889, for stock-watering purposes, of the fractional north half of Section 2, lying west of Pincher Creek, and the strip of land 6 chains in width, out of the fractional south half of the said Section 2, lying east of the shore of the said Creek, both in Township 6, Range 1, west of the 5th Meridian, the homesteads in the immediate vicinity have all been fenced, thus rendering the reservation valueless.

In view of the above fact the Undersigned has the honour to recommend that the reservation for stock-watering purposes above described as having been made under the authority of the Order in Council of the 12th October, 1889, be forthwith removed.

Respectfully submitted

Sir,

I am directed to say that an Order in Council was passed on the 27th February, 1899, removing the reservation for stock watering purposes on the fractional N.1/2 - 2 lying West of Pincher Creek and the strip of land 6 chains in width out of the fractional S. 1/2 of the said section 2 lying East of the shore of the said creek, both in Township 6, Range 1, W. 5th M., and I am to instruct you to add the aforesaid strip of land East of the Creek to Mr. Charles Smith's military homestead entry for the remainder of the S. 1/2 of the said section 2, and that if he is eligible to make a second homestead entry, he be allowed to do so for the N. 1/2 of the section lying West of the Creek, or otherwise, that it be sold to him at the regulation price of $3.00 per acre and on the usual terms. Mr. Smith's right to a second homestead entry depends on the date from which he completed his settlement duties on the S.W. 1/4 6--5--28 W. 4th M., for which his application for patent has not yet apparently been made. In a declaration made before Mr. E.W. Durley by Mr. Smith on the 22nd May, 1901, he states that he made entry for the S.W. 1/4 6--5--28 W. 4th M., in September, 1899, and that he had lived on the land since 1880.

Hon: T.M. Daly,
Minister of the Interior,

Dear Sir,

About one year ago I made entry on Homestead River Lot 39 - 46 - 21 West 4th Mer:, residence to commence at buying of third June. Soon after making entry I built a store on this land furnished it and put a person in charge, who keeps the Post Office (Duhamell). I also fur - nished accommodation for a Creamery which is now in operation there. These improvements are quite a benefit to that settlement. But owing to unfore-- seen difficulties I cannot very well complete the Homestead regulations and now apply to you for per- mission to purchase this land. Any assistance you can give me gratefully appreciated.

Yours truly,

'Sd.' John West.

Sir, I have the honour to acknowledge the receipt of your letter dated the 30th ult. for 306234 on 313041 and to say that I am not aware of any reason why the west should not be permitted to purchase river Lot No 39-46-21 W of 4th.— Entry was granted on the 1st June 1893 on the free grant plan. The homestead conditions as to cultivation have been fulfilled. The additional improvements made amount to $600.— Of the 144 acres which this lot contains, not more than 60 acres are fit for farming purposes, the remainder being gravel & sand ridges. Mr West is a merchant here, transacting a large business, and the most prominent person in the district.

Dear Sir

In reply to your favor of 29th Inst
I beg to say that the piece you mention
on Sec 2 Tp 39 - 46 - 21 W 4th is very light
There is only about 30 acres of arable
land on this Qr. The balance is
composed of light hills & small sloughs
& is useless for cultivation. I
should be quite satisfied to pay $2.00
an acre under the circumstances
although this is a high figure for this
Qr. Would you kindly call the
attention of the Commissioner to the
quality of this land as I think this
has not been considered.

Sir,

I have the honor to acknowledge the receipt of your letter dated the enclose a letter received from Mr. John West of this place, who has permission under instruction contained in your letter of the 16th. of November last, No. 367809, on 382478, to purchase River Lot No. 39--Tp. 46--Rg. 21--W. of 4th. M. at $3.00 per acre.

From reports received at this office concerning this lot, Mr. West's statement is entirely correct. The report of the surveyors will no doubt corroborate it. I am not aware whether the Department makes any allowance in these cases, in regard to the price per acre, when the greater portion of the land is of no value. Mr. West is doing a large business here as a general dealer, In 1893 he built upon Lot 39 a store and warehouse at a cost of $1000 or upwards, as a branch to his business here. It has proved however a failure His object in purchasing is to secure himself against further loss. He took this land originally as a homestead. I may add that Mr. West is a strong supporter of the present Government, and the most influential man in this locality.

Sir, I have the honour, on behalf of the above Association, to apply for a Dairy Factory site on Battle River, namely on Township 46. Range 21. West 4th Meridian, and should request about 10 acres in the north-west corner of the Allotment extending about half-way across the Allotment, as per plan. The following description of the site we have already put up, will explain our anticipations of getting this site as the ice would have to be done at once, or it may have been too late for doing it.

This land was once entered for by a man named Metachiosin, but as this land was too broken for cultivation, he gave it up. for our purpose it suits admirably well, being centrally located, with abundance of water facilities of getting ice. For further information for may state, that this factory at

Dukinfield will be only a branch of the one we are building at Wakefield. They will both be placed under the management of the Dominion Department of Agriculture for three years. 55177

In case you will be kind enough to donate us this site, would you please to issue the patent in the name of "The Wakefield Dairying Association" which is a duly registered corporation.

Thanking that you will accede to our request, & thus aid an industry, which to establish we are making many personal sacrifices.

Sir,

I have the honor to enclose a letter received from Mr.John West of this place, who has permission under instruction contained in your letter of the 16th of November last, No.367609, on 362473, to purchase River Lot No.39, Tp.46, Rg.21 W.of 4th M., at $3.00 per acre.

From reports reeived at this office concerning this lot Mr.West's statement is entirely correct. The report of the surveyors will no doubt corroborate it. I am not aware whether the Department makes any allowance in these cases in regard to the price per acre, when the greater portion of the land is of no value. Mr.West is doing a large business here as a general dealer, In 1893 he built upon Lot 39 a store and warehouse at a cost of $1000 or upwards, as a branch to his business here. It has proved however a failure. His object in purchasing is to secure himself against further loss. He held this land originally as a homestead. I may add that Mr.West isa strong supporter of the present Government, and the most influential man in this locality.

I have the honour to be,
Sir,
Your obedient servant,
Sd. Thos.B.Ferguson,
Agent of Dominion Lands.

Sir,

I am directed to inform you that Peter Ward, who was recommended for patent for Lot 57, St.Albert, on or about the 19th July, 1894, has written to this office asking to be advised whether he is entitled to the privilege of making a second homestead entry. It appears from the HomesteadInspector's report in this connection that Peter Ward was in continuous residence on the Lot mentioned for at least nine months in each year from the summer of 1880 until 1893, but he only obtained entry for the Lot on the 7th October, 1891.

Will you please inform me whether there appears from the records of the Head Office to be any good reason why this entry was not made at an earlier date, as, if the land was surveyed and open for entry for any considerable time prior to the date Ward made his entry, he is, I assume, not entitled to take up another homestead.

In the first two cases, the privilege of second entry has been granted. In the third it has been withheld on the ground that Lambert, by his remissness in not making entry, forfeited his right. The fourth case now stands for decision.

It may be mentioned that Mr. Laurier had a motion for copies of papers in the Lambert case on the Order Paper last session, but it was not reached, and the matter never came up. See full statement of facts pertaining to Lamberts case, marked.

Memorandum for Mr. Burgess:

My intention was to make a report to the Minister on the Ward case, and for this purpose Mr. Hume got together for me the above information. The only point that I have to direct your attention to is that the Department of Justice recalled the ruling that to entitle a man to make second entry he must have made his first entry three years prior to the 2nd of June, 1889. (under an unusual practice)

The ruling now to be made in the Ward case, if favourable to Ward, would revive the Lambert case. I think b th these men ~~are entitled to second entry.~~ having done all that was required of them at the time of their first entry

The law actually limits the time within which a squatter in advance of survey may obtain his entry to three months, but ~~it is quite clear that~~ if a man not only allows the three months to expire but years and years, including the year in which all rights to second entry lapsed, under no possible construction of the law can he in my opinion be entitled to a second entry. Copy for The Deputy Minister's Office.

Sir,

The Department has had under consideration your letters addressed to the Minister wherein application is made on behalf of yourself, Mr.Andrew Kennedy and Mrs.Catherine Kennedy to acquire the areas in Lots 57, 58 and 59, St.Albert Settlement,Alberta, which were not included in the original patents issued for these Lots. It is observed from your correspondence that you are the owner of the patented area in Lot 57 and that Mr.Andrew Kennedy and Mrs.Catherine Kennedy are the owners of the patented lands in Lots 58 and 59 respectively.

These three Lots were patented in accordance with the plan of the settlement approved on the 9th September,1882 and the areas shown on this plan comprised only the lands in the Lots extending to the edge of the flooded areas adjoining the River. Following are the areas patented,-

Lot 57	179 acres.
Lot 58	172 acres.
Lot 59	220 acres.

On the later plan of the settlement the areas were taken to the middle of the River and the areas shown on this plan follow,-

Lot 57	193 acres.
Lot 58	230 acres.
Lot 59	285 acres.

It will be seen,therefore, that there is an increase of fourteen acres in Lot 57, fifty-eight acres in Lot 58 and fifty-five acres in Lot 59. After careful consideration it has been decided to permit the respective owners of the patented lands in the three Lots to purchase these increased areas less the portions included in the River at a rate to be determined after an inspection of the lands by an officer of the Department. The portions included in the River will be calculated and you will be informed in due course of the net area available for sale in each Lot.

Albert Kennedy, Esq.,
Municipal District of Ray No.549,
St.Albert,
Alberta.

The sale in each case will be subject to the purchaser forwarding here an Abstract of Title or Duplicate Certificate of Title showing the patented area in the Lot to stand in his or her name. If the latter document be furnished it will be returned after being examined.

There is no provision in the Dominion Lands Act under which a free grant might be made of the lands in this case.

The Agent of Dominion Lands, Edmonton, is today being requested to have an Inspector visit the lands for the purpose of placing a valuation thereon. Upon receipt here of the Inspector's report you will be duly informed of the rate at which the areas may be purchased and the terms of payment.

The delay in letting you have a reply in this matter is much regretted.

Department of the Interior

DOMINION LANDS ADMINISTRATION

4th June, 1929.

Sir,

Re: Lots 57, 58, 59, 60 and 61,
St. Albert Settlement.

The above mentioned lands were patented several years ago in accordance with the plan of the Settlement approved on the 9th September, 1885, and the areas shown on this plan comprised only the lands in the lots extending to the edge of the flooded areas adjoining the river.

The later plan of the Settlement, approved on the 30th August, 1913, shows no flooded areas in the lots.

The Department has received applications from the present owners of the respective lots to acquire title to the areas which were not included in the original patents.

It has been represented that Lots 57, 58 and 59 are owned by the heirs in the estate of the late Miles Kennedy and that Lots 60 and 61 are owned by Joseph Monault.

Will you kindly inform the Department when the late Miles Kennedy acquired Lots 57, 58 and 59 and state the amount of consideration mentioned in the transfer to him, and also furnish similar information with respect to Joseph Monault and Lots 60 and 61. At the same time will you kindly inform us of the names of the respective owners of these five lots and the area quoted in each title.

If there is any charge for furnishing this information, payment will be remitted on receipt of your account.

Your obedient servant,

J. W. MARTIN

Acting Commissioner.

The Registrar,
Land Titles Office,
Edmonton, Alberta.

Mr. Albert Kennedy, St. Albert, Alberta, was advised of the decision by Departmental letter of the 4th October last, and at the same time it was pointed out to him that there was no provision in the Dominion Lands Act under which a free grant might be made of the lands in this case.

Inspector Wyllie has valued the area in Lot 57 at $22.00 an acre, that in Lot 58 at $25.00 and that in Lot 59 at $22.50 an acre.

The Minister's correspondent requests that the titles be adjusted so as to include the additional areas.

As previously intimated, there is no authority under which supplementary patents may be issued for the additional areas in the three lots without payment being made for the lands. The present owners of the patented portions of the lots are not the original patentees and, even if they were, payment would be necessary before supplementary patents might be issued, since an area of 160 acres was obtained under homestead grant in each of the lots. It is scarcely possible that when the original grantees disposed of their lands they received payment for any areas in excess of those mentioned in the patents.

There is another phase with respect to the patents issued for the three lots in question. Notwithstanding the fact that the areas of flooded land are not included in the areas quoted in the patents, no words are contained in the descriptions of the respective lots expressly excepting the flooded areas. The patent in each case purports to convey the whole lot. Since the bank of the river constituted the northern boundary of the lots as patented, and not the edge of the flooded areas, it seems to follow that, in point of law, the grants convey whatever lands were actually included within the limits of the lots, notwithstanding the areas quoted. In this regard, I beg to quote Section 64 of the Dominion Lands Surveys Act, Chapter 117, R.S.C., 1927:

> "Any letters patent, grant or instrument purporting to convey any right or interest in any aliquot part of any section, or other authorized subdivision, block, gore, common, lot or parcel of land, shall be construed to affect such aliquot part of the quantity it contains on the ground, whether such quantity is more or less than that expressed in such letters patent, grant or instrument."

With respect to this interpretation of the grants, it is to be pointed out that the Department is under no obligation to adjust the titles by issuing Quit Claim Letters Patent for the areas not included in the original grants. At the same time, it would be out of the question to make a grant of the area in any lot to anyone other than the registered owner of the area expressly patently.

It may be mentioned incidentally that there is a similar application before the Department, received from Mr. Joseph Ronault of St. Albert, involving the so-called flooded areas in Lots 60 and 61.

A plan of St. Albert Settlement is attached.

MEMORANDUM

Mr. Harvie,

The Commissioner's Office has requested a report on the Acting Deputy Minister's memorandum of the 29th ultimo, hereunder, with respect to the desire of the heirs in the estate of Miles Kennedy, to secure title to the areas in Lots 57, 58 and 59, St. Albert Settlement, Alberta, which were not included in the original patents issued for these lands.

These three lots were patented in accordance with the plan of the Settlement approved on the 9th September, 1885, and the areas shown on this plan comprised only the lands in the lots extending to the edge of the flooded areas adjoining the river. Patents were issued as follows:

Lot 57, 179 acres, homestead and sale, Peter Ward, patented 14th September, 1894.
Lot 58, 172 acres, homestead and sale, John Norris and Edward F. Carey, patented 14th March, 1892.
Lot 59, 230 acres, homestead and sale, Julien Savard, patented 3rd December, 1889.

In each of these cases the homestead grant comprised 160 acres and the excess area was disposed of under sale, at a nominal rate, in accordance with the practice at the time.

A later plan of the Settlement, approved on the 13th August, 1913, shows no flooded areas in the lots. According to this later plan, the areas of the lots down to the river bank are as follows:

				Increase
Lot 57	-	190.1 acres	-	11.1 acres
Lot 58	-	224.6 acres	-	52.6 acres
Lot 59	-	280.2 acres	-	50.2 acres

The Surveyor General has expressed the opinion that no actual change has taken place in the course of the Sturgeon River.

This case was submitted in a memorandum dated the 4th October last, and it was decided to permit the respective owners of the patented lands in the three lots to purchase the increased areas, at a rate to be determined after an inspection of the lands by an officer of the Department, subject to furnishing the Department with the customary proof of ownership of the patented areas in the lots.

Re: Application on behalf of the heirs in estate of late Miles Kennedy to acquire title to certain areas in Lots 57, 58 and 59, St. Albert Settlement, Alberta.

The particulars with regard to this application are set out in Mr. Cohoon's memorandum of today's date, hereunder.

Under the circumstances, it appears advisable, before determining what rate should be charged for these areas, to ascertain from the Registrar when the late Miles Kennedy acquired title to the three lots and the amount of consideration mentioned in the transfer to him. A letter has today been forwarded to the Registrar, requesting this information and upon receipt of his reply, a further report will be submitted.

A draft letter for the Minister's signature is attached.

lot to anyone other than the registered owner of the area expressly patented.

With a view to placing the Department in a position to determine what would be an equitable price to charge for the lands, enquiry was made of the Registrar of Land Titles, Edmonton, in June last as to when the late Miles Kennedy acquired Lots 57, 58 and 59 and the amount of consideration mentioned in the transfer to him, and at the same time similar information was requested with respect to Joseph Monault and Lots 60 and 61.

According to advice received from the Registrar, the late Miles Kennedy acquired Lot 57 in December, 1913, for a consideration of $1.00, and he acquired Lots 58 and 59 in December 1913, at an approximate rate of $4.81 an acre. Mr. Joseph Monault acquired Lot 60 in February, 1926, at an approximate rate of $39.67 an acre, and he acquired Lot 61 in March, 1925, for about $36.70 an acre.

In December, 1912, a sale was made to one Joseph Howson of Edmonton of the unpatented area in Lot 40, St. Albert Settlement comprising 50 acres, at an Inspector's valuation of $3.00 an acre (File No. 216167), and in May, 1911, one Alfred Arsenault of St. Albert was permitted to purchase the unpatented area in Lot 39 at the rate of $1.00 an acre for 32 acres and at the rate of $3.00 an acre for the balance of 7 acres (File No. 240252).

Inspector Wyllie mentioned in his reports in the present instance that the applicants were of the opinion that they should be allowed to purchase the lands at $3.00 an acre, that is, at the same rate at which others in the vicinity were allowed to acquire lands in similar circumstances in 1911 and 1912.

There might be a degree of justification in giving some consideration to the effect of the original letters patent when deciding upon an equitable charge. On the other hand, however, the Department might leave itself open to criticism were it to make sales at rates less than those placed by the Inspector in view of the fact that the applicants are not the original patentees.

It is recommended, therefore, that sales be authorized at the respective rates fixed by the Inspector, subject to the customary evidence being furnished showing ownership of the patented areas.

Director,
Ordnance, Admiralty &
Public Lands Division.

The Surveyor General has expressed the opinion that no actual change has taken place in the course of the Sturgeon River.

The patented areas in the five lots are owned by the several applicants as follows:-

Lot 57	-	Albert Kennedy
Lot 58	-	Andrew Kennedy
Lot 59	-	Catherine Kennedy
Lot 60	-	Joseph Bonsalt
Lot 61		

This case was submitted to you in a memorandum dated 4th October, 1928, and it was decided to permit the respective owners of the patented lands in the five lots to purchase the increased areas, at a rate to be determined after an inspection of the lands by an officer of the Department, subject to furnishing the Department with the customary proof of ownership of the patented areas in the lots.

The decision was duly conveyed to the applicants by Departmental letters dated 4th October, 1928.

Inspector Wyllie has valued the area in Lot 57 at $22.00 an acre, that in Lot 58 at $25.00 that in Lot 59 at $2.50, that in Lot 60 at $25.00 and that in Lot 61 at $25.00.

There is no authority under which supplementary patents may be issued to the applicants for the additional areas in the five lots without payment being made for the lands.

The submission of this case would be incomplete were not attention called to a particular circumstance with respect to the patents issued for the five lots in question. Notwithstanding the fact that the areas of flooded land are not included in the areas quoted in the patents, no words are contained in the descriptions of the respective lots expressly excepting the flooded areas. The patent in each case purports to convey the whole lot. Since the bank of the river constituted the northern boundary of the lots as patented, and not the edge of the flooded areas, it seems to follow that, in point of law, the grants convey whatever lands were actually included within the limits of the lots, notwithstanding the areas quoted. In this regard, I beg to quote section 64 of the Dominion Lands Surveys Act, Chapter 117, R.S.C., 1927:

"Any letters patent, grant or instrument purporting to convey any right or interest in any aliquot part of any section, or other authorized subdivision, block, gore, common, lot or parcel of land, shall be construed to affect such aliquot part of the quantity it contains on the ground, whether such quantity is more or less than that expressed in such letters patent, grant or instrument."

With respect to this interpretation of the grants, it is to be pointed out that the Department is under no obligation to adjust the titles by issuing Quit Claim Letters Patent for the areas not included in the original grants. At the same time, it would be out of the question to make a grant of the area in any

lot....

DOMINION LANDS ADMINISTRATION

J. W. Martin, Esq.,
Acting Commissioner
of Dominion Lands.

Re Lots 57 - 61 inclusive, St. Albert Settlement, Alberta.

I beg to submit for further consideration the applications received from Albert, Andrew and Catherine Kennedy and Joseph Monnalt of St. Albert, Alberta, to acquire the areas in the above mentioned lots which were not included in the original patents issued for the lots.

These five lots were patented in accordance with the plan of the Settlement approved on the 9th September, 1885, and the areas shown on this plan comprised only the lands in the lots extending to the edge of the flooded areas adjoining the river. Patents were issued as follows:

Lot 57, 179 acres, homestead and sale, Peter Ward, patented 14th September, 1892.

Lot 58, 172 acres, homestead and sale, John Morris and Edward F. Carey, patented 14th March, 1892.

Lot 59, 230 acres, homestead and sale, Julien Savard, patented 3rd December, 1889.

Lot 60, 105 acres, homestead Jean Baptiste Beauchamp, patented 20th October, 1897.

Lot 61, 118 acres, homestead Theodore Savard, patented 27th August, 1895.

In the case of Lots 57, 58 and 59 the homestead grants comprised 160 acres each and the excess areas were disposed of under sale at a nominal rate, in accordance with the practice at the time.

A later plan of the Settlement, approved on the 30th August, 1913, shows no flooded areas in the lots. According to this later plan, the areas of the lots down to the river bank are as follows:

				Increase
Lot 57	-	190.1 acres	-	11.1 acres
Lot 58	-	224.6 acres	-	52.6 acres
Lot 59	-	280.2 acres	-	50.2 acres
Lot 60	-	148.2 acres	-	43.2 acres
Lot 61	-	156.0 acres		38.0 acres

Sir,

I beg to forward herewith the enlarged plan of the Queen's Park, from Yonge St. to St. Joseph's Hospital, which you were kind enough to request me to have prepared for the Crown Land Department.

I would suggest that the Hospital grounds should be coloured pink, and the roadway in front of the Hospital, which is to be widened, should be coloured yellow.

No. 362742

RECEIVED.

Memo - Mr. Cote:- August 1st, 1902.

The A.D.L. at Red Deer wrote the Department on 14th May, last, Ref. 699803 on 34187 - 14, enclosing report of the Homestead Inspector on the N.E.¼ of 33 - 38 - 22 W.4th M. dated 12th May. The report shows that Mrs. Isabel House, widow of the late Jas. House, a halfbreed who died on June 5th, 1898, was in occupation and that they squatted on the land in June 1888 and had improvements consisting of buildings and cultivation to the value of about $500.

This land was patented to the Canadian Pacific Railway Company under Grant No. 6733 on June 13th 1901.

The Homestead Inspector recommends that Mrs. House be directed to make homestead entry. If Mrs. House is to be protected in her claim and allowed homestead entry, it would be necessary to arrange an exchange with the C.P.R. Co. and obtain a reconveyance of the above land to the Crown.

Memorandum.

I beg to submit, for your perusal, Mr. Young's memorandum of the 1st instant to Mr. Coté, relative to Mrs. Isabel House's claim to the N. E. ¼ of 33--38--22, W. 4th; and to request you to state whether you desire that the Canadian Pacific Railway Company should be asked for the exchange referred to in such memorandum.

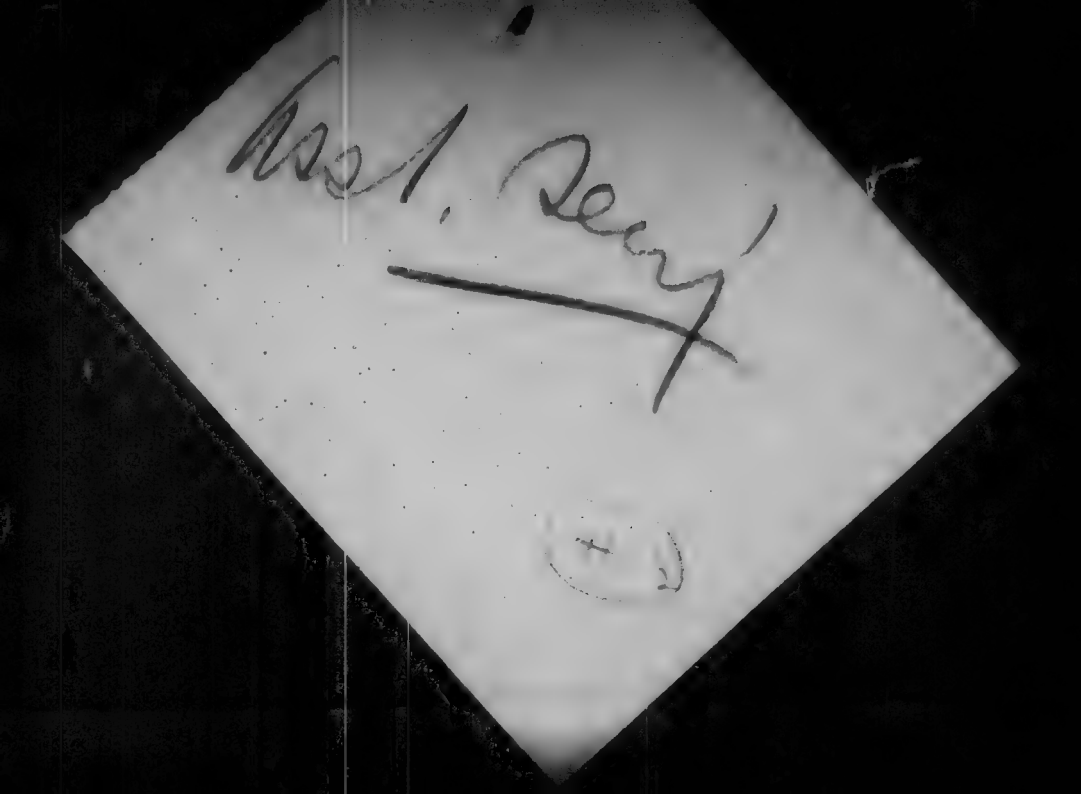

On the 6th August, 1894, the Secretary of the Dominion Lands Board forwarded here a declaration made by Mrs. House's late husband, James House, respecting his claim to the said land; and he (the Secretary of the Dominion Lands Board) was advised on the 17th of the same month that as Mr. House's claim did not date further back than July, 1885, and as the quarter-section in question was among the accepted lands of the C. P. R. Co., he would have to deal with the Company.

You will notice that the improvements on the land are considerable

Sir,

I am directed to say that the Department has been furnished with reports showing that Mrs. Isabel House, widow of the late James House, a half-breed who died on the 5th June, 1903, is in occupation of the N. W. ¼ 33—38—22 W. 4th M., and that they squatted on the land in June, 1898, and have made improvements consisting of buildings and cultivation to the value of about $500. This land was patented to the Canadian Pacific Railway Co. by Order in Council No. 6782, on the 13th June, 1901. Under the circumstances I am to ask you whether your Company would be willing to re-convey the land to the Crown, and select another quarter-section in lieu thereof in order that Mrs. House may be granted homestead entry for the land.

Sir:

Re: N.E.¼ 33-38-22 W. 4th Meridian.

In dealing with the above described quarter section it would appear that the mines and minerals which are now covered by Certificate of Title No. 48 I 2 in the name of the Dominion should be transferred to the jurisdiction of this Department.

For your information I find that this quarter including mines and minerals, together with other lands, was patented to the Canadian Pacific Railway Company on the 13th day of June 1901, Fiat No. 80142, File No. 626159 No. 3, Grant No. 6733.

The N.E.¼ of Section 33, together with the Mines and Minerals, was revested in the Dominion and Certificate of Title No. 48 I 2 issued in exchange for the N.E.¼ 2-14-14 W. 4th Meridian. Subsequently on the 5th of May, 1905, Fiat No. 108430, File No. 362742, Grant No. 137971 issued and patent was granted to Isabel House, reserving mines and minerals and irrigation rights. Upon the registration of this patent in the Land Titles Office Certificate of Title No. 48 I 2 was cancelled, excepting the mines and minerals.

From the foregoing explanation it would therefore seem that you have overlooked transferring the mines and minerals under this land to this Department. Would you please take the necessary action in this regard.

Dear Sir:

Re: N.E.¼ 33-38-22 W. 4th Ler.

The above described quarter Section and other lands were patented on the 13th of June, 1901 to the Canadian Pacific Railway Company, File No. 626159 No. 3, Fiat No. 80142, No. of Grant 6733.

According to a notation in the Township General Register, the N.E. 33 was released to the Crown by the C.P.R. and a Certificate of Title No. 48 I 2 was created in the name of Canada, Reference No. 808025 Interior No. 1791 and in lieu the N.E. 2-14-14-2 was granted to the C.P.R.

The N.E. 33, above described, was subsequently patented to Isabel House, Fiat No. 108430, File No. 362742, on the 5th of May, 1905, the Grant No. 137971, from which mines and minerals were reserved.

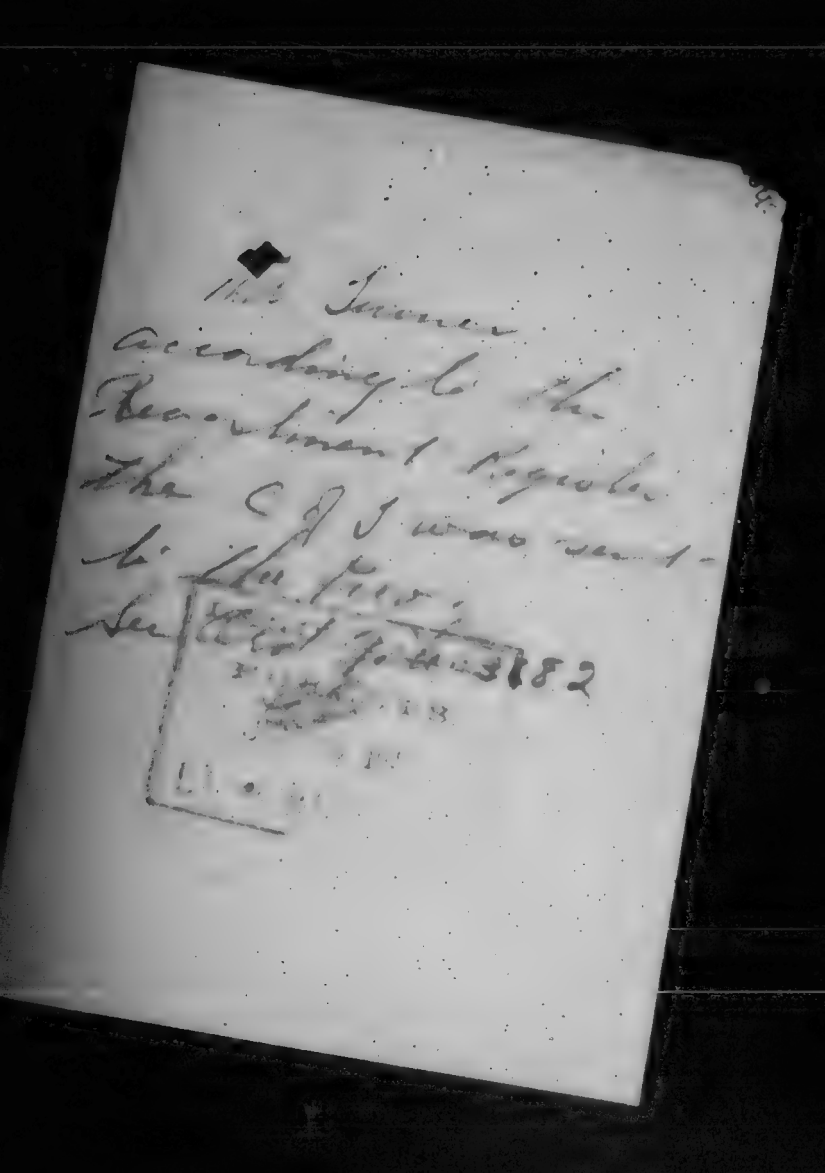

I am dealing with the mines and minerals under the N.E. 33, above described, and it would appear that they still remain in Certificate of Title No. 48 I 2.

Would you kindly forward this Duplicate Certificate of Title to me at your earliest convenience, and if necessary make recommendation to the Privy Council, in order that such mines and minerals may be administered by the Province.

Very truly yours,

Dear Sir,

I am in receipt of your letter of the 19th ultimo, asking me to send you Certificate of Title No. 48 I 2, revesting in the Dominion the title to the N.E.¼ of Section 33, Township 38, Range 22, West of the 4th Meridian, which quarter-section was subsequently patented to Isabel House on the 5th May, 1905.

This Certificate of Title was included with 225 other Certificates of Title, or copies thereof, which were forwarded to Mr. John Harvie, Deputy Minister of Lands and Mines, Edmonton, on the 10th June, 1932, together with a copy of the Order in Council dated 19th April, 1932, P.C. 837, transferring to the Province of Alberta the Dominion's interest in the lands covered by the said Certificates of Title, including the mines and minerals. The receipt of these documents was acknowledged by Mr. Harvie on the 28th June, 1932.

Dear Sir:

Re: N.E.¼ 33-38-20-W.4th Meridian.

The above described land lying on both sides of the Red Deer River, together with mines and minerals, were patented to the Canadian Pacific Railway Company on the 13th June, 1901.

On the first of August 1903 the said land and minerals were reverted in His Majesty King Edward the VII under Certificate of Title 48 I 27. At a later date, on the 5th of May, 1905, the Dominion Government patented to Isobel House the surface rights and which surface rights were cancelled from Certificate of Title 48 I 27, thus leaving all mines and minerals still in Certificate of Title 48 I 27.

Under the Natural Resources Agreement these minerals should have been transferred to the Province and under the circumstances it would be appreciated if you would take immediate steps to transfer the minerals in the above quarter section lying on either side of the Red Deer River and contained in Certificate of Title 48 I 27 to His Majesty the King in the Right of the Province of Alberta as represented by the Minister of Lands and Mines, and at the same time forward the duplicate of this Certificate of Title to me.

Your immediate attention to this request will be greatly appreciated.

I have received your letter of the 16th December, asking that the Duplicate Certificate of Title of this land be forwarded to you and that immediate steps be taken to have the minerals transferred to the Province.

We have no file for the land you mention. From the name of the patentee mentioned by you, it appears that it was your intention to request information regarding the N.E.¼ of 33-38-22-W.4th. If so, the desired particulars should be on your file 83605, as it is noted that on the 4th September, 1941, you acknowledged having received the required information and had telephoned the Registrar of the Land Titles Office pointing out that he had overlooked forwarding you a new Duplicate Certificate of Title in the name of the Province covering the mines and minerals as provided for in Order in Council P.C.837, dated the 19th April, 1932.

Re: N.E.¼ 33-38-22-W.4th Meridian

I wish to thank you for your letter of the 22nd instant regarding the above land and regret having quoted the wrong description of the land in my letter to you of the 16th instant as being in Range 20 instead of Range 22, as above described.

With the information that you so kindly conveyed I find that my file No. 83605 gives me the complete information and regret having in any way inconvenienced you in this regard. The fault, it would appear, lies in the fact that the Registrar of the Land Titles Office, Edmonton has not carried out the provisions of P. C. Attention: Mr. John E. Connolly, K.C.

Dear Sir:

I refer to your letter of December 29, 1948 concerning the northeast quarter of Section 33, Township 38, Range 22, west of the fourth Meridian.

This quarter section has rather an involved history, but the Crown Dominion has had no rights in it since the 19th April, 1932, at which time Order-in-Council P.C. 837 transferred the mine and mineral rights to the Province of Alberta.

In a letter dated 22nd December, 1948 to Mr. T.W. Mirlin, Superintendent, Technical Division, Department of Lands and Mines, Edmonton, Alberta, the above was pointed out as apparently they too were under the impression that the underlying rights were vested in the Crown in the Right of the Dominion.

COMMISSIONER

Ottawa, 28th April, 1920.

Mr. Hume.

S.E.¼ of 18-22-7- W.5th M.
Homestead of John Stalker.
Entry granted 15th July, 1915.

Mr. Stalker enlisted on the 31st December, 1914, and was discharged on the 1st December, 1919, being medically unfit.

A report from the Board of Pension Commissioners dated the 17th January last set out the nature of the disability as being difficulty in walking following gunshot wound of back, that it was impossible to say whether the disability was permanent, but the present disability was 25% and that Mr. Stalker was allowed a pension of $15.00 a month.

A medical certificate dated the 3rd March, 1920, from Dr. J. [illegible] of the Department of Soldiers' Civil Re-establishment, reads as follows:-

"This is to certify that the [illegible] enlisted at Calgary on the 31-12-14 and was discharged at Calgary on Dec. 1, 1919. He is suffering from a partial paralysis of right leg, with weakness and wasting of muscles. We have medical documents on file in this office to prove this. He is at present a patient in the Colonel Belcher Hospital under the Department of Soldiers' Civil Re-establishment."

Mr. Stalker has advised the Department that he has not applied for an Attestation Certificate and that he has no intention of applying for the same. Similar advice has also been received from the Soldier Settlement Board.

As Mr. Stalker made entry after enlistment, under ordinary conditions he would not be entitled to claim military service or residence in connection with his homestead, but in view of his disability I think an exception should be made in his case and that he should be relieved of the necessity of living upon the land and should also be granted a reasonable concession in regard to cultivation. For instance, I would suggest that twenty acres cultivated once should be accepted as sufficient.

Recommended.

Memorandum:

Mr. Hume:

S.E.¼ 18-22-3-W.5.M.
Homesteader - John Stalker.
Entry granted - 26th July, 1915.

Please refer to Mr. Perrin's memorandum of the 28th April, 1920, (marked, under), and to the Commissioner's instructions approved by the Acting Deputy Minister, to the following effect, - that when Mr. Stalker is in a position to show the performance of a six months' period of residence, or the equivalent of twenty acres broken and in crop in one season, such to be accepted as sufficient basis for the issue of patent.

Representations having been made that the land was unfit for cultivation, the Deputy Minister directed that Mr. Stalker could obtain patent when in a position to show the performance of a six months' period of residence, the quarter section to have been substantially fenced and the ownership of ten head of stock maintained on the land in one season.

On the 1st November, 1923, Mr. Stalker wrote that owing to increasing disability he was unable to perform the duties and according to report of the 3rd instant from the Board of Pension Commissioners, his disability has been increased to 50%.

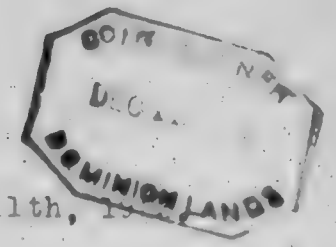

Under the circumstances, I recommend that a free patent be issued in his favour.

Physical disability from
active military service.

Please see Mr. Truttel's memorandum of the 11th instant, on File 362762, herewith.

Also see my memorandum of the 24th July, 1920, recommending that when the entrant was in a position to show the performance of six months residence or the equivalent of 20 acres broken and in crop in one season that such be accepted as a sufficient basis for the issue of patent, which you approved.

Since that memorandum was written Mr. Stalker has been reboarded and according to a recent report from the Board of Pension Commissioners, his disability has increased to 50%. Accordingly, after further consideration of this case and in view of the report from the Pension Board, I would recommend that patent issue forthwith in the name of the entrant under Section 23 of the Act.

Sir,

I beg to inform you that an application has been filed with the local Agent of Dominion Lands at Lethbridge to purchase the small island in the Belly River where it crosses the N.E.¼ of Section 18, Township 8, Range 21, W.4th.

The applicant, Mr.W.D.Hay, states that the island contains about three acres more or less, and he wishes to secure use it for the purpose of raising poultry. I am unable to ascertain from the papers in this office whether this island is included in the patent which issued to Mr.Lesueur for the north half of Sec.18.

Will you please advise me how the matter stands and whether Mr.H.'s application can be entertained.

Sir,

I am directed to acknowledge the receipt of your letter of the 6th instant, No. 304374, Ref. 244649, saying that an application has been filed with the Local Agent of Dominion Lands at Lethbridge to purchase the small island in the Belly River where the River crosses the North East quarter of Section 18, Township 8, Range 21, West of the 4th Meridian, and to say in reply that from the records of this Department it appears that this land is vacant, up to the last return received from the Lethbridge Agency, the 8th instant.

This land is not included in the homestead of Joshua Davies, which is for the portion of the quarter section lying West of the Belly River.

Sir,

Referring to my letter addressed to the Agent of Dominion Lands, Lethbridge on the 19th ultimo, a copy of which was sent to you on that date, in reference to the application of Mr. W.D.Hay to purchase an island in the Belly River, in Section 18, Township 8, Range 21, W.4th M. (see H.O.File No. 362782), I beg to say that Mr.Pearce, who is at present in Winnipeg, having had this matter brought before him thinks that thes purpose for which Mr.Hay desires to secure this island, namely the raising of poultry, is a good reason for considering the application, and he suggests that Mr.Hay be informed that when he is prepared to embark in that undertaking , if within one year, the island will be sold to him.

Mr.Pearce suggests that without taking into consideration the area of this island, the price to be charged should not be less than $25.

Dear Sir: RE: SUSAN LAVIES

A Client of ours, Mrs. Susan Lavies, of Lethbridge, Alberta, is the registered owner of the N.E.¼ of 18-8-21- West of the Fourth Meridian. She and her husband took over a Squatter's Right on this property, and either she or her husband filed on the same in 1886. We are informed that they proved up on the place in 1892 and took Title to the same. At the present time Mrs. Lavies is the registered owner of this land, and the Registrar of the Land Titles Office, at Calgary issued the Title in her name as 37-M-105. The Title contains the usual clause "reserving unto His Majesty all mines and minerals and the right to work the same". On taking the matter up with the Registrar of the Land Titles Office at Calgary he informs us that the Title or Patent issued by your Department contains the above provision, and he referred us to you to ascertain if there was any mistake made at the time of issue of the Patent. We believe that Mrs. Davies or her late husband, at the time they filed on this property, were entitled to receive a Title without making any mineral reservations.

Kindly refer to your file on the matter and ascertain if a mistake was not made at the time of issuing the Patent.

Yours very truly,

With reference to the letter of the 8th ultimo, hereunder, from Messrs. Shepherd, Dunlop and Rice, I beg to point out for your information that letters patent for the land above described were issued reserving to the Crown mines and minerals.

It will be observed that letters patent for lands for which entry may have been granted prior to the 31st October, 1887, are ordinarily issued on the short form.

Since, as is pointed out above, entry was granted for the quarter section prior to the 31st October, 1887, it would appear that patent may have been issued on the long form and I would inquire what action you consider should now be taken in the matter.

Sir,

I ber to acknowledge the receipt of your letter of the 27rd.October last, with reference to your desire to be permitted to make a purchased entry, and in reply to say that according to the records here, you went into residence upon the S.E.¼ of section 12, township 8, Range 21 west of the 4th.meridian in September 1907, and consequently, you were not entitled to your patent before the 2nd.June 1910.

As the privilege of making second homestead entry, is only granted to those settlers who were entitled to their patents on, or before that date, it is regretted that your request cannot be granted.

There does not appear, however, to be any reason why you should not be permitted to make entry for a purchased homestead if you so desire, and if you will communicate with the Agent of Dominion Lands for the district in which you wish to settle, he will be able to give you any information you require in the matter.

Your obedient servant,

N.E.¼ 16-9-21-W.4.M.

The above mentioned land, the homestead of Jemima Davies, was patented to him on the 22nd November, 1902, and I think possibly there are other papers in this connection as this file mostly relates to an letter in the N.E.¼ 16-9-21-W.4.M., not to Davies' pre-emption, although there is on it the Homestead Inspector's report and the latter enabling application for patent.

A question has arisen as to the under rights granted Davies and I would like, if possible, to have any previous papers there are also the application for patent, No. 59 Lethbridge District (48) and the application for patent, List No. 447, No. 36.

If you could let me have these as soon as possible I would be obliged.

In further reference to your letter of the 9th July last respecting the under rights in connection with the above described land, the homestead of Mr. Joshua Davies, who made entry therefor on the 2nd July, 1887, having gone into possession in September, 1886, I beg to inform you that at the time Mr. Davies obtained entry this township, namely Township 8, Range 21, West of the 4th Meridian, was within a Coal District and his entry, in common with other entries in this township, was granted reserving the mining rights to the Crown. When, therefore, the patent was duly issued it would appear that the clause reserving to the Crown the mines and minerals was properly inserted therein.

MEMORANDUM:

Harvey Fitzsimons, Esq.,
Assistant Commissioner.

C.O.Ref.5155.
Pt.NE¼ 18-8-21-W.4.M., West of Belly River.
Under Rights.
Brigadier General J. S. Stewart, M.P.

Replying to your memorandum, returned herewith, to which is attached the Acting Deputy Minister's memorandum of the 19th instant, requesting full information respecting the disposal of the under rights in connection with the above mentioned land, the homestead of Joshua Davies, I beg to state that the lands in this township (and others) were in 1882 withdrawn from sale and settlement and declared to be Coal Districts (O in C 26th December, 1882) and remained so until 13th April, 1886, when they were opened for settlement reserving the coal mining rights (O in C 13th April, 1886).

Joshua Davies obtained homestead entry for the N.E.¼ 18 on the 2nd July, 1887, the mining rights being reserved as was done with other entries in this district and the entries were so reported in the Agent's return and so noted in the records.

The application for patent was also noted as reserving the mining rights and when the fiat was prepared in 1892 the reservation for mines and minerals was placed therein by Mr. Goodeve then Chief of the Branch, in his own hand writing.

Mr. Davies did not acquire the mining rights when he made entry and the patent which was issued to him on the 22nd November, 1892, reserved these rights to the Crown.

The.....

The Order in Council of the 31st October, 1887, reserving the mines and minerals in lands lying West of the Third Meridian did not come into force until that date, and as Mr. Davies obtained entry prior to that date, namely on the 2nd July, 1887, he would, no doubt, have acquired the mining rights were it not for the fact that they had been specifically reserved from his entry.

I may add that the petroleum and gas rights in connection with this parcel are under lease to Mr. E. M. Haun.

Sir,

Referring to your application to participate in the Half Breed Grant, I beg to say that before your claim can be disposed of it is necessary for you to produce a discharge from treaty, it being understood that you at one time took treaty with the Band of Pas-pas-chase in the Edmonton District. It would facilitate the matter if you would inform me under what name you took treaty.

This man should be told that because his wife said in her application for scrip, that she had been in treaty once before 1885 with Dr. Paschau Band, & being married 17 years ago, the chance is that he also might have been in treaty. The best plan for him would be to have a certificate from the Indian Agent saying that neither him & his wife have been in treaty. One letter will do for the two claims -

Sir,

Catherine Gouzeon nee Dumont says, in her application for scrip, that prior to 1885, she was in receipt of annuity as a member of the Pas-pas-chase reserve near Edmonton.

Will you kindly advise the Commissioner whether this is the case and if she has ever been discontinued.

Her husband, John Gouzeon, states in his application, that he has never been in receipt of annuity, but for ten years prior to 1885, was a resident of Alberta (but goes not mention the exact locality), and that following 1885, he was employed hunting for ten years.

They have been married seventeen years and at Fort Pitt.

For which you will be good enough to favor the Commissioner with a certificate covering both cases.

Sirs-

re Watson McDonald. The North West 1/4 of 14--38--27 West 4th.

In your letter to us of the 18th ult File No 363869 you inform us that no patent has issued for the above mentioned land. We have been informed that the party who appears to be the homesteader, Mr Watson McDonald, had the Fee Simple of the land and, acting under instructions from the North West ~~Government~~, had prepared a transfer under The Territories Real Property Act of a roadway through this land to Her Majesty. It will, however, answer the purpose if the necessary land is reserved from the patent when it issues and we enclose the transfer which was executed by Mr McDonald and would ask that if possible it take the place of a quit claim deed and that when the patent issues the parcel described in it be reserved. It will be inconvenient for us

to get any further document executed by Mr MacDonald and we trust that the elimination can be accomplished in this way.

LETTER No. 10,527 [illegible]

REFERENCE No. 10,544

Sir;-

It appears that sometime since Mr. J.A. McMillan D.L.S. located or described a road one chains in width from off the northerly limit of the South-half of Sec. 36 - 35 - 1 west of the 5th Meridian, having been informed that the patent had issued for the said half section. It appears, however, that patent has not yet issued and the question arises, what steps to adopt to enable the Department to vest in the Lieutenant Governor-in-Council of the Northwest Territories the said road for the public use.

Would it not do to describe it as being strip one chain in width from off the northerly minit of the said half section ? and the balance of the half section to be described as "all of the said half section except a strip one chains in width". There would appear to be no obstacle to that being done.

If, however, it is a rule of the Department that a correction survey plan must be filed, is it necessary to go on the ground to make the survey ? Travelling expenses and time occupied in going and returning would

add very greatly to its cost, in this case, probably $30 or $40.00 and what would be the benefit derived from such an outlay ? merely a knowledge of the topography of the country along the said road, when in nearly every instance where such roads will be laid out, land is of no value whatever.

Please advise Mr. McMillan and myself as to your ruling in this case.

Acting under instructions from the North West Government we procured a quit claim deed of part of the South East Quarter of Section 39--15--1 West of the 5th meridian from Alfred S. Carter to the Crown, for a roadway. This Quit claim deed was sent to you in order that when the patent issues the portion required for Roadway will be reserved. We subsequently received a letter from you regarding a plan of the land. We enclose you a plan herewith. Please let us hear from you as soon as possible as to whether the desired reservation will be made.

Sir:--

We have written a number of letters to your Department regarding roadways in the vicinity of Red Deer in the Northwest Territories. These roadways were conveyed by Quit Claim Deeds from the Homesteaders to The Queen. For some reason or another we cannot hear from you in acknowledgment of them. This places us in a very unsatisfactory position with the Northwest Government who instructed us to secure the roadways. We cannot report to them in the matter. We will be obliged if you will inform us whether the reservations will be made and if not what further can be done by the Department here in order to secure the lands.

We are in receipt of your favor of the 19th of March stating that when patents are being issued for the following lands, viz, the South East Quarter of 14-36-27-W 4. & 33-35-1 W 5. The North West Quarter of 14-36-27-W 4. & The South half of 35-35-1 W 5. care will be taken that a reservation of the road in question will be made in accordance with the transfers filed by us in your Department.

You state that the area released to the Crown is not given in the Transfer from Carter of the part of the South East Quarter of section 33 above mentioned.

That strip will evidently contain four(4) Acres.

We enclose herewith a description made by a Dominion Lands Surveyor, Mr. James A. McMillan, from which it appears that the road in question ~~would~~ contains that

quantity of land. As the road is merely a straight course across one side of the quarter section we do not suppose a survey would be required. On February 11th last we appear to have sent to your Department a plan of the land assigned by Mr. Carter.

We also enclose herewith a Surveyors description of the part required from the North West Quarter of 14-38-27 W 4. showing this portion to be four acres also. We are under the impression that plans have been sent to you in all the other cases but in case we should be in error we sent you herewith a plan and a description of the road through 35-35 I W 5.

We wish this roadway to be secured beyond all possible doubt and would therefore ask that such action be taken by your Department to vest this land in the proper quarter for the purposes of the Government of the North West Territories.

The same remark applies to the following lands which are in the same position, viz, the North East Quarter of 14-38-27 W 4. The North West Quarter

John Brown, -----	S. W. Quarter	35-35- I West 5.

Messrs Hamilton and Robson now advise The Committee that they have been asked by the Department to take steps to have these roadways vested in the proper quarter for the purposes of government in the Territories, with a suggestion that the Lieutenant Governor in Council make a request to that end. As all the surveyor's notes, plans and other documents are filed with your Department I am directed to say that The Committee will desire His Honour the Lieutenant Governor to formally request that the transfer be made on being furnished with a particular description of the roadways in question.

I am further to request that you will be so kind as to inform The Committee under what section of The North West Territories Act the suggested procedure in this matter is to be taken, as it seems to be somewhat at variance with that hitherto adopted; and also whether or not the Department has made any ruling as to the position of homesteaders who may part with any portion of their homesteads for public purposes, such as those herein referred to, and who may ask or accept consideration for the same from the North West Government.

I have the honour to be

Sir,

Your obedient servant,

John A Rowe

Clerk of The Executive Committee.

Sir,

In the month of September 1905 Messrs Hamilton and Robson, a local firm of legal practitioners, who were employed by The Executive Committee to procure conveyances of certain roadways through a number of quarter sections in Alberta occupied by homesteaders under The Dominion Lands Act, informed The Executive Committee that they had procured from the persons interested quit claim deeds for the lands so expropriated, which had been filed with your Department with a request that when patents for the lands were issued a reservation would be made in them of the portions of the lands described in the deeds as being required for roadway purposes, so that the title would remain in the Crown. The Committee were further advised that in each case the Department had acknowledged the filing of the documents and had stated that upon issue of the patent the reservation would be made as requested.

Memorandum :- 406785 on 363049 -

Mr. Hall :-

I to-day received from Mr. Clayton the accompanying file, and it is my opinion that the class of roads to which the correspondence and papers that comprise it relate does not belong to any of the classes of roads mentioned in any provisions of any Dominion Act of Parliament that affects roads in the North West Territories. Such provisions are the following :-

Sections 107 and 108 of the North West Territories Act, being Chapter 50 R.S.C.

Section 17 of 54-55 Victoria, amending Section 108 of Chapter 50, R.S.C.;

Section 6 of Chapter 15 of 55-56 Victoria, amending the Dominion Lands Act.

Section 21 of Chapter 17 of 57-58 Victoria, amending the North West Territories Act.

It may of course be argued that the road-ways under consideration as "road-allowances in Townships," and that they therefore belong to the class of roads to which the provisions of Section 107 of Chapter 50 R.S.C. relate. Whether they do or not, and I think they do not, will not help us in this case however.

Of course if these roads were new roads which were opened instead of other roads that were being closed, the provisions under which action at the request of the Lieutenant-Governor of the North West Territories is authorized are to be found in Section 21 of Chapter 17, 57-58 Victoria. But apparently they are not intended to take the place of any other roads.

If the sections of lands through which they pass were patented lands, the opening of these roads and all matters connected therewith would be matters to be settled between the North West Government and the patentees alone, but, as the Sections are not patented lands, the Crown as represented by the Dominion Government is also interested.

As no provisions exist with regard to the opening of new roads in the Territories, which correspond to those comprising Section 7 of Chapter 30, 58-59 Victoria, respecting the opening of new roads in Manitoba, action with regard to the roads in question does not depend upon any statutory provision. If I am correct in this instance, and I am satisfied that I am, there is no purpose served in waiting for the request of the Lieutenant-Governor. The Governor-in-Council has power to pass an order vesting the Lieutenant Governor in Council these roads for public purposes.

With

With regard to the second question in the last paragraph of Ref. 406785, I have only to report that a transfer by a homesteader to the Crown of his homestead or part thereof is not prohibited by the provisions of Clause 42 of the Dominion Lands Act, and the fact that the grantor receives a money consideration from a representative of the Crown does not bring the transfer under the provisions of that Clause, which was passed to prevent the transfer by the homesteader to another person for his own use or for the use of some other private individual of the homestead or part of it.

The action to be taken in this case is therefore :- (1) To obtain an Order or Orders in Council vesting these roads in the Lieutenant-Governor in Council for public purposes ; and (2) to so advise the writer of 406785.

Address reply to "Secretary Department of the Interior, Ottawa."

Sir,

I am directed to refer you to your letter of the 17th June last, respecting certain roadways hereafter mentioned and to the memorandum of the 1st July last which Mr. Pothwell, Law Clerk of this Department, submitted to the Deputy Minister, with regard to them, and of which a copy was forwarded to you under cover of my letter of the 10th July last, and to advise you as follows :-

The roadways in question are parts, respectively, of the seven homesteads named in your letter of the 17th June last for the lands therein respectively mentioned, and are as follows :-

Watson McDonald--	W.½	14	36	27	W.4th M.
James Pice --	W.½	"	"	"	"
C.S. Stant,,	W.½	20	"	"	"

Messrs. Hamilton & Robson, Barristers, Regina, who on behalf of the Executive Committee of the North West Assembly, obtained and filed here a deed and plan of the roadway in each of these seven cases

The Clerk of the
Executive Committee of the
North West Territories,
Regina,

cases were advised that the necessary reservation of the land required for the roadway would be made in each patent as issued, and this reservation has been made in three of the cases, namely, in the patent in favour of James Rice for the North East quarter of Section 14, the patent in favour of James Brown for the South East quarter of Section 30, and the patent in favour of John Brown for the South West quarter of Section 30.

None of these roadways have, however, yet been vested in the Lieutenant-Governor in Council for public purposes of the Territories, nor has proposed memorandum to the Governor in Council recommended by Mr. Rothwell in his Memorandum of the 13th July last, been prepared. He stated that "apparently they" (these new roadways) "are not intended to take the place of any other roads." He is now doubtful that this is the fact and of course holds to the opinion expressed in his memorandum that if these new roads have been opened up in lieu of others to be closed, action in these cases must be taken under the provisions of Section 21 of Chapter 17 57-58, Victoria, and the request of the Lieutenant-Governor is therefore necessary, that x is assuming the roads are parts of "road allowances in Townships," within the meaning of Section 107 of Chapter 50 R.S.C.

As before stated a deed and plan in each of the seven cases is on file here, and if these roads are to take the place of other roads, as above mentioned

mentioned, and the request of the Lieutenant-Governor, is therefore necessary, copies of these plans will be forwarded to you, or to Mr. Gordon, Secretary of His Honour, for his use and information, in this matter, if you state that he will require them.

It may also be mentioned in this communication, that the plan of the roadway across Mr. Rice's land, the North East quarter of Section 14, Township 36, Range 27, West of the 4th Meridian, also shows portions of Sections 13 - 15 - 16 - 20 and 22, and that this is the only intimation on file here of new roadways being required across Sections 13, 15, 16, and 22. If these roadways are to be opened deeds and plans similar to those which are on file here in the seven cases first mentioned should also be furnished.

I am also to mention that in his deed Mr. Carter confines his grant to so much of the South East quarter of Section 16 only as is required for a road-way, whereas by the plan and description it would appear that the roadway is to be continued across the South West quarter of that Section which was patented to Mr. Carter upon the 15th April, 1902.

I am also to ask you to have the Secretary fully advised upon all the foregoing points of this matter.

I am, Sir,

Your obedient servant,

Assistant Secretary.

Mr. Clayton :-

While we are waiting for a reply to the letter of to-day's date to the Clerk of the Executive Committee of the North West Territories, Regina, you might take and note you may have to take with regard to the roadways in question, and as it does not appears that the Surveyor-General has had all these plans for examination these files should be sent to him for that purpose. If you prefer I will prepare a memorandum to him, although it seems to me it would save difficulty and perhaps mistake in future if all such matters were dealt with under some settled practice. Action would then become purely a matter of routine.

Persons writing to the Department about lands desired (& may be allowed to criticize) to be sometimes asked for "a plan" without due consideration, and without stating whether what is intended is "a plan of survey (i.e. a D.L.S.)" : some persons in the course of a survey made, others furnish a plan, perhaps signed by a D.L.S. but which could be as well made by any one else.

Would it not be advisable that when a survey is needed, instructions for it should be issued by you? Then surveyors could be told in what shape to make their returns, and some degree of uniformity attained.

returns should be of course filed in the Department. These plans are of no value as evidence of the survey having been made; in some of the cases at least it is not at all probable that a survey has been made. Mr Goodeve states in two cases that there has been a survey, while Mr Pereira referring to four other cases states there has been none; it is not clear what their authority was.

If no survey be necessary — and the Department has not, so far as these files show, ever asked for a survey — it seems of no consequence whether these plans are correct or not; the transfers have been made according to the descriptions in the deeds, which clearly define the land, and have been accepted for that purpose.

To Surveyor General

These files are referred here in connection with the plans of land for roads in seven quarter sections in which plans Dan'l Rothwell thinks should be examined in this office.

The said "plans" appear to be matters showing the description indeed illustrating the description which have been executed to transfer the interest in certain land.

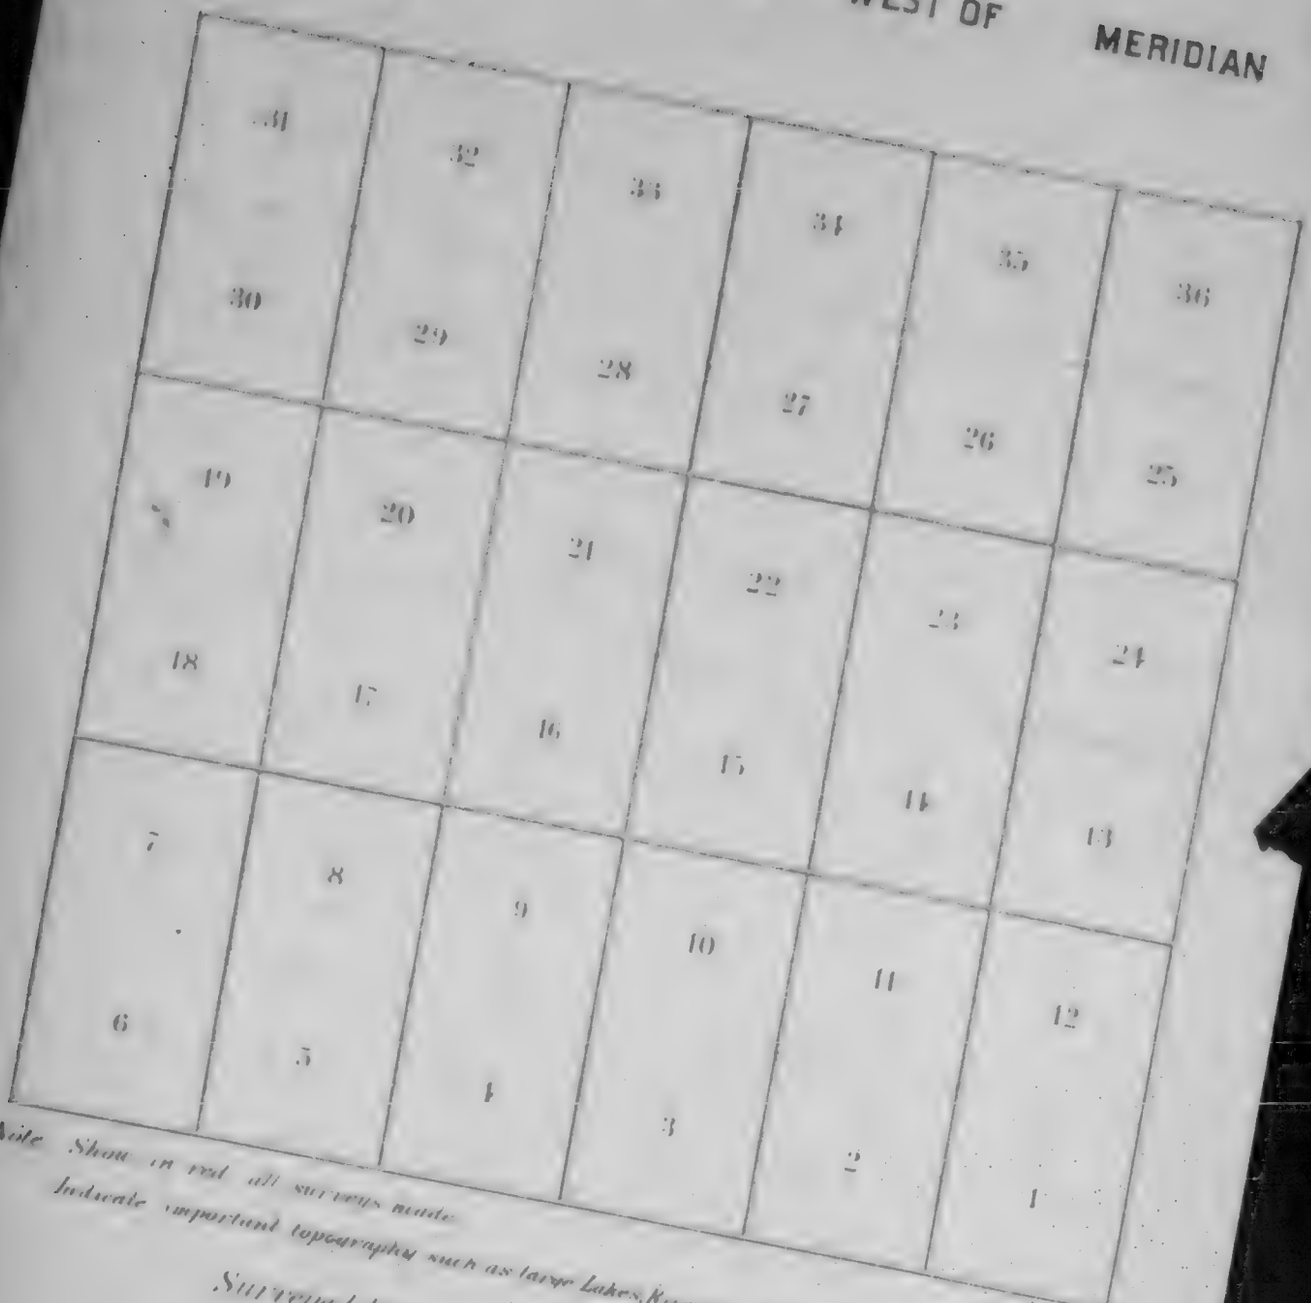

Better sketches could have been made here with very little trouble if required for convenience of reference.

The Department has accepted the deed as sufficient to have action on in reserving land for roads and I would respectfully suggest that we should be simply wasting time in making any examination of these plans.

If it is necessary in these cases that a survey should be made then prefer returns

Memorandum

Herewith I submit a memorandum from Mr. Symes respecting the plans of roads sent to this office for examination: I concur in his remarks and I believe that it would be a waste of time to undertake the examination.

I respectfully submit that time would be saved and business expedited, if, when plans or descriptions are wanted, they were asked from this office and not from parties who do not understand what they are asked to furnish. When surveys are needed which have to be approved and confirmed, I think that they should be made under instructions of the Surveyor-General.

the Territories are dealt with in various ways according to circumstances, but in only one instance is reference made to the Lieutenant Governor in Council, namely, that in Section 107 of Chapter 50 R.S.C. The Council there referred to was that created under authority of Section 17 of the said chapter, and which was abolished when that section was repealed by Section I of Chapter 19 of 51 Victoria. It may, of course, be stated that, under the interpretation clauses (vide clause (c) Section 2 Chapter 50 R.S.C.), the term Lieutenant Governor in Council, since the creation of the Legislative Assembly in succession to the old North-West Council, means the Lieutenant Governor of the Territories by and with the advice and consent of the Legislative Assembly of the Territories, but in that case you will perceive the impracticability of the course suggested. Under the Territorial Ordinances (vide sub:Section 6 Section 8 Chapter I Revised Ordinances 1888, as amended by Ordinance No. 3 of 1891-92) another meaning is given to the expression Lieutenant Governor in Council, and for purposes under the Ordinances it refers to joint action by the Lieutenant Governor and The Executive Committee of the Territories, but The Executive Committee has no status in the premises, as by Section 17 Chapter 17 of 57-58 Victoria The Committee is only authorized to advise His Honour the Lieutenant Governor in relation to certain specific matters, among which is not mentioned that of roadways.

It is therefore difficult to conceivethe reason for the continued reference to the Lieutenant Governor in Council in communications from your Department relating to roadways.

All roadways,

All roadways, by Section 107 Chapter 50 R.S.C., the plans of survey of which have been duly approved, are subject to the control of the Lieutenant Governor in Council, as defined by the Statute, without any action being necessary on the part of the North-West Government. These two roads have been surveyed, and the plans filed with your Department for approval. The transfers and quit claim deeds already obtained vest the title to such portions of these roads as they refer to in the Crown, and there the matter would appear to end so far as action by the North-West Government is called for. Without pressing the point unduly, I am to draw your attention to the fact that no where in the Act is action by the Lieutenant Governor in Council, under any definition, required in dealing with roadways.

It is also stated in the Assistant Secretary's letter that the plan of the roadway across the north-east quarter of Section 14-38-27 W 4 M, homesteaded by James Rice, shows portions of Sections 13, 15, 16, 20 and 22, and that this is the only intimation on file in the Department of new roadways being required across Sections 13, 15, 16 and 22. In this connection I am to say that, as the plan just referred to will show, there is only one continuous roadway running through a number of Sections. Beginning at its easterly end the roadway crosses the north half of Section 13. This Section, together with Section 15 through which the road also passes, belongs to The Saskatchewan Land and Homestead Company, with which negociations have not yet been completed. Between Sections 13 and 15 the road passes through the north half of Section 14, the east and west quarters of which were homesteaded by James Rice and Watson

Macdonald

Macdonald respectively. For the land occupied by the roadway through these two quarter Sections, quit claim deeds are filed in your Department as before stated. For that portion of the roadway diverging into Section 22 a transfer was obtained from John J. Gaetz and registered, the certificate of title being held by The Executive Committee. A transfer has also been obtained from the Red Deer Townsite trustees for that portion of the roadway crossing the north half of Section 16. The transfer has been registered, and the certificate of title is held here. Title has been similarly obtained to the south-east quarter of Section 20, and quit claim deeds from George S. Wilkins and Henry Summer Stent are filed for those portions of the road passing through the north-east and north-west quarters respectively of the same Section. It is trusted that it will now be clear that all the Department is desired to do with respect to what may be referred to as the Red Deer road is to reserve from patent such portions of the road as cross the north halves of Sections 14 and 20 and to have the title to the roadway through these Sections vested in the Crown. I am here to ask that The Executive Committee may be informed what further steps, if any, can be taken to assist the Department to this end.

With reference to that part of the Assistant Secretary's letter referring to the Innisfail road through Township 35 W 4 M, and the fact that the plan and description of the road shows that it is to cross the south-west quarter of Section 38, patented to Alfred S. Carter upon April 19, 1892, but for which no grant appears among the documents filed, I am to say that The Executive Committee holds a certificate

of title

of title to that part of the road, it having been purchased from Mr. Carter. I am further to say that it was in connection with the other three quarter Sections through which this road passes that Mr. Rothwell, in his memorandum of July 13 last, informed you in effect, it is understood, that payment by The Executive Committee to the homesteaders, before patent, for the land expropriated for the purposes of this roadway would not bring the transfer under the operations of clause 42 of The Dominion Lands Titles Act. I am to ask that The Executive Committee may be informed if this understanding is correct and may be applied in any other similar case that may arise.

I am, Sir,

Your obedient servant,

Clerk of The Executive Committee.

additional to the road allowance as determined by the original survey.

The Executive Committee has had these two roads surveyed and has obtained transfers to the Crown of such portions as passed through land which was patented at the time of survey. Quit claim deeds were obtained for other portions which passed through unpatented lands, and which are filed with your Department in order that the land taken up by the roadways might be reserved when patents were issued. This your Department agreed to have done, but afterward under date of May 7, 1895 (letter 378910 on file 363049), Messrs, Hamilton and Robson, Advocates, of Regina, who had previously acted for The Executive Committee in the matter, were informed that before the land could be vested in the proper quarter for the purposes of the Government of the North-West Territories the first action necessary to carry out the object in view was for the Lieutenant Governor in Council to make a request to that effect, upon the receipt of which by the Department, steps, it was stated, would be taken to ask His Excellency the Governor in Council to pass the title to the land occupied by these roadways to the Lieutenant Governor in Council to be used for such roadways. It was further stated that the same action was necessary in cases which were the subject of Departmental communications to Messrs Hamilton and Robson on files 359744 and 359742.

In official letter hence of June 17 last your Department was requested to inform The Executive Committee under what section of The North-West Territories Act the suggested procedure could be taken. Under the Act, roadways in the Territories

Sir,

I am directed to acknowledge receipt of the Assistant Secretary's letter of the 18th instant, file 363049, dealing with certain roadways therein set forth, and a memorandum in connection therewith submitted to the Deputy Minister by Mr. Rothwell, Law Clerk of your Department.

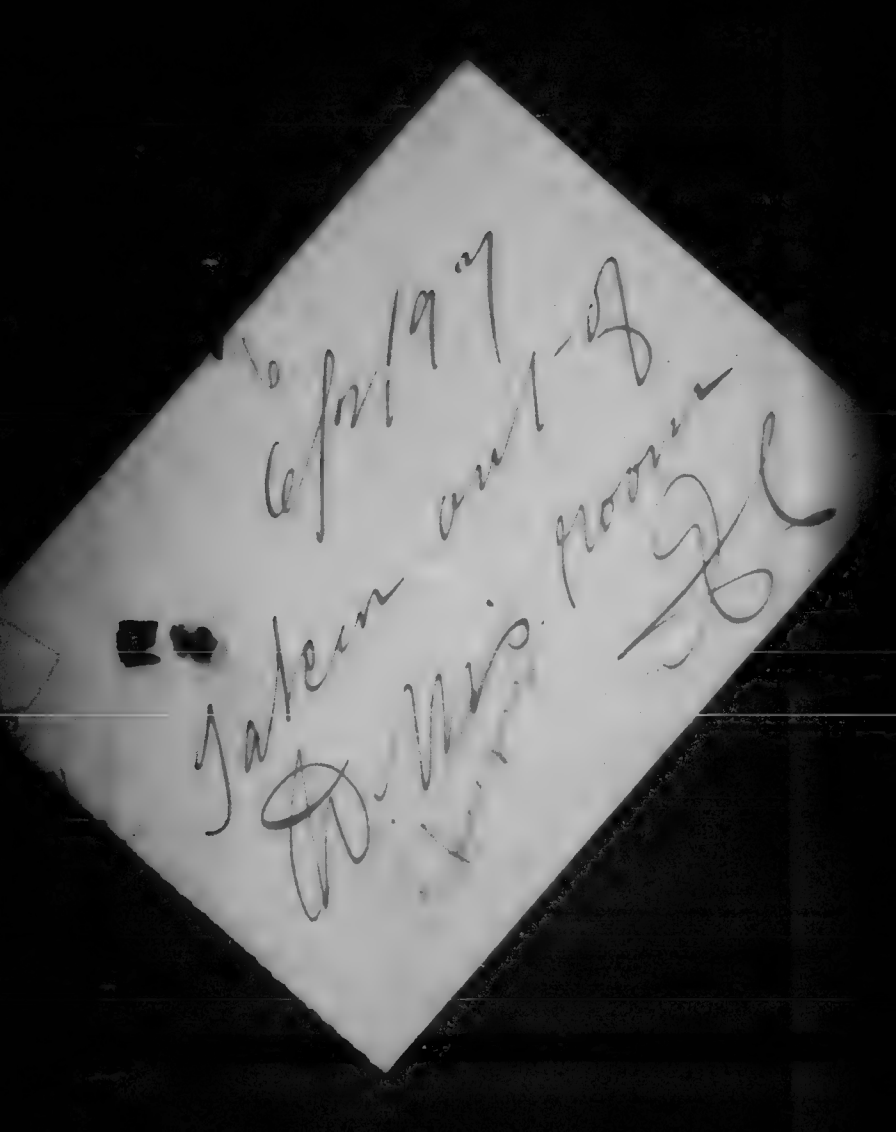

In order that the matter may be clearly explained, I am first to premise that you are aware that two roadways are involved. One, that in Township 38-27 W 4 M, runs through the town site of the Village of Red Deer and is continued in an easterly direction to the boundary of the township. This road also traverses Section 20 in the same township which lies to the north-west of Red Deer. The other road, that in Township 35-1 W 5 M, lies west of Innisfail.

Both these roads are of the same class. They are not roads opened up in lieu of other roads, and Mr. Rothwell was correct in his view of the matter as presented in his memorandum of July 13 last. They are simply roads established for the public convenience by the North-West Government in places where the road allowances according to the Dominion Lands system of survey do not furnish suitable accommodation. Dear Mr Deville,

It seems to me that before we go to Council in this matter - I mean of course before I prepare the above memorandum for Minister and before he presents it to Council - any further action you may have to take as Surveyor General, should be taken here. So far as I am aware your views are set out fully in your memo to the Deputy of the 23rd ult. & the accompanying memo from Mr Symes. The idea I proceed in the latter memorandum I had in mind when my memo of the 18th ult to Mr. Clayton was prepared, and although I refer in that memo only to the Saskatchewan, the principle would apply to the Peace River country as well. Sir,

I am directed to inform you that the necessary consent of His Excellency the Governor General in Council will be asked forthwith to the opening of the two roadways referred to in your letter of the 30th January last, namely, the roadway which passes through the North West quarter and the North East quarter of Section 14, and the North West quarter and the North East quarter of Section 20, in Township 38, Range 27, West of the 4th Meridian, and the roadway which passes through the South East quarter and the South West quarter of Section 35, and the South East quarter of Section 36, in Township 35, Range 1, West of the same Meridian, and that at the same time His Excellency in Council will be asked to transfer to the Territories so much of each of the quarter-sections above mentioned as is comprised in either of such roadways for the public uses of the Territories, upon condition, in the case of such roadway, that no part of it shall be closed up, or varied, or sold or otherwise alienated without the consent of His Excellency the Governor in Council but that until such consent be required and obtained, the legal

With reference to the statement in your letter that "These two roads have been surveyed and the plans filed with your Department for approval," I am to inform you that such plans were referred to the Surveyor-General for examination and for approval and that he reported to the Deputy Minister as follows :-

"Herewith I submit a memorandum from Mr. "Symes respecting the plans of roads sent to this "office for examination : I concur in his remarks "and I believe that it would be a waste of time to "undertake the examination.

So that the Executive Committee may be fully advised as to the objections of the Surveyor-General to examine the "plans" in question, I am to enclose, herewith, a copy of the Memorandum he refers to in his memorandum, above quoted.

A consideration by the Committee of this memorandum will lead, it is hoped, to a uniform and proper system of survey. Another point to which reference must be made in this communication is what is stated in your letter with regard to the

"continued reference to the Lieutenant Governor in Council" in communications from your Department relating to roadways. Since the receipt of your letter a number of letters which have been prepared by different officials of this Department respecting roadways have been examined, and in no instance has it been found that it has been stated that any action by "the Lieutenant Governor in Council," is required, in dealing with roadways.

This term is twice used in Mr. Rothwell's memorandum of the 15th July last, and once in my letter of the 16th ~~July~~ August last, but it is used in the same sense in your own letter of the 30th January last, namely: when referring to roadways "as being vested in the Lieutenant Governor in Council" for the public purposes of the Territories, and although your very interesting remarks as to the different meanings of this term, and the Acts and Ordinances therein mentioned have been carefully considered it does not appear that the term is improperly used when used in the above sense. If the term was used in any communication which you have received from this Department in the other sense referred to in your letter, namely, as intimating some action by "the Lieutenant-Governor in Council" in closing up or varying any old roadway, or opening up a new roadway, it was of course incorrectly used.

In reply to the question at the close of your letter, I am to state that the Executive Committee correctly understand the position taken by the

Department

Department with regard to the operation, or more correctly speaking, non-operation, of Clause 42, of "The Dominion Lands Act," and its amendments, as to transfers of the class referred to in your letter. That position may be stated in a few words here :-

Where the transfer is in favour of the Crown, or where the land is expropriated the homesteader is not committing a breach of the provisions of Clause 42, and payment for the land so taken whether taken by the Crown, by the Executive Committee, or ~~any~~ any Railway Company or corporation having authority to expropriate lands for public purposes, is not contrary to the provisions of the clause under consideration, and does not render the homestead's entry liable to forfeiture and cancellation.

I am to add that the Surveyor-General has reported that the descriptions in the transfers from Watson MacDonald, James Rice, W.S.Stent, G.S. Wilkins, James Borrm, John Brown, and Alfred S. Carter, are sufficient for use in the proposed reference to Council, and in the reservation of the roadways, in each instance, in the above named homestead's patents for the quarter-sections in question, respectively, and that, therefore, no further surveys or plans of such roadways are required here as the lands so reserved from these quarter-sections

for

for such roadways, will be vested in the Territories not under the provisions of Section 107 of Chapter 50, R.S.C., but under the authority of the proposed Order in Council.

I am, Sir,

Your obedient servant,

Assistant Secretary.

That the Executive Committee has obtained from each of the persons above named, and has filed in the Department of the Interior conveyances or releases in favour of Her Majesty Queen Victoria which have been found satisfactory, of that portion of the homestead quarter-section of land set opposite their respective names which was and is required for either of the two roadways before mentioned ;

And that the Executive Committee has therefore requested that the consent of Your Excellency in Council be obtained to the opening of these two roadways, and that the lands comprised within their respective boundaries be transferred to the Territories, the legal title thereto to remain in the Crown for the public uses of the Territories.

The undersigned believing that the consent of Your Excellency in Council to the opening of the two roadways before mentioned should be granted, recommends accordingly, and he also recommends that the lands comprised within the boundaries of either of the two roadways be transferred to the Territories to be the property thereof, the legal title thereto remaining in the Crown for the public uses of the Territories, subject to the usual condition that neither of these two roadways shall be closed up, nor its direction varied, nor any part

of the land comprised therein be sold or otherwise alienated, without the consent of Your Excellency in Council.

Respectfully submitted.

Extract from a Report of the Committee of the Honourable the Privy Council, approved by His Excellency on the 20th March, 1897.

--------ooo--------

On a memorandum dated 20th March 1897, from the Minister of the Interior, stating that it has been reported to him by the Executive Committee of the North West Territories, that two roadways - one in Township 38, Range 27, West of the 4th meridian, and the other in Township 35, Range 1, West of the 5th Meridian, have lately been opened by and established for the public convenience in places where the roads allowances according to the Dominion Lands system of survey do not furnish sufficient accommodation.

The Minister states that one of such roadways passes through the following lands, amongst other lands:-

N. W. ¼ - 14, 38, 27 W. 4th Meridian homestead of Watson McDonald.

N. E. ¼ - 14, 38, 27 W. 4th Meridian the homestead of James Rice.

N. W. ¼ - 20, 38, 27 W. 4th Meridian the homestead of H. S. Stent; and

The Honourable N. E.

The Minister of the Interior.

(Continued P.C. 733, 25th March 1897)

N. E. ¼ - 30, 33, 27 W. 4th Meridian the Homestead of G. L. Wilkins.

That the other of such roadways passes through the following lands, and not other lands:-

S. E. ¼ - 35, 35, 1 W. 5th Meridian the Homestead of James Brown;

S. W. ¼ - 35, 35, 1 W. 5th Meridian the Homestead of John Brown; and

S. E. ¼ - 30, 35, 1 W. 5th Meridian the Homestead of Alfred F. Carter.

The Minister further states that the Executive Committee has obtained from each of the persons above named, and has filed in the Department of the Interior conveyances or releases in favour of Her Majesty, Queen Victoria, which have been found satisfactory, of that portion of the homestead quarter-section of land set opposite their respective names which was and is required for either of the two roadways before mentioned.

And that the Executive Committee has therefore requested that the consent of Your Excellency in Council be obtained to the opening of these two roadways, and that the lands comprised within their respective boundaries be transferred to the Territories, the legal title thereto to remain in the Crown for the public uses of the Territories.

The Minister believing that the consent of Your

Excellency

(Continued P.C. 731, 25th March 1927)

Excellency in Council to the opening of the two road-ways before mentioned should be granted, recommends accordingly, and he also recommends that the lands comprised within the boundaries of either of the two road-ways be transferred to the Territories to be the property thereof, the legal title thereto remaining in the Crown for the public uses of the Territories, subject to the usual condition that neither of these two roadways shall be closed up, nor its direction varied nor any part of the lands comprised therein be sold or otherwise disposed without the consent of Your Excellency in Council.

The Committee submit the foregoing recommendations for Your Excellency's approval.

The Executive Committee

RECEIVED

Sir,

I am directed to acknowledge the receipt of your letter of the 13th ultimo, Ref. 363049, informing me that the consent of His Excellency the Governor General in Council will be asked to the opening of the roads through the north halves of Sections 14 and 20 in Township 38 Range 27 West of the 4th Meridian, and through the south half of Section 35 and the south east quarter of Section 36 in Township 35 Range 1 West of the 5th Meridian, these being the roads referred to in my communication of the 30th January last, and also that the roads in question will be transferred to the Territories for public use, after the assent of His Excellency is obtained, on condition that they be not closed up or otherwise alienated without the consent of His Excellency the Governor General in Council.

In reply I am to express the thanks of The Executive Committee for the promised action in this matter, as it will enable The Committee to get the question of the location of these roads and their improvement finally settled.

Replying to your remarks in the letter of the above date, regarding use of the term "The Lieutenant Governor in Council" in correspondence with the Department relating to roads,

The Secretary,

Department of the Interior,

Ottawa. Ont/

423346

APR 20 1897

to roads, I am to say that the explanations given in my letter of date above mentioned will serve to illustrate the confusion which has arisen regarding this matter, but I would also point out that these explanations also make it clear that the use of this term in the letter of the Assistant Secretary to Messrs. Hamilton and Robson, Advocates, Regina, dated May 7, 1895, the letter of the Assistant Secretary to the same firm dated the 18th January, 1896, the memorandum from Mr. Rothwell to the Deputy Minister dated the 13th July, 1896, and the letter of the Assistant Secretary addressed to me on the 18th of January last, all dealing with the question of the road, is misleading. It is true the term is used in my letter of the 30th January last, but it is only used there in quoting the information conveyed by the Department to Messrs. Hamilton and Robson in the letters above referred to, or as defined by the Statute.

It would seem unnecessary to press this matter any further, but as an instance of the erroneous views held regarding the positions of the Lieutenant Governor and The Executive Committee with respect to the point under discussion, your attention might be directed to the Assistant Secretary's letter of the 25th ultimo on file 421816, where it is suggested that if The Executive Committee takes a particular view of the subject therein referred to, the Lieutenant Governor might take certain action. It might here be pointed out that, under The North-West Territories Act, the Lieutenant Governor has absolute control of these matters, The Executive Committee having no authority to advise His Honour on such subjects, and it is on account of

this fact

42344 APR 20 1897

this fact having been lost sight of that so much confusion has arisen. With respect to that part of your letter stating that a number of letters prepared by different officials of your Department respecting road ways had been examined, and that in no instance was it found that it had been stated that any action by "the Lieutenant Governor in Council" was required in dealing with roadways, I might refer you — merely as indicating the basis upon which my statement was made —— to your letter of December 8, 1896, Ref 415165 on 90051-2; the letter of the then Deputy Minister of December 4, 1896, Ref 414979 on 345204; and the Assistant Secretary's letter of January 11, 1897, on file 6E183. These letters were all written to Mr. R.B. Gordon, the Lieutenant Governor's Secretary, and transmitted to The Executive Committee on account of the references made therein to the Lieutenant Governor in Council. I refrain from mentioning other similar communications.

I have set forth very fully in my letter of the 30th January last the peculiar position in which The Executive Committee stands regarding the matter of roads and trails, but the question is of such importance to the successful working of the Public Works administration in the Territories, that it may be well to again state the facts concisely. Under the present Governmental organization in the Territories His Honour the Lieutenant Governor deals with certain questions delegated to him by statute, including the matters of road allowances and old trails, and The Executive Committee has no voice in these matters, as they are not among those regarding which the Committee is authorised to advise His Honour. As a consequence of this divided authority, much confusion and delay results in attempting to improve

improve these roads for public travel or in making any changes in portions of the road allowances or trails when such changes are needed. Referring to the statements made by the Surveyor-General in his report to the Deputy Minister regarding the plans filed in connection with the particular roads referred to in your letter of the 18th ultimo, I am to say that it is proposed to have all roads of this character surveyed in the future by the District Engineers who have lately been retained to take charge of the Public Works Districts in the Territories. As these gentlemen are all duly qualified Dominion Land Surveyors, and will perform the work and prepare the returns of the same under a definite manual of instructions, the returns of such surveys will no doubt be found to contain the information required. The suggestion that such surveys should be made only under instructions from the Surveyor-General is not considered practicable, as these surveys are not of a character that come within the survey provisions of the Dominion Lands Act, or the Manual of Instructions relating to such surveys, and it would be impossible to ask in every case for instructions for the survey of each small piece of road way which the North-West Government may desire to acquire, either by purchase from the owner of the land affected or by arrangement with the Department regarding lands still owned by the Crown. It is assumed that, provided the survey is properly made by a duly qualified surveyor, and returns of such survey, in so far as it affects lands of the latter kind, prepared in a manner satisfactory to the Surveyor-General so that they can be approved by him for

record

Sir;-

I enclose the application of Mr. A. S. Dew to purchase certain lands within his leasehold.

They form two blocks and are as compact as can be desired. To protect his interests, buildings and other improvements, he requires two parcels. The only question that can be raised is as connected with the N.W.C. 28 - 8 - 2 west of the 5th decision, Hudson's Bay Company Section, and although as far as the Company is given their requirements that it will accede to the proposed exchange, I do not yet despair of arranging the same.

The case of the School right, however, is cleared out, if eventually the said School Section can be arranged for, well and good.

Dear Mr. Symons,

Referring to our conversation in relation Mr. A.B. Few's indebtedness to the Crown for the rent of certain grazing lands in the District of Alberta, I desire to place in writing what I informed you verbally, that only those lessees who paid their rental are entitled to purchase ten per cent of their leasehold, and that it would be well, therefore, for your client, if not able to pay the full amount due to the Crown for rent, to make at once a substantial payment on account, and to pay the remainder at an early date.

Please advise me what Mr. Few intends to do in the matter, as some arrangement must immediately be made for the payment of the rent.

Sir,

Referring to my letter of the 4th November last, respecting the sale to the estate of the late A. B. Few of lands which he applied for permission to purchase as one-tenth of his leasehold, such lands being in Township 8, Ranges 1 and 2, West of the 5th Meridian, I am directed to say that the terms of the above mentioned letter must be complied with within a period of thirty days, and, if not, the lands in question will have to be otherwise disposed of, as applications are being received here to make entry therefor.

I am, Sir,

Your obedient servant,

Assistant Secretary.

Sir,

Referring to your letter of the 17th ultimo, asking if you will be allowed to make entry for the S.E.¼ of Section 34, Township 8, Range 2, West of the 4th Meridian, I am directed to say that this land is, as you are aware, reserved for sale to the heirs of the late A.B. Few as a portion of his leasehold. The heirs have not as yet paid the purchase money of the quarter-section in question, and the solicitor of the deceased is being written to for the purpose of ascertaining if the purchase money will be forthcoming.

I am, Sir,

Your obedient servant,

Assistant Secretary.

sections. The odd being railway lands and within the tract granted to the Calgary & Edmonton Railway payment will have to be made for such in cash, while the even numbered sections can be paid for in scrip; The reason for this being that the Government has to account to the Railway Company for all moneys received on account of the purchase of the odd numbered sections.

The odd numbered sections show an area of 1203 acres, which at $1.25 per acre makes the principal $1503.75, four instalments of one-tenth each due on the 1st May, 1897, $601.50, interest for three years on $1503.75, $270.69, making a total of $872.19 due this date which must be paid for in cash.

You will observe that in the odd numbered sections there has been omitted that portion of the North West quarter of Section 33, Township 8, Range 1 West of the 5th Meridian, lying west of the Old Man's River, which in a communication, dated the 20th March last, addressed to Mrs. A. B. Few, she was told she could purchase at $1.00 per acre; and in the even numbered sections there has been omitted the East half of the North East quarter of Section 32, in the same township, for the reason given in the preceding land, these two portions being lands occupied by the late Mr. Few as his homestead and coral. Sir,

With reference to your letter of the 14th ultimo enclosing draft for the sum of $895.06, and scrip notes amounting to $1040.00, on behalf of the A. E. Fee's estate, for lands purchased by that estate which were at one time portion of the leasehold; I beg to say that the same is satisfactory, receipt No. 44 for the cash and scrip being sent you on the 20th ultimo.

It is observed, however, that the amount in question owing to the estate by the estate in the payment of the even numbered sections to the extent of $218.70, as you will see by the accompanying statement which shows a balance in favour of the estate. I enquire that you have included in the amount to be paid the land as allowed to the estate of the late Mr. Fee as a homestead, which has to be deducted from the amount to be paid. To enable you to rectify this discrepancy, if you will be good enough to remit here the sum of $21.30, one of the scrip notes for $240.00 will be returned to you.

You ask in the concluding paragraph of your letter if the Government will allow you as a discount upon payment in full for the odd numbered sections. In reply

I beg to say that a discount cannot be allowed you by paying at once for these odd numbered sections, but a payment made in this manner of course would save you interest which is now accruing at the rate of 6% per annum. If the late Mr. Few died subsequent to the coming into force of the Territories Real Property Act, a patent will issue to his personal representative, or representatives, and it will be necessary, therefore, to fyle here either Letters Probate of his last Will and testament, or Letters of Administration, either of which may be correct.

With reference to your letter of the 8th ultimo, asking that the exemplification of the probate of the late Mr. A. M. However, if a certified copy of the exemplification will answer your purpose, I will see that such a copy is made and forwarded in accordance with your request. Please let me know if this will be sufficient.

Sir,

Referring to your letter to me of the 4th ultimo, stating that it is the practice of the Department to retain documents such as the Exemplification of Probate in this case, I would beg to point out that this practice is calculated to give the public much inconvenience as also to cause them expense. This particular document has been registered at various offices, including the local Land Registry, and bears on it the various memoranda of registration, to which it may be necessary from time to time to refer, and it is impossible for me to obtain a duplicate of these. As you will see from the stamp impressed on it, the cost in England, quite apart from the office fees for preparing it, was not inconsiderable.

Under the circumstances, I would ask you to return it to me and I enclose for filing, a certified notarial copy which I had made for my own use, and which I trust you will be satisfied with.

I also enclose original receipt from the Bank of Montreal here for $204.12½ deposited by me to cover the 5th instalment of purchase money and interest pursuant to your letter of 1st instant.

Sir,

A.B.Few's Estate.

Referring to your letter of the 2nd current, it appears that owing to inadvertence, the certified copy of the Exemplification was sent to me instead of the original parchment, and I therefore return it. Will you be so good as to give directions for having the Exemplification sent to me in due course?

I note your observation as to the shortage of 33¢ in the amount of the 6th instalment, and I will see that this is discharged with the next payment as you propose. I believe however that it is the intention of the Executors to pay off the balance of purchase money at an early date.

Mr. Smart.

On the 28th ultimo Mr. Winnmill, Barrister of Toronto, and Mr. Hanton, representing the Calgary & Edmonton Railway Company, saw the Minister in his office with reference to a sum of money collected by this Department for lands which had been sold to leaseholders and which form a part of the Company's land subsidy.

The Minister in my presence promised that the money collected by the Department, less the fees for the survey of the lands sold, be paid to the Company, and instructed me to advise Mr. Goodeve to that effect and to see that cheques were forwarded to the Company within one week.

Respectfully submitted,

Memorandum:-

I understand that the arrange ent made between the Honourable the Minister of the Interior and the Calgary & Edmonton Railway Company, in regard to the payment of the moneys received on account of odd numbered sections purchased by the holders of ranche lands, is that such moneys should be paid over to the said Company less the amount due for survey fees, if still unpaid.

Time Sale No. 4895 covers an area of 1203 acres purchased by the A. B. Few Estate, on which the sum of $1087.19 has been paid. The survey fees, amounting to $120.30 have not been paid, and therefore this latter sum must be deducted from the amount to be paid over to the Company.

I recommend that the sum of $966.89 be paid to the Calgary & Edmonton Land Company, Limited, that is, $1087.19 less survey fees unpaid $120.30, balance $966.89.

Sir,

Your letter, Ref. 363448 of 2nd inst addressed to A.M. Grogan, Calgary as agent for the Few Estate, has come into my possession, as the Estate is now in my hands, and I note that an amount of $188.16 is due to the Department on account of the purchase money for portions of certain odd numbered sections in Townships 8 & 9, Range 1 & 2, west of the 5th Meridian, purchased by the late A.B. Few.

Please instruct me if the above amount of $188.16 may be paid here in Scrip in the ordinary way. I ask this question as I notice that in your letter under reply the words "or Scrip" coming after the words "payments ~~xxxx~~ may be made in cash" have been erased. If separate amounts of Scrip are necessary to make the payments on the different Sections or quarter Sections I can obtain Scrip Certificates from Messrs Alloway & Champion of Winnipeg for each separate amount required, these gentlemen having made arrangements for the payment of odd amounts in Scrip at the Calgary Land Office. If on the other hand it is not necessary to apply separate pieces of Scrip to the payment due on each Section or quarter section I can pay the above amount with one Scrip for $160.00 and a Scrip Certificate for 28.16.

As soon as I receive your directions as to these points I shall be prepared to make the necessary payment.

Sir,

I beg to acknowledge the receipt of your letter of the 7th instant, asking to be informed if the amount of $188.16, due this Department on account of the purchase by the A.B. Fow Estate of portions of certain odd numbered Sections in Townships 8 and 9, Ranges 1 and 2, W. 5th M., can be paid in scrip, and in reply to say that it cannot as this Department is responsible to the Calgary & Edmonton Railway Company for the purchase money for the lands in question, and consequently the amount must be collected in cash. The purchase money upon the even numbered sections will be accepted in scrip, but not on the odd numbered.

Sir,

With reference to your letter of the 20th ultimo, File 8885, addressed to Mr. T. O. C. Lee, of Calgary, a copy of which was forwarded here for the information of this Office; I have to say that you are correct in your assumption that the even numbered sections sold to the A. & P. Co. have been paid for. They have also been patented. In my letter to Mr. Lee, of the 15th ultimo, it was intended to inform him that scrip could be accepted in payment for even numbered sections, in the case of odd numbered sections of each township. Please be good enough to explain to Mr. Lee that the question of scrip in payment of even numbered sections was not intended to mean that the even sections sold to the Pacific Coast had not been paid for.

Sir,

I am in receipt of your telegram of yesterdays date reading :-

"Balance south east twenty seven and all thirty five eight ' two ' west fifth ' including amount due south west thirty three eight one and east half .five ' nine ' one ' embraced in one sale amounts four hundred fifty one dollars thirty six cents and interest from 1st May last"

for which I beg to thank you.

In the description of lands given in above telegram there appear to be two clerical errors, as the south east quarter of twenty seven should read the N.E.1/4 of same section and the east 1/2 of 5,2,1 should read the S.1/2 of 5,2,1. You will find that the lands are all correctly described in a letter to the Interior Office of the 26th April last (No. 2425) of which you doubtless have a copy.

I enclose herewith named cheque for sum being amount taken by you viz 451.36 with interest at 6% from 1st May, last to 12th inst., by which date this letter should reach you. Please acknowledge the receipt of my cheque and kindly issue the patents for the lands with the least possible delay, as it is a matter of great importance to the Executors of the Estate of the late A.E. MEMO.

L.C.

363448.

Ottawa, 9th May, 1905.

MEMORANDUM:

The Deputy Minister of the Interior,

The Department sold certain lands to the A.B. Daw estate, comprising 1a is subject to the grant to the Calgary & Edmonton Ry. Co., and it was agreed with the Calgary & Edmonton Land Company, the assignee of the Railway Company, that the proceeds of the said were to be accounted for to the Department to the Land Commissioner of the Company at the rate of 1% as commission for the collection of the accounts. The sum of $233.30 is now held here and can be transferred to the Company upon the payment of the commission $2.34.

Will you kindly authorize the transfer of the money as above mentioned when it is paid?

Respectfully submitted,

Ottawa, May 29th, 1905.

363-48.

Memorandum:

Mr. Cory:-

With reference to the amount of $653.80, less amount charged for collection, 1%, which Mr. Goodeve asks your authority to pay over to the Calgary & Edmonton Land Company, the assignee of the Calgary & Edmonton Railway Company.

The accounts of these sales have all been kept in Mr. Goodeve's Branch and all matters connected therewith dealt with in that Branch.

It might be explained here that certain leaseholders whose leases covered lands in the land grant territory of the Calgary & Edmonton Railway were allowed, about the year 1893, to acquire portions of their leaseholds, on payment of the lands at $1.25 per acre.

By Order in Council dated June 10th, 1895, the Minister was given authority to pay over to the Calgary & Edmonton Railway Company the proceeds of the sale of the odd numbered sections less a pro rata I have of any cost incurred for collection which share was afterwards fixed, and agreed to by the Company, at 1%.

In the case of the payment now in question the amount is the final payment on the lands acquired by the A. E. Few Estate.

DOMINION LANDS ADMINISTRATION

May 20th, 1929.

Gentlemen,-

As you are aware, this Department, on 19th August, 1897, sold to A.B. Pew Estate as ranching lands, 1203 acres comprising the following lands.

Part SW¼	Sec.33	Twp.8	Rge.1,	W.5th Mer. W. of River
S½	Sec. 5	Twp.9	Rge.1,	W.5th Mer.
NW¼	Sec.27	Twp.8	Rge.2,	W.5th Mer.
All	Sec.36	Twp.8	Rge.2,	W.5th Mer.

These lands were accepted by the Calgary and Edmonton Railway Company as part of their land subsidy, and the moneys collected by this Department from the sale were refunded to the Calgary and Edmonton Land Company under authority of an order signed by the Calgary and Edmonton Railway Company on 6th August, 1897, and forwarded to this Department.

Upon completion of the terms of purchase, letters patent were issued for the surface rights, the minerals being reserved in the patent, and action is now being taken by us for the issue of a grant for these minerals to the Calgary and Edmonton Railway Company as no assignment of any of their rights in these minerals has been filed in the Department.

for the purposes intended. At the time I visited the section in question, namely, on the 23rd ult, there was a nice stream of water running along the said creek so that his statement dated the 22nd May last addressed to Frank Oliver, M. P. in which he stated that there was not a drop of water on the quarter section in question, is incorrect. However the reservation supposed together with the improvements which will be made by the construction of the reservoir, will give him the object sought for. all he desires and protect his stock unless

The reservoir in question was asked for, Thibaudeau advised me that he had purchased the S. W. ¼ of 21 from the Railway Company in June last and paid the first instalment thereon. The said quarter section is more favourable for residence purposes than the N. W. of 16 and as he has his buildings thereon it would be advantageous all round, if he could purchase the said quarter section I think it might be arrived at in this way, let him pay sufficient amount on the quarter he is as now purchased so that the C. & P. Railway Co would be satisfied with taking as security for the payment, the N. W. ¼ of 16, then let the Company exchange the S. W. ¼ of 21 for the N. W. ¼ of 16; when that exchange is made, Thibaudeau may be granted homestead entry to it. It seems to me that is the most advantageous solution of the question that presents itself.

Re yours of the 23rd ult, ~~14191~~ on 364082. Being in the neighborhood of Pincher Creek about 10 days ago I took occasion to visit the claim of Mr. J. B. Thibaudeau and found that he is a settler worthy of every favorable consideration. He has done remarkably well.

With regard to the reservation of the N. W. of 16 for stock watering purposes, he is quite willing to waive any claim thereto to the following described parcels;

Commencing at the N. W. angle of said quarter section, thence south along the westerly limit of said quarter section, 11 chains; thence N. E. to a point on the northerly limit of said quarter section, distant 7 chains measured along said limit from the N. W. angle of said quarter section; thence west along said northerly limit of said quarter section 7 chains to the place of beginning, containing 6 and three fourths acres.

Mr. Thibaudeau has constructed a ditch which will enable him to irrigate a very considerable portion of the N. W. ¼ of 16 and he also has a ditch partially constructed which will irrigate some 30 acres of the S. W. ¼ of 21. To carry out his irrigation scheme it is necessary that a reservoir should be constructed on a portion of the E. ½ of 17 reserved for stock watering purposes. The construction of such a reservior will considerably improve the value of the reservation for

Sir.

See yours of the 6th Inst. Letter No. 351149, Ref; 31341:2, Before carrying your instructions into effect, I have thought it well to inform you of some facts connected with this case, of which you may not be aware, and after learning the facts, you might desire to modify the decision. In I think 1893, probably in 1892, Mr. Powell had arranged to start a small creamery or cheese factory, on or near his Homestead, and brought up the plant, and Cpws for same. He was prevailed upon by the Settlers to abandon his scheme, and combine with them, and start what is known as the Innisfail Dairy and Stock Co. . A joint Stock Co. was organized, and in the Spring of 1894, it started out on quite an extensive scale Owing to two causes, one bad management the 2nd that the great majority of the Stockholders were so situated financially, that the N.W.Territories exemption Act, prevented collections being made on their Stock, and when things looked blue, backed out, the result was that Powell, and some two or three others, who had too much at stake to lose, had to take hold. Powell being a practical butter and cheese maker has taken charge of that branch, and were it not for him, and one or two others, the creditors would have closed out the concern long since.

Referring to your letter of the 20th ultimo. to the Agent of Dominion Lands at Edmonton, which has been transmitted to this Department, I am directed to say that there does not appear to be any objection to an 80-acre Half-breed land scrip being applied by the homesteader, if he is the grantee or the grantee's assignee, on the half quarter-section held by him under homestead entry, but, before a more definite answer can be given you in this matter, it will be necessary to furnish this Department with a description by section, township and range of the land on which it is proposed to apply such scrip.

Sir:-

FEB 21 1898

I beg to thank you for your letter of 7th instant, file 459614, with reference to the abstract question whether a homesteader who finds it necessay to reside in Edmonton may be allowed to purchase ,by the application of Half Breed land scrip, the 80 acres of his homestead on which he has valuable improvements and buildings; and stating it would be necessary to definitely define the section,township ,and range of the land on which it is proposed to apply the scrip.

The name of the person for whom I am acting is Mr James Adson Powell, formerly of Bowden or Innisfail Post offices, now of Edmonton, whose homestead is the S.W.1/4 of Section 20,Township 33, Range 27, West of 4th meridian,taken up in 1892. He desires to apply an 80 acre Half Breed Land Scrip to the purchase of the North half of said quarter section,on which he has expended several thousand dollars in improvements.

The scrip will of course be duly assigned to him on getting your expected favourable reply,authorising the Calgary lands agent to accept it for the purpose .

The Dominion Lands Agent.

Calgary.

Sir;

Early in 1898 Mr. James Adson Powell who had homesteaded the S.W.1/4 of 20 - 33 - 27, west 4th, applied for permission to abandon his homestead and purchase the north half by means of land scrip. This privilege was accorded him by letter of the Secretary of the Department of the Interior, No. 459614, of 31sy March, 1898, addressed to me, copy of which letter he stated had been sent to you for your guidance.

Availing himself of this permission Mr. Powell bough 80 acres of scrip number 9295 from Baptiste Wanyandi and proferred same in payment of the land. After this scrip which had been duly transferred to Mr. Powell reached Ottawa it was discovered that Wanyandi had not yet attained the age of twenty one, and it was alleged he was not competent to convey it during his nonage. The scrip was then returned to Mr. Powell through Messrs Bourchier & Gouin of Calgary with letter to them from the Secretary of the Department, number 364110 of 11th February, 1899.

Mr. Powell has again bought a piece of scrip number 0296 for 160 acres and has had the same duly transferred to him according to the regulations by Henri Moberly, who is certainly long over twenty one years of age, and this scrip, note and assignment thereof I now enclose with his application to purchase the North half of S.W.qr of 20 - 33 - 27, west of 4th which he received permission to do as above and also to purchase the adjoining south half of N.W.1/4 of the same section, which is open for homestead and pre-emption entry.

You will please find enclosed also the $ 2.- fee required at Ottawa for registering the assignment there. I presume the the same amount was paid in case of Wanyandi's scrip; and if so it will be refunded to Mr. Powell.

To avoid delay I have thought it better to make this full statement of the case.

Sir,

Referring to your letter of the 27th ultimo, No. 32572 on file 19121, transmitting copy of a letter from Mr. Isaac Cowie, Edmonton, enclosing an application from Mr. James Adson Powell to purchase the S. ½ of the N. W. ¼, and the N. ½ of the S. W. ¼ of 20, 55. 27, W.4th M., containing 160 acres, and Half-breed scrip in payment of the same; I am to state that the assignment from Henri Moberly to Powell of said scrip has been duly registered in the books of the Department, and the patent for the land located thereunder is now in course of preparation in the name of the assignee.

It appears by the records here that Mr. Powell is liable as surety on a bond given during the year 1896 by one H. A. Mr. Jas. A. Powell, who held a homestead entry for the S. W. ¼ of 20--33--27, W. 4th, and who, it was represented by Mr. Isaac Cowie, had valuable improvements on the N. ½ of this section, was permitted to abandon his entry and to apply Half-breed land scrip on the N. ½ of the said S. W. ¼ 20, as well as on the S. ½ of the N. W. ¼ of the same section, for which lands patent was issued to him on the 17th July last.

Mr. Cowie now applies on behalf of Mr. Powell to be granted a similar privilege with respect to the S. ½ of the S. W. ¼ of this section, which is vacant according to the records of the Department.

I see no objection to his request being granted; but, if the land scrip is of the new issue, it will have to be located by the grantee himself, who may, after the transaction has been reported to the Department in the usual way, asign the land.

The land which has been patented to Mr. Powell is bordered red on the sketch hereunder, and that applied for bordered blue.

Sir:-

I have the honour to inform you that an application has been received from Mr. E. E. Elliott, of Russell, Iowa, for homestead entry on the N. W. 1/4 of 20 - 33 - 27, West of the 4th. On the 13th. July, 1899, (File 364110) Head Office advised this Office that a patent for the S. 1/2 of the N. W. 1/4 and the N. 1/2 of the S. W. 1/4 of this section was in course of preparation in Mr. the name of Mr. James Adson Powell; and on the 6th. December of the same year ~~x xxxxx~~ Head Office stated that Mr. Powell might be permitted to purchase the S. 1/2 of the S. W. 1/4 of said section 20, but that if the land scrip which he proposed to apply on the land was of the new issue, it would have to be located by the grantee himself. Mr. Powell was so informed on the 13th. of that month, a copy of the letter being forwarded to Head Office, and on the 28th. May, 1900, was asked what action he intended taking in the matter (See copy of letter enclosed), but up to this date no reply has been received to either communication. Be good enough to say whether this 80 acres may no beconsidered available; also the N. 1/2 of the N. W. 1/4.

RE N.W.1/4-3-1-24, W. 4th I.M.

Referring to your letter (No.368)80, File 364350), dated the 19th of November, ultimo, we beg to say that the Calgary and Edmonton Railway Company received an application from W. R. Vaughn on August 28th, 1893, and sold to him the Quarter Section above referred to. The Company never received any application from E. E. Rolph for this land. We presume the application, which he says he signed, was addressed to the Department. We further presume that Mr. Rolph is mistaken in thinking that he had 'squatters' or any other rights to the land in question, as, upon the 25th of August, 1893, your Department advised the Calgary and Edmonton Railway Company Land Department, at Winnipeg, that this land was available for the purposes of the Calgary and Edmonton Railway land grant, and was so reserved and held by the Department at the disposal of the Company.

We have the honor to remain,
Sir,
